# Invocation

Heavenly Father, Thank You. That you make all things new, thank you for all that you've allowed into our lives this past year. The good along with the which have reminded us how much we need You and rely on your presence filling us every single day. We pray for your Spirit to leads us each step of this new year. We ask that you will guide our decisions and turn our hearts to deeply desire You above all else. We ask that You will open doors needing to be opened and close the ones needing to be shut tight. Hel us release our grip on the things to which you've said "No." "Not yet." Or "Wait." We ask for help to pursue you first and above every dream and desire you've put we pray for your protection over our families and friends. May your hand over us and keep us distanced from the evil intent of the enemy: give us discernment and insight, to understand your will, to hear your voice, and to know your ways, keep our footsteps firm, on solid ground help us to not be easily distracted by other things that would seek to call us away from a close walk with You. We ask for your wisdom, for your strength and power to be constantly present within. We pray that You would make us strong and courageous for the road ahead. Keep us far from the snares and traps of temptations. Forgive us, for the times we have worked so hard to be self-sufficient. Forgive us, for letting fear and worry control our minds at times. We ask that You make all things new, in our hearts, in our minds, in our lives, for this coming year. We pray for your refreshing over us. We ask that you would provide for our needs. Grant us your grace and favor make every plan that you have birthed in our heart to succeed. May we be lovers of truth of truth may the fruits of your spirit be evident in our lives –Your love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Shine your light in us, through us, over us. May we make a difference in this world, for your glory and purposes. We pray that others would take notice of your goodness and say, "these are the ones that the Lord has blessed." Above everything else, let your will be done to you be glory and honor, in this new year, and in Jesus' name. **Amen.**

### “STAYIN ALIVE”

By “Bee Gees”

Well, you can tell by the way I use my walk  
I'm a woman's man, no time to talk  
Music loud and women warm, I've been kicked around  
Since I was born

And now it's alright, it's okay  
And you may look the other way  
We can try to understand  
The New York Times' effect on man

Whether you're a brother or whether you're a mother  
You're stayin' alive, stayin' alive  
Feel the city breakin' and everybody shakin'  
And we're stayin' alive, stayin' alive  
Ah, ha, ha, ha, stayin' alive, stayin' alive  
Ah, ha, ha, ha, stayin' alive

Well now, I get low and I get high  
And if I can't get either, I really try  
Got the wings of Heaven on my shoes  
I'm a dancin' man and I just can't lose

You know it's alright, it's okay  
I'll live to see another day  
We can try to understand

## **From the President**

**Pres. RJ Ermita**

Happy New Year fellow Pasig Rotarians!

Thank you for your active participation and support the past six months of this Rotary year.

As we begin the year 2021, my wish is for continuous health and happiness for you and your loved ones. May we also continue to be blessed as a club committed to serving our community.

We are finally in the month when we celebrate our 50<sup>th</sup> anniversary. The committee and your board are excitedly preparing for this event. We will make sure that it will be a memorable event for all of us.

Our virtual celebration is set for January 21, 2021 or 01212021, a Thursday being our Rotary day at 5'o clock in the afternoon.

This will serve as the kick-off event for the year's celebration, the highlight of which will be a 50<sup>th</sup> anniversary awards to recognize specific Rotarians and their contribution to the club, community and country.

As a virtual kick-off event, we will also be unveiling the new RC Pasig club logo dedicated to the Pasig Rotarians of past and to propel us for the bright future of our club.

Likewise, this means that we will still be culminating our golden year with a face to face live celebration sometime in the near future, hopefully within my term until June 30. But if not, then

## **From the President**

this will be celebrated in the term of PE Garrick. Remember that the 50<sup>th</sup> year of the club starts January and ends in December 2021.

Today we also celebrate a significant milestone of our club, with the sisterhood agreement with RC Legaspi North. They are our partners in the relief operations during Typhoon Rolly last November. We look forward to productive endeavors with them.

Thank you and see you all in our upcoming exciting and memorable celebration!

On the 50<sup>th</sup> year of the ENDURING Rotary Club of Pasig, we remain...

Sincerely yours,

RJ H. Ermita  
Transforming President

## Rotary Notes

PP Benny P. De Guzman

Second half of our RY, we wish one and all a very good year as the year that was, was truly hard for most except for a few, like our PRID Raffy who earns even on the hardest of times. The prayers of all of us that we truly celebrate together our 50<sup>th</sup> Anniversary is deemed. We have two weeks to go and chances are truly nil for a grand occasion. Anyway the target of 100 members have failed.

HOF/ PP Rhett was bent to support the major event not only as support for a beloved son, Pres RJ, but truly a milestone, that he convened many times his Committee on Awards especially since he has to name outstanding awards in a Rotary Year obstructed also greatly by this pandemic. *Talagang* pandemic, *pandemonyo talaga ito*.

It is in times of problems that we see the best in people as for months, prior even to December, our PP Ner had been pushing for recognition, not to a deserving Rotarian but to a deserving man Friday of all Rotarians – Edgar. Ner was to meet with the board of Pres RJ but his proposal would be discussed but it did not push through. Nevertheless, if it is a good project, an extension of time can be given. PP Ner in not with the golfing group but he has a nice follow through. Before the start of our second semester, he made sure he will discuss this again. What better choice than to have this in my column prior to the club's board meeting. A follow up Ner suggested to me that we meet with the PPs of the club as well.

Target 100? Even if past our 50<sup>th</sup>, it is a worthy target and good target to convince all that this is a club's project. The young ones even if only in zoom meetings can do wonders. Now, they are

given the full tasks as a truly a young group will take over next Rotary Year. And that brings to light the extraordinary event that will show for the first time a non-PN and non-PE to take the presidency.

Fellow Rotarians, our very own Garrick is the Indeed, Garrick is Incoming President. Highly trained former PE Bart, our **Pangkat** Head, did not give us his reasons but all of a sudden, even for the next RY, he is not in line. Per HOF/PP Jess, their meeting ended in the morning already to resolve the issue.

Resolve what issue or issues? Bart was highly trained to take over. His vast experience in other organizations show that he has what it takes to lead. His handling of **Pangkat** where we hosted the zoom meeting that had Sec Dette Romulo Puyat was very successful. He even got many follow-up major suggestions not only for the club but for the nation as well.

Bart, you did not start something new. In fact, yours is not as dramatic as the case of the late Ayc Santos. Ayc trained to be President and was to be inducted when he suddenly resigned as Incoming President and even as a Rotarian. His reason then? **Natakot?** No, he had other plans for his induction that had some objections as before, inductions were always **bonga**. (I recalled mine was at Manila Pen. The others were as bonga too).

A gentleman Rotarian, PP Topax was being mentioned for a major award and he was a member of the committee. He did not place any objection in the meeting proper but he texted Chair Rhett and all members that he was hoping the award will not be given as he was not that deserving. The way he displayed his text with

sincerity showed the kind of Topax that he truly is – *walang Topaks at all.*

At that meeting, Topax was seated next to Conrad and they were mumbling about the Luxid's need for another shot in the arm. Not that it is bleeding but *nasingitan ng sindikato, kailangan* another shot as the assistance many supportive Rotarians gave was not enough. *Mayruon namang* Rotary Club of Pasig Foundation. *Sino pa tutulong sa kapwa niya?*

## PRESIDENTIAL MESSAGE

**Holger Knaack**  
**President 2020-21**

**January 2021**

January is finally here. As we look forward to 2021, our thinking doesn't have to stop at the end of these 365 days. Are you thinking ahead about what you will be doing in 2022, 2023, and beyond?

We cannot foresee the future, but we can steer ourselves where we want to go. I think it is important that every Rotary club hold a strategic meeting at least once a year. Past RI Director Greg Yank, who has a lot of experience working with clubs on their plans, shares his viewpoint.

A famous aphorism states, "By failing to prepare, you are preparing to fail." Planning is essential to achieving success in all areas of life, including Rotary, and we're getting better at it every year.

Strategic planning for Rotary clubs works. I have helped many clubs find that pathway by working with them to build what I call a blueprint, a multiyear plan that answers the fundamental question: "What is our vision for our club?" The best plans I have seen are those that are focused, when a club concentrates its resources on the best opportunities it has. Your Rotary club cannot be all things to its members and to the community it serves; it has

PP Jun C. Zafra

*Continuation 1.*

limited human, financial, and time resources. A successful plan factors in assets and limitations to chart the desired pathway for your members.

Begin building a multiyear strategic plan by brainstorming with your club, asking, “What are our initiatives and priorities for the next two to three years?” Document your answers using action-oriented language that is specific, concrete, and measurable about the goals you want to achieve.

Next, narrow down your initiatives to a core set of three to five priorities. Your club will then develop specific objectives for each initiative, outlining who will be involved, key milestones of achievement, how progress will be tracked, and a timeline for completion. Keep your plan short and simple.

Then go out and do it. Review the progress you make toward accomplishing the initiatives, and revise as needed at least once a year. Rotary has a solid template to assist clubs in their planning, which you can find at [my.rotary.org/en/document/strategic-planning-guide](https://my.rotary.org/en/document/strategic-planning-guide).

We want to enrich and enliven our clubs with new discussions and ideas. But how do we attract the diverse professionals, from different backgrounds, ages, and experiences, who are all driven by as strong a sense of integrity as we are?

Through strategic planning, we explore this question to define the very nature of our club and the value it offers to its members and to the community. Each club is different, and each club’s value will be unique. During the planning process, clubs may also find

that some of the activities they used to do are no longer relevant or attractive.

Once your club makes a strategic plan, it's time to take action and carry out the necessary changes. When we do that — as we engage members in vibrant and active clubs that not only have fun but also serve their communities with projects that have real and lasting impact — our clubs grow stronger. And when we discover what makes our own clubs unique and build upon those core values in all our efforts, Rotary Opens Opportunities to enrich the lives of everyone.
