** FEBRUARY IS PEACE AND CONFLICT PREVENTION MONTH **

Invocation

Heavenly Father, we thank you for gathering us today. We speak and claim of Your blessing to be upon us today. Anoint us with your Wisdom and let it flow abundantly through our organization leaders whom you have chosen. Let Your Holy Spirit you take control of this meeting and allow everyone to contribute ideas for the best interest of the Rotary and its projects.

Father God, we recognize and submit to your Lordship over our respective lives, families, businesses, associations and in everything we own and do. Remind us always to be grateful of your love and blessings. Teach us to share the same love and blessings to others in need that in all these things that we do, we do it for Your Greater Glory.

All these we ask and pray, in Jesus' name.

Amen

THE FOUR-WAY TEST

of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First** : The development of acquaintance as an opportunity for Service;
- Second** : High Ethical standards in business and professions; the Recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third** : The application of the ideal of service in each Rotarian's personal, business and community life;
- Fourth** : The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Song of the Day

MY ROTARY DAY

(Adapted from "Beautiful Sunday")

Thursday morning, I'm up and about
I think I'll take a walk in the park
Hey, hey, hey, it's a wonderful day

I've got someone waiting for me
When I see him I know that he'll say
Hey, hey, hey, it's our Rotary day

Hi, hi, hi, wonderful Thursday
This is my, my, my, Rotary day
When you say, say, say, say that you'll meet me
Oh, hey, hey, hey it's our Rotary day

Birds are singing, you by my side
Let's take a car and go for a ride
Hey, hey, hey, it's our Rotary day
We'll drive on and follow the sun
Makin' Thursday go on and on
Hey, hey, hey, it's our Rotary day

Hi, hi, hi, wonderful Thursday
This is my, my, my, Rotary day
When you say, say, say, say that you'll meet me
Oh, hey, hey, hey it's our Rotary day

Hi, hi, hi, wonderful Thursday
This is my, my, my, Rotary day
When you say, say, say, say that you'll meet me
Oh, hey, hey, hey it's our Rotary day

(Lyric adaptation by PP Peter Javier)

From the President

Pres. RJ Ermita

A good Rotary Afternoon to everyone!

Last Tuesday, our club hosted the district webinar on anti-human trafficking entitled “Combating Online Sex Exploitation of Children (OSEC).” Our speaker Justice Undersecretary Atty. Emmeline Aglipay-Villar was very informative and cooperative in answering the questions from the audience. At least 190 Rotarians and guests attended. I hope this will spark the creation of new programs to address this online menace.

Congratulations and thank you to PP Peter John Javier for organizing the event and giving us a glimpse of this alarming issue as the district chair for Peace and Conflict Prevention and Resolution.

Today, we continue our block buster week with the guesting of newly appointed University of the Philippines Chancellor Dr. Fidel Nemenzo. His talk entitled “Academic Freedom: DND and UP Diliman Accord” will surely be interesting and informative to us. This will help us appreciate the basis and importance of academic freedom for learning institutions.

Usec Villar and Chancellor Nemenzo are the examples of the new generation of leaders and movers of the country, very much committed to serve.

On Monday, February 22, 2021 we will be holding the first new member project brief to discuss the Luxid-Rotary Microfinance

From the President

Pres. RJ Ermita

Continuation 1.

Cooperative. The objective is to help our new members familiarize themselves with this long-term flagship project.

Our plan is to do the same with all the other flagship projects we have on the following weeks and months.

Hope to see all our new members in the virtual bring your own drink event on Monday.

Gentle reminder for our members to register for DISCON 2021 and the Rotary International website member access a shared in the viber group. Thank you.

On our 50th year we remain..

Yours in Rotary,

RJ Ermita

Rotary Notes

PP Benny P. De Guzman

The first Valentine's Day during a pandemic saved many from unnecessary spending and gas usage. It disappointed many eateries and chocolate makers though. As many are reeling over the economics of everyday living and earnings, at least two noted Ateneans seem to be ranking it in. PRID Raffy will never feel the economic crunch in the country as he earns his dollars and donating a good portion of his earnings to our club and to Rotary International. Batch mate, a little over five months younger, PP Topax is gloating that he has stricken gold in his Bitcoin, down to his apos. Tagged by past member of our club Butch that he was helping Topax in his Bitcoin build up but Topax denied it. Butch left the club. I don't know if because of the denial of Topax or he felt there is no market in our club?

The count I have as our members thru the *Pangkat* total 91. Newcomer, Rtn Cesar Lacuna is a returnee. Why he and son Bebert are in the same *Pangkat*, I don't know. How do they do the *Pangkat* assignments? Of the six *Pangkat* Co-Leaders, the assignment is balanced with three active and the other three not-so-active or in the danger list of being dropped out.

Dropped out? Can the treasurer please check those with so many absences, including now that zooming is relatively easy, to check on payment of dues? Or, for their sponsors to ask them if they are still willing to stay with us? Or, be traded off?

The newsy articles of PP Jun must be a required reading especially for new members. We are lucky in our *Pangkat* that the new ones are so active that a new age group must be formed to energize them. Spiritually and financially, the keen interests of *Pangkat* Head of ours, Bart, can be gleaned on his various questions he

Rotary Notes

PP Benny P. De Guzman

Continuation 1.

raised to Rtn Chony, the other week, and to PP Topax earlier this week. In fact, our **Pangkat's** meetings are longer in minutes than our regular Thursday noon meetings. The attendance is almost similar though.

Tinig wants to acknowledge and thank the regular attendance of our unquestionably Loyal Make Upper-Jimmy Ortigas. Earliest **pa siya** in attendance. Nagcontribute **pa sa atin** during the 50th Anniversary celebration. **Ayaw lang mag** officially join like PP Ed Lucero.

The pandemic and the Corona virus produced new words that PP Peter presented in his very informative column. It may generate a smile as well as to the ingenuity of people to play with words. Peter even plays with lyrics of popular songs that he has injected in our community singing.

Seriously, both of our **Pangkat** members, Rtn Chony and PP Topax can be our Rotary Club speaker. Chony on the stock market and Sogo, Topax on Bitcoin. **Nasunog kayo sa HK, kayo naman sa** stock market **hindi** investment **ang tawag** – Play. Were you part of the group **na napaglaruan ang** stocks and **pera niyo?** Try Bitcoin, you will not have a chance to bit you lips and you will be glad about the pile up on earnings. And, we can recall PIP Ayc Santos with his famous 5th of his 5-Way Test, “Are you enjoy?”.

Tinig condoles with Spouse Bella, of our Peping, on the demise of their matriach, sister Ging, the eldest of 7 very beautiful Zita sisters of the late forties and early 50's. Their only brother Tom came in 8th and last.

PP Jun C. Zafra

RI PRESIDENT-ELECT ANNOUNCES 2021-22 PRESIDENTIAL THEME

Incoming Rotary International President Shekhar Mehta urged members to become more involved in service projects, saying that caring for and serving others is the best way to live because it changes not only other people's lives, but also our own.

Mehta, a member of the Rotary Club of Calcutta-Mahanagar, West Bengal, India, revealed the 2021-22 presidential theme, Serve to Change Lives, to incoming district governors on 1 February during the Rotary International Assembly. The assembly, a yearly training event for district governors-elect, was originally set to take place in Orlando, Florida, USA, but was held virtually because of the COVID-19 pandemic.

Mehta spoke about how participating in service projects through Rotary changed him as a person and made him empathize more with the needs of others. Soon after joining his club, he helped carry out projects that benefited rural communities in India.

Some of the poor conditions he saw in those communities strengthened his commitment to service. "I truly understood the plight of my brethren," he said.

Mehta participated in initiatives that brought artificial limbs to children, clean water and sanitation to homes, and better health care facilities to communities.

"Rotary kindled the spark within me to look beyond myself and embrace humanity," he said. "Service became a way of life for me

Walking the Avenues

PP Jun C. Zafra

Continuation 1.

and I, like many others, adopted the guiding philosophy that ‘Service is the rent I pay for the space I occupy on this earth, and I want to be a good tenant of this earth.’”

Mehta encouraged district governors-elect to lead by example during their term and inspire Rotary and Rotaract members to participate in projects that have measurable and sustainable impacts. He’s asking each club to conduct a Rotary Day of Service.

“At the end of your term as district governor, you should feel that because of your leadership, because of your inspiration to Rotarians and Rotaractors, the world has changed for the better because of the service done by them during the year,” he said.

Focusing on diversity, membership

For the 2021-22 Rotary year, Mehta wants members to focus their efforts on empowering girls and ensuring their access to education, resources, services, and opportunities so that future generations of women leaders will have the tools they need to succeed. Mehta asked members to use Rotary’s belief that diversity, equity, and inclusion is critical in all we do as a compass to guide this work.

“There are many issues that girls face in different parts of the world, and you as leaders will ensure that we try and mitigate the disadvantage of the girl that they may have,” he said.

To be able to do more through service, Rotary needs to increase membership, Mehta said. Membership has hovered around 1.2 million for the past two decades. He challenged the incoming governors to be catalysts in their districts to help increase membership to 1.3 million by 1 July 2022. Mehta’s Each One,

Continuation 2.

Bring One initiative asks every member to bring one person to join Rotary within the next 17 months.

Increasing membership while also continuing our commitment to eradicating polio, fighting COVID-19, and serving our communities is an ambitious goal. “And that should excite you,” Mehta said. “Rotarians love challenges.”

Our Guest Speaker

FIDEL R. NEMENZO, D.Sc.

Professor, Insitute of Mathematics

Chancellor, University of the Philippines Diliman

Dr Fidel Nemenzo is Professor of Mathematics and Chancellor of the University of the Philippines Diliman (UPD). He studied in UP Diliman and Sophia University in Tokyo, where he obtained his Master of Science and Doctor of Science degrees. His areas of research are number theory, elliptic curves and coding theory. Among the awards he has received are the Achievement Award in Mathematics from the National Research Council of the Philippines and the UP Diliman *Gawad Chancellor Para sa Pinakamahusay ng Guro*. He was President of both the Southeast Asian Mathematical Society and the Mathematical Society of the Philippines, and has held research and teaching posts in Singapore, Tokyo, Amsterdam, Munich and Phnom Pehn. In 2019, Dr Nemenzo was elected to the Governing Board of the National Research Council of the Philippines and chairs its Mathematics Division.

Education

University of the Philippines Diliman, B.S. Mathematics, 1985

Sophia University, Tokyo, M.S. Mathematics, 1992

Sophia University, Tokyo, D.Sc., Mathematics, 1998

Continuation 1.

12. The curves of a figure-eight or the infinity symbol are called a *lemniscate*.
13. Something written with illegible handwriting is called *griffonage*.
14. The gap found on the hand between the forefinger and the thumb is called *purlicue*.
15. The outer side of a pizze crust is called the *cornicione*.
16. The cardboard sleeve given on disposable coffee cups are called *zarfs*.

(From BabaMail)

***DECLARATION OF ROTARIANS
IN
BUSINESS AND PROFESSIONS***

As a Rotarian engaged in a business or profession, I am expected to:

1. Consider my vocation to be another opportunity to serve;
2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
4. Be fair to my employer, employees, associates, competitors, customers, the public and all those with whom I have a business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to society;
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
7. Adhere to honesty in my advertising and in all representations to the public concerning my business or professions;
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

ROTARY CODE OF CONDUCT

As a Rotarian, I will

1. Exemplify the core value of integrity in all behaviors and activities
2. Use my vocational experience and talents to serve in Rotary
3. Conduct all of my personal, business, and professional affairs ethically, encouraging and fostering high ethical standards as an example to others
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community
7. Honor the trust that Rotary and fellow Rotarians provide and not do anything that will bring dis-favor or reflect adversely on Rotary or fellow Rotarians
8. Not seek from a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship
