Song of the Day

IT'S THE 4-WAY TEST (Tune: It's The Real Thing)

We'd like to help *Pasiguenos* live
In perfect harmony
We'd like to help *Pasiguenos* grow
As *honest* as can be.

The 4-Way Test is what we *offer*
To guide *their* way through life.
It teaches *them* how *they* should live
And answer human strife.

Refrain:

It's *The 4-Way Test*
It's Rotary's way
We're all proud to say
It's *The 4-Way Test*.

We'd like to help Pasig City grow
In the most beneficial ways
And bring Pasiguenos all together
In harmony and peace.

The 4-Way Test is what we *offer*
To bind them all as one.
They'll cherish love as *their* ideal
Put hatred out of mind.

(Repeat Refrain)

From the President

Pres. Garrick Ang

We will have a productive week with two important activities.

First, we are conducting 2 of our annual surveys, our Club Health Check and Members Satisfaction Survey. I like to thank our club membership Chair Adolf Aran Jr. & Team (Roy Quejada, Tet Mallare, and Ferdie Legaspi) and PE Bong Paloma for developing the 2 google forms and Admin Chair PP Ogie Lim & Team (Jake Oh and Gary Ona) for sending out the forms in our Viber Chat group. The survey will run until July 16, 2021 and we hope to learn from the surveys how strong and cohesive our great club is, the irreverent “Rotary Club of Pasig”.

Second, we will have our new RC Pasig Rotarians' Town-Hall scheduled this coming Saturday, July 10, 2021 at 3pm and organized by PP Ogie Lim and in which I will present to them a little history and the projects of our club. The activity aims to improve the onboarding (Rotarization) and journeys of the new Rotarians and its significant contributions to our community in Pasig.

Today we have an interesting speaker in the person of Mr. Alvin Uy who will speak about “Car and Timepiece Collection in the New Normal.” This topic will surely help us rekindle the love for Toys for Big Boys in our quarantined existence. Thank you once again to our Speakers' Bureau for your continuing service to the club.

Our club's continuing success has always been because of our purposive and collective action thus making all our endeavors easily attainable.

Enjoy our Rotary Day!

Rotary Notes

PP Benny P. De Guzman

The very successful term of IPP RJ ended with a bang with the soft launching of the Teleconsultation at our Ilugin Community Clinic on his very last day. Immediately before he could be inducted, LCP Garrick took over the next day and this is now a project he has to continue which just started the day before.

We just hit 101 members but then we had to accept the return of the classification of some already yearning to get out. For those with prospective members in their waiting list, next month is Membership and Extension Month and you can line up your prospects.

I remember IPSAG Armi Quibael during the fellowship which IPDG Tonipi Parungao also attended and during the presentation of the club's 32 district awards where inviting lady members was tossed around. There is no club whose charter was suspended or recalled if no lady members are accepted. I kidded about our club changing the RI rules by accepting associate members so we can accept lady members but who cannot attend regular meetings even via zoom. They can be part of fellowship or community service meetings. But since this will not be acceptable to RI, dues will be paid by the sponsor for agreeing to a silly suggestion.

Now for serious matters, which more than half of the members have overlooked because of the many events showing that the late PNoy was easily one of our very best if not the best president we ever had. Accolades are still coming from many world leaders and foreign dignitaries. From all of genuine leadership to the payments of our foreign debts to the favorable arbitral ruling on the West Philippine Sea and simplistic management style, PNoy excelled.

Rotary Notes

PP Benny P. De Guzman

Continuation 1.

Why only now are we extolling the guy? We overlooked that our most senior past president, CM Esto Lichauco is an uncle of our fifth president. Esto is married to Maur, the sister of the martyred Ninoy. Many also forgot that Esto and spouse Maur are called by the oldtimers in the club as the Holy Couple. Maur's birthday is September 8, the birthday of our dear Mama Mary and Esto's birthday is December 25. Esto is the third oldest in our club after PPs Totoy and Peping.

The list of PPs who have gone PP Peter told Edgar to make it 15 but it was not corrected. PP Joe Jota did not want to be forgotten as the 15th.

PP Lito Ayson already returned his classification. PPs Proning Ona, Tito de Guzman and Ben Pastoral also did not get their PPs from our club. Though the best years of his Rotary life was with us, the late Ben joined the Rotary Club of Forbes Park where he got his past presidency.

If CLP Garrick will continue the projects of IPP RJ, he will have his hands full already. We will help you CLP Garrick!

PRESIDENT MESSAGE

Shekhar Mehta
President 2021-22
July 2021

I wish each of you and your families a great Rotary New Year! Together, let us make it the best year of our lives, by making it a year to grow more and do more. Let this be a year of changemakers, and let us begin with our membership.

That is precisely why the Each One, Bring One initiative is so important. During this year, I urge you to dream of new ways in which Rotary can expand its reach into your community and therefore the world. If each member introduces one person to Rotary, our membership can increase to 1.3 million by July 2022. So, let's just do it!

Imagine the change we, as Rotary members, can make when there are so many more of us! More people to care for others, more people to Serve to Change Lives. Think of the impact we can have through grow more, do more. More members will enable us to embark on bigger and bolder service projects. And each of us can also continue to serve in our own personal ways, responding to needs in our communities.

The beauty of Rotary is that service means different things to different people around the world. One element, however, that we can incorporate into all of our service initiatives is empowering

girls. Unfortunately, even in this day and age, girls and young women face disproportionate challenges all over the world. We have the power to lead the charge for gender equality. Empowering girls and young women to have greater access to education, better health care, more employment, and equality in all walks of life should be embedded in every Rotary project we launch. Girls are future leaders, so we must ensure that we help them shape their future.

The biggest gift we are given
Is the power to touch a life,

To change, to make a difference
In the circle of life.

If we can reach out
With our hand, heart, and soul,

The magic will start to happen
As the wheel begins to roll.

Let's turn the wheel together
So all humanity thrives,

We have the power and the magic
To Serve to Change Lives.

These are challenging times, and I compliment each of your efforts in grappling with COVID-19. No challenge is too big for Rotarians. The bigger the challenge, the more passionate the Rotarian. Look at what we can do when we take on a colossal challenge such as eradicating polio. Look at the millions of lives we improve by strengthening access to water, sanitation, and

hygiene. Look at what we do every year to promote peace in places where it seems unimaginable. Our basic education and literacy programs have nation-building impact.

This year, let us challenge ourselves to do more such projects and programs that have national reach and impact. This year, let us Serve to Change Lives.
