Invocation

All-powerful and ever-living God, with you there is no darkness from nothing is hidden. Fill us with the radiance of your light: may we understand the law you have given us and live it with generosity and faith.

Grant this through Christ our Lord.

Amen.

THE FOUR-WAY TEST

of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First :** The development of acquaintance as an opportunity for Service;
- Second :** High Ethical standards in business and professions; the Recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third :** The application of the ideal of service in each Rotarian's personal, business and community life;
- Fourth :** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Song of the Day

NEVER ON MY ROTARY DAY

Oh you can meet me on a Monday,
A Monday, a Monday is very very good.
Oh, you can meet me on a Tuesday,
A Tuesday, a Tuesday in fact I wish you would.
Or you can meet me on a Wednesday, a Friday,
A Saturday and Sunday is the best
But never, never on a Thursday, a Thursday
A Thursday 'cause that's my Rotary day

Refrain:

Most any day, you can be my guest,
Any day you say but my Rotary day.
Just name the day that you like the best,
Only stay away on my Rotary day.

Oh you can meet me on a cool day,
A hot day, a wet day, whichever one you choose
Or try to meet me on a gray day,
A May day, a pay day, and see if I'll refuse.
And if you make it on a bleak day,
A freak day, a week day, then you can be my guest.
But never on a Thursday, a Thursday,
A Thursday 'cause that's my Rotary day.

(Repeat Refrain)

From the President

Pres. RJ Ermita

A happy Thursday to all Pasig Rotarians and Guests!

Thank you for attending the Club's Induction and Turnover Ceremony last week via ZOOM. Hope you liked the attempt on common fellowship by partaking of the beer, brownies and chicharron in our exclusive 50th anniversary rock glass. Consider it a precursor to a more creative and better executed 50th Anniversary celebration in case face to face gatherings will not be allowed in January.

Congratulations to Rotarian of the Year Flor De Pano and the rest of the awardees! Thanks and congratulations to IPP Nick!

October is Economic & Community Development month for Rotary! It is timely that we started the month with orientation seminars for future members of the RCP- Luxid Microfinance cooperative conducted by PP John, Dir. Sonny and Rtn. Bong. Thank you to you, the membership committee of the Coop MANCOM for actively helping people have access to credit to help themselves.

We look forward to the October meeting hosting of Pangkat 4 led by PP Rel Gomez and co- leader Rtn. Ed Evangelista with PP Toti, Dir. James, PP Vic, Rtn, Raj, Rtn Chito, Rtn. Alex, Rtn. Ping, Rtn. Pal, Rtn. Carlo and Rtn. Jay. This is a star-studded group indeed. Thank you.

On the 50th year of the REMARKABLE Rotary Club of Pasig, we remain...

Truly yours,

RJ Ermita

PRESIDENTIAL MESSAGE

Holger Knaack
President 2020-21
October 2020

During a recent Zoom meeting with Rotarians and Rotaractors, I looked at the smiling faces on my screen and realized how much our organization has changed in a short period. It is clear that there is no going back to the "old normal" in Rotary — and I see that as an exciting opportunity!

Innovation and change are happening at so many levels as we rethink and remake Rotary. Rotary's new flexibility is blending with digital culture to drive change in ways that many of us have never seen before. We can learn a lot from Rotarians like Rebecca Fry — who, at age 31, already has 15 years of Rotary experience. I see Rotary as a phenomenal platform to change the world. I believe I can have the greatest influence by empowering others to create the change they wish to see in the world. I've gained leadership insights through my experiences in RYLA and Rotaract, and now, as charter president of the Rotary Social Impact Network, a new e-club.

Engaging Rotary program alumni is key in forming new clubs. Our club is proof that Rotaractors and other alumni want to join Rotary — but sometimes they can't find the Rotary club that's right for them. Our club has 31 members, all between the ages of 23 and 41, and almost all of them are alumni of Rotary programs.

We need to be able to integrate and align Rotary with the other personal and professional goals we're pursuing. In chartering this club, we set out to design a personalized model of Rotary that is focused on added value for our members. We have also sought to leverage connections — through Rotary Fellowships, Rotary Action Groups, and other international partnerships — in order to elevate our members' experiences beyond the club.

Our club meets and manages most of its projects online, using Microsoft Teams to engage 24/7 in topics that interest our members. This also means our club is not geographically bound to any one location: Although many of us are in Australia, we also have members in Germany, Italy, Mexico, Tanzania, and the United States.

Also key for our club is measuring the impact of our projects. For Plastic Free July this year, we created an awareness campaign promoting ways that individuals could reduce their use of plastics, and we reached more than 6,000 people. It's a project with a tangible impact that anyone can take part in wherever they are. I'm proud that, through our club, we are bringing people together for a new type of Rotary experience. I am excited for our future.

All Rotary clubs have the opportunity to be innovative clubs, just like Bec's club. Let's trust those clubs, learn from them, and lend them our support. Change in Rotary happens at the grassroots level, as clubs lead the charge, defining what this new Rotary can be.

Change is constant, and we have more work to do in many areas. It is important that we celebrate the contributions of people of all

backgrounds and promote people from underrepresented groups so that they have greater opportunities to participate as members and leaders in Rotary.

The tools to make Rotary more inclusive, more relevant, and more fun for everyone are at our fingertips. Let's use them now, and we will see how Rotary Opens Opportunities for ourselves and for those yet to discover us.
