Song of the Day

'Til There was Luck

Adaptation by Oyie Averilla

There were greens on a hill
But my ball just kept on slicing
I do hope you heard me shout "Fore"
 'Til there was luck

There were putts I could make
But my club head kept on closing
No I cannot read the right break
 'Til there was luck

Then there were OBs, and bunkers or hazards
 I'm so happy
My score's double bogey
 Not par, plus two

Tournaments all around
But my golf game's always missing
I'll just wait until the raffle
 'Til there was luck

Then there were OBs, and bunkers or hazards
 I'm so happy
My score's double bogey
 Not par, plus two

Tournaments all around
But my golf game's always missing
I'll just wait until the raffle
 'Til there was luck
 'Til there was luck

Pres. Garrick Ang

Good Afternoon Pasig Rotarians!

First of all, I like to congratulate and thank all the 102 members of the Rotary Club of Pasig for having successfully registered 100% in the upcoming 2021 Rotary International Manila Presidential Conference. Thank you Past Rotary International Director Raffy Garcia III for the encouragement and Rtn Flor de Pano for helping our more senior members to register. We are now one of the biggest club in the country and of District 3800 that achieved a 100% registration. We will be rewarded with 102 pieces of commemorative pins and free 102 Rotaractors or non-member guests registrations and a signed achievement certificate by Rotary International President Shekhar Mehta! Each One Bring One!

PRID Raffy Garcia III has offered to pay the registration fees of our priest members and those who will avail of the Raffy Garcia Challenge to become Paul Harris Fellows for just \$500 instead of the usual \$1,000. This is a rare opportunity for all baby Rotarians to be a Paul Harris Fellow.

Our Club was once a 100% Paul Harris Fellow club way back in RY 2006-2007 when PRID Raffy was then club president. In our District 3800 as of last RY 2020-21, there are seven 100% Paul

Harris Fellow Clubs who have achieved this prestigious honor. They are RC River City Marikina, Downtown San Juan, Tres Escalon Taytay, Mutya ng Pasig, Mandaluyong Central, RC San Juan and RC Marikina Central.

Today, we will have our 2021 Rotary-Luxid Microfinance and Credit Cooperative joint General Assembly and September Board of Directors Meeting. The General Assembly meeting is mandated every March but we were given leeway up to this month due to the pandemic in order to comply with the regulations.

September is Rotary Basic Education and Literacy Month and I like to thank Rtn Roman Romulo for organizing an initial exploratory meeting with Pasig DepEd officials and CODE/IT project coordinator Ms. Vivien Reyes for the status of CODE/IT in the 28 public elementary schools in Pasig City with 10 already implementing the program with huge success based on the testimonies of the school principals. Now the next step is the implementation for the the rest of the 18 public elementary schools.

Let us also join the District 3800 Takbo Kontra Polio, a virtual fun run to raise funds to support Rotary's fight against polio.

Keep Safe and Stay Healthy fellow Rotarian!

Rotary Notes

PP Benny P. De Guzman

Despite the pandemic, life in our country cannot be that boring as we can talk always about politics or enjoy talking about our misfortunes.

Last week, it was past president of ARAP, Ruby Alberto who passed away. And later in the week, ever active Toye Basilio joined our former Rotarian, PP Bing Basilio because of hospital contracted Covid-19. Her late brother, the well respected coach Danny Floro was also our member.

Hackers anyone? I wrote sometime ago that our PS Ray was almost taken if not for his phone call to me for verification. Last week was too much up to early this week. In the US, the hackers were using Filipinos known to me and in our own area. My daughter in Dallas requested me to give for a while my Facebook and Messenger. Gratitude pays off. A former sales manager of mine, that means more than 25 years ago since I retired a long time ago, called me to thank me for the dollar loan that I facilitated for him that will be converted to a grant. This scam of more than two years ago is surfacing again. Lucky for him that he could not raise the filing fee of just US\$1,500. When he was just short of \$500, the con man said to deposit the US\$1,000 and he will get the loan released in 15 days. The balance he can pay in pesos to 3 persons using a Palawan account he will get the dollars from them. He did not suspect yet. But when his wife told him to contact me to thank me, he saved even the \$1,000 to be deposited already the next day. Some hackers are asking for direct money assistance due to high medical bills for my needed operation. Brain operation siguro? You can see in many entries in Facebook that they are not soliciting any help as obviously, they were hacked also.

Continuation 1.

When Manny Pacquiao announced his bid for the presidency, he did not announce that Hidilyn Diaz and that boxer, Petecio are running for the Senate under his wing. The circus begins. Dudirty is running for vice president because he is sure of earning. Bongbong Marcos will be his running mate. The fiesta begins.

Mr. Alex Peleg was a good speaker last week. He can help with our still in infancy cyber and the so-called cyber security. Many of our speakers are endorsed by contacts of LCP Garrick.

Can not our Speakers' Bureau ask our very own Rtn Alex Lacson to talk about his Kapatiran so we can be better informed as voters?

The interest came from PRID Raffy on our charter members. Will there be an initiative to make our charter members as honorary members? We can start with our active ones, PPs Esto, Peping and Arjan/. Charter members PP Romy Manuel, PP Kati de los Reyes and Pepe Sian are still around.

Increasing our members with the more than 40% not having met each other? The strength of our club and for that matter any other club is the fellowship and closeness of the members. We cannot at the stage of the pandemic have good fellowship. Programmed and controlled one is hard to start. The only venue is the Tanay Room of Valle Verde Country Club. Or any nearby farmhouse. At the rate this Covid-19 is still raging, this pandemic is here to stay!

AWARD WINNERS: ROTARACT PROJECTS TAKE HONORS

Meet the winners of the 2020-21 Rotaract Outstanding Project Awards

The winners of the 2020-21 Rotaract Outstanding Project Awards were announced in April and celebrated during the virtual Rotaract Preconvention in June. Rotaract clubs and districts in 63 countries nominated a record 675 service projects, which were evaluated by RI staff and Rotaract Committee members on criteria including sustainability, community assessment, promotion, impact within Rotary's areas of focus, involvement of multiple Rotaract clubs, and collaboration with Rotarians and local experts. Two projects were chosen as international awardees and six as regional awardees.

For more than 25 years, the Rotaract Outstanding Project Awards program has been an opportunity for Rotaract clubs to share their success with the global Rotary community and to inspire other clubs to develop sustainable and innovative projects. Because the nomination form is modeled after The Rotary Foundation's global grant application, the process also helps prepare Rotaract clubs to apply for global grants, which they will be allowed to do starting 1 July. Asia-Pacific: Rotaract Club of Zamboanga City West, Philippines, for a project that introduced hydroponic gardening to an association of women farmers to help them increase their food security and generate income.

Canada, Caribbean, and United States: Rotaract Club of Tortola, British Virgin Islands, for helping install in a local park an artificial tree that uses solar power to charge electronic devices, raising awareness of the benefits of alternative energy.

Central Asia, Europe, and Middle East: Rotaract Club of Tunis-Ennasr, Tunisia, for leading a nine-club project that collected donations of hair in order to provide customized wigs to children undergoing chemotherapy. In the process, the clubs highlighted the psychological impact of cancer and combated cultural myths about hair.
