Good Afternoon Pasig Rotarians!

August is Membership and Club Development Month. May I request everyone to invite like-minded and vibrant gentlemen prospects to attend our succeeding meetings. Keep them coming and we are sure we will meet our membership objectives. Our Membership Committee Chairman, Dir Adolf Aran had started the ball rolling with a project kick-off meeting using a Google Meet. Chair Adolf has defined the different strategies and targets from recruitment, onboarding, and retention. Also discussed were the use of different digital channels to attract more new members. Appreciate the participation of Rtn Tet Mallare, Rtn Ferdie Legaspi and Rtn Roy Quejada.

Our Administration Committee Chairman PP Ogie Lim is also very active with his team of Rtn Jake Oh and Rtn Gary Ona in monitoring our club activities and meetings. They also designed and adopted some forms for monitoring and coordination with the Membership Committee for collaboration in improving our membership satisfaction and retention.

I like to personally congratulate our RC Pasig Golf Team headed by PP Rel Gomez and HOF/PPConrad Cuesta for a successful participation in the first leg of the Rotary Golf Federation D3800 Tournament held at Tagaytay Midlands last July 27, 2021. Special mention to Rtn Manfred Guangko in Group A, who scored a gross 73 (+1), the 2nd best score in the tournament.

I also like to thank Pangkat 3's Rtn Chony Gimenez for initiating a project to award and honor the "Top 10 Non-Commissioned Pasig

Policemen” to happen in September, 2021. Under the leadership of their Pangkat Leader Rtn Bart Ronquillo, they have started coordination with Pasig Chief of Police, PCol Roman Arugay for the list. Thank you to the rest of Pangkat 3 team for fulfilling another project on Peace Building and Conflict Prevention, an area of focus of Rotary.

Our Service Committee Chairman Sonny Rivera is also busy at work with the Bayahihan Para sa Paaralan project with Rtn Nilo Ocampo assisting in the project as well.

With the increasing threat of COVID Delta variant and the declaration of ECQ this weekend, we will once again be on alert on how we can help our community and frontlinets. I like to thank our new Rtn Anson Tan for donating 5 Big Boxes of vinyl pre-powdered gloves and 200 boxes of medicines. Newly inducted Rtn Philip Go already offered to donate his Aerosol Tempered Glass Box Hood for our partner hospital, I also prepared some cloth face mask ready to help. Please continue to pray for PP Ed Lucero, PP Rene Bocaya and Rtn Carlo Doce for their healing.

Keep Safe and Stay Healthy fellow Rotarians!

## **Rotary Notes**

**PP Benny P. De Guzman**

The Raffy Garcia Challenge is back. Only for our club so that any member who will avail of membership in The Rotary Foundation's Paul Harris Fellow will shoulder only 50% or US\$500. PRID Raffy will shoulder the other half. For the new members, during the presidency of PRID Raffy, he made all the members Paul Harris Fellows except those were already PHFs. To show his magnanimity during his term as District Governor, he launched the Raffy Garcia Challenge for all Philippine Rotarians. His contribution to Rotary International thru Arch Klumph Society and other donations come to about US\$5 million. Mabuhay ka Sir Raffy!

The honoring of our top cops in Pasig, is a project offered to his Pangkat by another generous Rotarian, no less than Chony Gimenez. It is another very good project of sharing his blessings. Chony owns Dampa in C5 where he hosted several of our Christmas parties. But he gave up when the attendance was dismaying.

There are many fake news in Facebook that some clarifications are in order. PP Henry thought it was from PP Bert. It started when I got the seemingly newsy bit as follows: Great News; Cardiovascular stent doctors are about to lose their jobs, the top secret formula for getting rid of blood clots: The personal experience of a person living in Huaihua. When he went to Changsha for a meeting, he suddenly had a severe chest pain. Later, the hospital found that his three cardiovascular vessels had been severely blocked and needed stent surgery. The operation was a month later, during this period, he went to see an ancient therapist of Miae ethnic in Western Hunan. The old man asked him to do a diet of therapy at home, and he took it for a month. One

month, he went to the same hospital for an examination of his blood vessels. They were all clean and all blockages were all cleared. He is a kind teacher. In order to benefit more, he shared his experience on the internet. Two photos of his blood vessels were also posted, before and after taking the diet. Even ordinary people can notice the difference. Ingredients: 1 lemon, 2 pcs. of ginger, 3 garlic, bottle of vinegar of 500 cc. 1. Peel the ginger and cut into small pieces and peel the garlic. 2. Put the sliced ginger and garlic in a claypot, add lemon juice and vinegar, bring to a boil over high heat and simmer on low heat. Do not cover the pot and let the the water evaporate. It takes about half an hour and about half of the liquid remains. 3. After the temperature drops, put the finished product in a glass bottle with a lid and put in the refrigerator. Take it on an empty stomach before meals every day. Dilute with 2 tablespoons, about 30 to 40 cc and 500 cc of water for one day, morning, middle and night. The same hospital cleared patient. All clogged areas were cleared. No need to keep private, Share top secret formula to many. Save people. Save medical expenses. Please pass.

I sincerely thought it was good news. I sent to 60% of our members and PP Henry filed his protest. Fake news. Docs Ferdie and Ato said it is impossible. While former Rotarian PP Val Chua claims he got the same formula from a Korean co-golfer of his and it healed his erratic blood pressure. To help the Korean, Val was willing to sell it at cost to interested Pasig Rotarians. I told him of my desire to place some items for sale to our members and any business and a certain amount may be given as a fund for future projects. Rightfully, PRID Raffy said it must be fund raising per project. Val would now place his item for sale but he guarantees the concoction as excellent for his maintaining his 117/68 BP.

## PRESIDENT MESSAGE

**Shekhar Mehta**  
**President 2021-22**  
**August 2021**

As we focus on membership in Rotary this month, I ask you to help make history this year. For more than 20 years, our membership has stood at 1.2 million. Rotary is a vibrant organization with a 116-year history, members in more than 220 countries and geographic areas, and a rich legacy of work in polio eradication and other humanitarian programs. Rotary has changed so much in our own lives and the lives of others. As we Serve to Change Lives, don't you think Rotary could have an even greater impact on the world if more people were practicing Service Above Self?

My vision is to increase Rotary membership to 1.3 million by July 2022, and the call to action is simple: Each One, Bring One. This year, I want every Rotarian and Rotaractor to introduce a new person into their club.

We are a membership organization, and members are our greatest asset. You are the ones who contribute so generously to The Rotary Foundation. You are the ones who dream big to bring good into the world through meaningful projects. And of course, you are the ones who have put the world on the brink of eradicating polio. As we make membership a priority this year, let us focus on diversity by reaching out to younger people and especially to women. Every club should celebrate its new members, and every

PP Jun C. Zafra

*Continuation 1.*

Rotarian who sponsors a member will be personally recognized by me. And those who are successful in bringing in 25 or more members will be part of our new Membership Society.

Even as we share the gift of Rotary with others, let us be sure to engage these new members, because an engaged Rotarian is an asset forever. And remember that engaging our current members and keeping them in our clubs is just as important as bringing in newcomers. Let us also be ready to form new clubs, especially flexible ones. I am very bullish on clubs that hold virtual or hybrid meetings, and satellite clubs and cause-based clubs can also be very effective ways of growing Rotary.

As you grow more, you will be able to do more. Let us keep empowering girls through our work in each of the areas of focus. Scholarships for girls, toilets in schools, health and hygiene education — there is so much we can do. Projects focused on the environment are also attracting interest the world over. Do participate in these projects locally and internationally to make this world a better place for us and for all species.

Each of you is a Rotary brand ambassador, and all of the wonderful work done by Rotarians around the world needs to be shared outside the Rotary community. Use social media to tell your friends, colleagues, and relatives the stories of Service Above Self.

Finally, I'm challenging every club, during the coming year, to plan at least one Rotary Day of Service that will bring together volunteers from inside and outside Rotary and will celebrate and showcase the work of your club in your community. Visit [rotary.org](http://rotary.org) to find out more about all of these initiatives, along with other ways to Serve to Change Lives.

## Our Guest Speaker

**MR. PEPING DE VILLA**

Mr. Marcos Jose “Peping” de Villa is a graduate of the University of the Philippines at Los Banos with a degree in B.S. Agribusiness. His first employment was with Benguet Corporation as a market researcher and moved up to become a senior manager. He later moved to PHINMA Management Consultants as a full-time consultant for agribusiness concerns until he resigned in 1990 to venture into his own business.

His first business venture was in the manufacturing and retailing of ladies RTW clothes. Together with his wife, they grew the business into 5 retail branches situated in strategic malls nationwide. In 1997, they decided to close the business because they found it hard to compete when the government liberalized the import of garment products. After much consultations, research and prayer, Mr. de Villa thought of embarking in a new business dealing with consumer products wherein there will be recurrent repeat customers and less product obsolescence (unlike garments).

In 1999, they started GIGA Ventures, a garage-based micro enterprise to manufacture and distribute a line of natural soaps with an initial capital of P30,000. At that time, the natural personal care industry was virtually an unknown business in the country.

## Our Guest Speaker

### *Continuation 1.*

With multinational consumer goods companies churning out mostly synthetic soaps, shampoos and other cosmetics, venturing into this competitive space by using natural and biodegradable ingredients was a bold move for the fledging entrepreneur.

Today, GIGA Ventures has evolved from its garage beginnings into a professionally managed corporation, GIGA Natural Products Specialist Corporation. It is now marketing a full range of natural products with over 80 variants of soaps, oils, balms, sprays, and other personal care items using formulae developed by an in-house chemist and approved by the Food and Drug Administration.

It has a distribution network composed of retail kiosks in major malls and in numerous Mercury Drug outlets nationwide. GIGA's products are also being sold by several resellers in the different provinces in the Philippines. A number of health and lifestyle stores and department stores also carry their products and are also used as hotel and spa amenities in resorts in Boracay, Palawan, Tagaytay, Ilocos Norte, Bataan and Cebu. Export orders, while still a small portion of its revenues, have poured in from export markets and the company has started supplying buyers in Singapore, Kuwait, Hongkong and China.

GIGA was a recipient of the DTI Ginintuang Yaman Award in 2009, the DTI SME Star Elite in 2011, and a finalist in the first ASEAN Business Awards in 2014. Mr. De Villa was also recognized for Outstanding Achievement in Entrepreneurship in 2014 by the Agora Award of the Philippine Marketing Association. As a testament to the company's inspiring work and achievements as an entrepreneur, it was cited as one of the Outstanding ASEAN SME's in the ASEAN Directory published in

2015.

GIGA's introduction of high quality, locally produced products have made them affordable and desirable thus contributing greatly to the growth of the natural products sector. GIGA continues to play an important role as a manufacturer and distributor of "Natural Products that Work" as it continues to innovate natural personal care products of exceptional quality.

GIGA lives out its vision of acting with integrity in all their endeavours thus giving glory to God. GIGA, after all stands for GOD IS GOOD! ALWAYS!

### **Minamahal na mga gumagawa ng pagbabago,**

Maligayang pagdating sa bagong taon ng Rotary — isang taon na hihilingin ka para Maglingkod upang Makapagbago ng mga Buhay at makamit ang malalaking pangarap. Dahil sa iyong pagkahilig sa pagkamit ng magagaling na bagay, mas lalago tayo at mas may magagawa pa.

Itinatakda ng ating Action Plan, ang strategic road map ng Rotary, ang ating landas at pinalalalakas tayo para sa hinaharap sa pamamagitan ng pagtuon sa apat na priyoridad: pagpapataas sa ating epekto, pagpapalawak sa ating maaabot, pagpapahusay sa pakikipag-ugnayan ng kalahok, at pagpapataas sa ating kakayahang umangkop. Ngayong taon, ikinararangal kong ilipat ang mga priyoridad na ito sa pamamagitan ng pamumuno gamit ang hangarin at pagpapatupad ng ilang inisyatibo na sa palagay ko ay magreresulta sa positibong paglago sa panahon ng 2021-22 at higit pa.

### **Pagpapalawak sa ating maaabot sa pamamagitan ng Bawat Isa, Magdala ng Isa**

Ang Rotary ay isang buhay na samahan na kumalat sa halos 200 bansa at lugar sa mundo at may isang mayamang pamana ng pakikipaglaban upang wakasan ang polio. Hindi ba't magkakaroon tayo ng mas malaking epekto sa mundo kung mas maraming tao ang nagsasagawa ng Pagseserbisyo Nang Higit Pa sa Sarili?

Ang mga kasapi na katulad mo ay ang ating pinakamalaking asset. Ngunit sa huling 20 taon, ang pagiging miyembro ng Rotary ay

*Continuation 1.*

nanatiling hindi dumadaloy. Sa pamamagitan ng isang programa na tinatawag ko na Bawat Isa, Magdala ng Isa, hinihiling ko sa bawat isa sa inyo na mangako sa pagtanggap sa isang bagong kasaping Rotary o Rotaract sa susunod na 12 buwan. Ang isang kilos ng lumalagong Rotary na ito ay gagawin kang isang totoong gumagawa ng pagbabago, sapagkat matutulungan mo tayong makamit sa loob lamang ng 12 buwan kung ano ang hindi nating magawa sa loob ng 20 taon. Siyempre, kakailanganin mong makilahok at mapanatili ang mga kasapi ring ito. Mahalaga rin ang pakikipag-ugnayan ng miyembro para sa paglago ng ating samahan.

Habang tinatanggap natin ang mga bagong kasapi, patuloy nating tiyakin na nakatanim sa lahat ng aspeto ng Rotary ang pagkakaiba-iba, pagkakapantay-pantay, at pagsasama. Naniniwala kami na ang sinumang nakikilahok sa Rotary — maging miyembro, kasosyo, o kalahok — ay dapat makaramdam ng pagpapahalaga, respeto, at pagtanggap. Sa pamamagitan lamang ng pagyakap sa buong pagkakaiba-iba ng mundo, magagawa nating lumago at makamit ang ating mga layunin.

Natutuwa ako na ang pagiging miyembro ng Rotaract ay patuloy na lumalaki. Sa taong ito, nagsasagawa kami ng karagdagang hakbang upang kumpirmahing muli at itaguyod ang Rotaract bilang isang natatanging uri ng pagiging kasapi sa Rotary. Hinihikayat ko ang Rotary at mga Rotaract club na maghanap ng mga paraan upang kumonekta sa isa't isa, marahil sa pamamagitan ng paglikha ng isang mentorship program o pakikipagsosyo sa isang inisyatiba na batay sa club, district grant, o global grant. Mas malaki ang makakamit natin kapag nagtutulungan tayo!

*Continuation 2.*

## **Maglingkod upang Makapagbago ng mga Buhay**

Ang pagseserbisyo ay nasa kaibuturan ng aking sariling pakikipag-ugnayan sa Rotary, ito ang dahilan kung bakit nais kong ipakita sa ating lahat ang mahusay na gawain ng Rotary sa pamamagitan ng pag-host sa Rotary Days of Service. Imbitahan ang iyong mga miyembro, mga kalapit na club, mga lokal na samahan ng sibiko, alumni ng programa, mga kaibigan, pamilya, at publiko na sumali sa iyo para sa isang kaganapan sa paglilingkod sa pamayanan. Gawing isang pagdiriwang ng ating pagkahilig sa paggawa ng mabuti ang Rotary Days of Service.

Habang nagpapasya ang iyong club kung aling mga kawanggawa ang susuportahan sa taong ito, mangyaring isaalang-alang ang mga proyekto na nakatuon sa pagbibigay lakas sa mga batang babae at paglikha ng pagkakapantay-pantay para sa kanila. Sa pamamagitan man ng isang global grant na proyekto o isang lokal na programa na sinusupportahan ng iyong club, lahat tayo ay maaaring makapag-ambag sa mahalagang gawaing ginagawa sa buong mundo upang mapalawak ang pag-access sa edukasyon, mapabuti ang kalinisan, at labanan ang diskriminasyon at hindi pagkakapantay-pantay ng kasarian. Kasing halagang mga stakeholder din sa mundong ito ang mga batang babae, at dapat silang magkaroon ng pantay na mga karapatan.

Kailangan din nating ipaalam sa iba ang tungkol sa lahat ng kahanga-hangang gawain na ginagawa ng Rotary. Ang bawat isa sa inyo ay isang brand ambassador ng Rotary, kaya gamitin ang social media, lokal na media, at website ng iyong club upang ipakita sa iyong pamayanan — at sa mundo — kung paano ka at ang iyong kapwa miyembro ng Rotary ay mga taong may aksyon.

*Continuation 3.*

**Pagdaragdag ng ating epekto**

Mga kaibigan ko, matatag ka, at gumagawa ka ng mga kamangh-manghang bagay upang labanan ang COVID-19. Mabilis tayong nakasabay sa agos upang suportahan ang ating mga komunidad sa simula ng pandemyang ito, at maninindigan tayo hanggang sa wakas. Kumilos tayo upang matiyak na ang mga bakuna ay ginawang available ng patas sa buong mundo at ang mga tao ay nabakunahan nang mabilis hangga't maaari.

Kamakailan ay iginawad natin ang ating unang \$2 milyong Programs of Scale Grant sa Mga Kasosyo para sa isang Malaria-Free Zambia at papangalanan natin ang ating pangalawang tatanggap ng mga Programs of Scale grant ngayong taon. Ang gantimpalang ito at ang ating pagsisikap na puksain ang polio at labanan ang COVID-19 ay mga halimbawa kung paano tinutugunan ng Rotary ang mga makabuluhang pangangailangan sa isang malaking sukat. Ang mga programang ito ay nagsisilbing mga modelo para sa kung paano natin maipapakita ang ating nasusukat at napapanatiling epekto.

Marami tayong dapat asahan sa darating na taon, at nang sama-sama, mas marami pa tayong magagawa pa. Walang imposible para sa Rotarians at Rotaractors!

Ikinararantal ko na makasama sa paglalakbay na ito kasama ninyo.
