Invocation

Hear us, Lord, holy Father, almighty and eternal God; and graciously send your holy angel from heaven to watch over, to cherish, to protect, to abide with, and to defend all who dwell in this house. We ask this through Christ our Lord.

Amen.

THE FOUR-WAY TEST

of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First :** The development of acquaintance as an opportunity for Service;
- Second :** High Ethical standards in business and professions; the Recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third :** The application of the ideal of service in each Rotarian's personal, business and community life;
- Fourth :** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Song of the Day

WHAT A WONDERFUL WORLD

I see trees of green, red roses too
I see them bloom for me and you
And I think to myself
What a wonderful world.

I see skies of blue and clouds of white
The bright blessed day, the dark' sacred night
And I think to myself
What a wonderful world.

The colors of the rainbow so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands, saying how do you do
But They're really saying, "I love you".

I hear babies crying, and I watched them grow
They'll learn much more than I'll ever know
And I think to myself
What a wonderful world.

Yes, I think to myself
What a wonderful world.
Oh yeah

From the President

Pres. RJ Ermita

A golden afternoon fellow Rotarians!

Last week we had our first club assembly and fellowship for the Rotary year. It was a fun-filled zoom and BYOD (bring your own drinks) affair. Another innovation was introduced to the club in the form of virtual karaoke! Karaoke is a recognized way to distress and release all our anxieties which we all need especially in this difficult time. We look forward to the next fellowship and more members participating. Cheers!

I would like to thank the members who volunteered their time and talent to serve as management committee members of the Luxid-RC Pasig Microfinance Cooperative. This is the first step to assure the sustainability of this program. Secondly, we would like to thank those who pledged funds to continue-on with the lending activity of the cooperative which is very much needed during this pandemic.

With the increasing number of COVID cases plus the declaration of the MECQ effective August 4, 2020, we once again activated the feeding program for the RMC medical front liners. This time, our intention is to support the graveyard shift with nutritious dinner which will help them stay focused and healthy as they tend to the needs of our COVID patients. We aim to be able to provide meals at least during the MECQ period in the month of August. Hoping for everyone's support.

Let us continue to follow the protocols set forth by our medical experts to help prevent the further increase in COVID cases. It is

better to side with caution, even with paranoia, in trying our best to deal with the reality of living with this virus. And of course, let us pray for those afflicted that they may be restored to health and that a vaccine be discovered at the soonest possible time.

On this the 50th year of the enduring Rotary Club of Pasig, I remain...

Truly yours

PRESIDENTIAL MESSAGE

Holger Knaack
President 2020-21

August 2020

The year 2020 has brought monumental changes that have already included a global pandemic and a renewed call for social justice. We are reminded that we live in a constantly changing world, and Rotary is a reflection of that world.

We must be ready to listen and adapt, always drawing upon our core values of service, fellowship, diversity, integrity, and leadership. If we live these values and apply The Four-Way Test to all aspects of our lives, we will be prepared to lead at all times.

I am proud of how we have proven our ability to adapt. Faced with a pandemic, Rotary has not stopped. We moved meetings online and found new ways to serve. We turned the canceled 2020 Rotary International Convention in Honolulu into our first virtual convention. Each week, we are proving that Rotary is a flexible gathering that happens anywhere — in traditional meetings, on cellphones, and on computers. Rotary offers a way to connect for everyone who wants to, at any time, and will continue to do so.

Some have even told me that they enjoy Rotary's mix of online and in-person meetings more now than before! How can we build on this momentum and seize the opportunity to embrace change so that Rotary keeps thriving?

Continuation 1.

For me, supporting new types of clubs is key. They are no longer just experiments but a real part of Rotary today. In addition to traditional clubs, we have e-clubs, Rotaract clubs, cause-based clubs, and passport clubs. These help make Rotary more inclusive, more flexible, and more attractive to new members. Visit these clubs, exchange ideas and partner with them, and promote them to one another and to our communities.

We all agree that we need to grow Rotary, but sometimes we can get caught up in the numbers game and lose sight of the bigger picture. After all, an increase in membership is meaningless if next year, those new members leave our clubs. Let's grow Rotary sustainably. Rotary's flexible options for participation will engage members and show the community how we're different from any other club. Let's celebrate that Rotary is now less about rules and more about joining together in a variety of ways besides traditional meetings.

I recommend that each club hold an annual strategy meeting to ask — and honestly answer — if we are doing all we can for our members and if our club reflects the community we serve. We are taking this approach at the international level, too. I am proud that six women are serving with me on the RI Board of Directors this year, the most we have ever had. Let's keep Rotary moving in this direction at every level. We need more perspectives, more diversity, for Rotary to thrive.

It's fascinating to imagine how we will find new ways to adapt and stay nimble this year and beyond. But I am also inspired about what hasn't changed and never will in Rotary: the friendships, the networking, the ethics, and the service. Indeed, these are the values that make Rotary attractive to all.

Continuation 2.

As Rotary's founder, Paul Harris, said, we have to be revolutionary from time to time. Now is such a time. Rotary Opens Opportunities — countless ones — for us to embrace change that will strengthen us even as we remain true to our core values.
