## Song of the Day

### MY ROTARY DAY

*(Adapted from "Beautiful Sunday")*

Thursday morning, I'm up and about  
I think I'll take a walk in the park  
Hey, hey, hey, it's a wonderful day

I've got someone waiting for me  
When I see him I know that he'll say  
Hey, hey, hey, it's our Rotary day

Hi, hi, hi, wonderful Thursday  
This is my, my, my, Rotary day  
When you say, say, say, say that you'll meet me  
Oh, hey, hey, hey it's our Rotary day

Birds are singing, you by my side  
Let's take a car and go for a ride  
Hey, hey, hey, it's our Rotary day

We'll drive on and follow the sun  
Makin' Thursday go on and on  
Hey, hey, hey, it's our Rotary day

Hi, hi, hi, wonderful Thursday  
This is my, my, my, Rotary day  
When you say, say, say, say that you'll meet me  
Oh, hey, hey, hey it's our Rotary day

Hi, hi, hi, wonderful Thursday  
This is my, my, my, Rotary day  
When you say, say, say, say that you'll meet me  
Oh, hey, hey, hey it's our Rotary day

*(Lyric adaptation by PP Peter Javier)*

## From the President

Pres. Garrick Ang

Good Afternoon Pasig Rotarians!

It is refreshing to see everyday Rtn Anson Tan's posting of beautiful sunrise and sunset photos as it reminds us of the beauty of God's creation and for us to be forever grateful for all the blessings that He has bestowed upon us.

Last Saturday, I had conducted a Photography 101 online workshop and it was well attended and so we will have a 2nd rerun this afternoon at 6pm. The details and zoom link are already posted in our viber group chat. Then the 2nd series of the workshop, Photography 102 will be conducted this coming Saturday, October 2, 2021 at 6pm. You are welcome to invite your family and friends to attend and enjoy some drinks during the session. Hope to see more inspiring photos from our RC Pasig Rotarians which will inspire and tell the great life changing stories of the Rotary Club of Pasig.

Kapatiran Party fields lawyer, book author, and former senatorial candidate Rtn Alexander "Alex" Lacson as its vice presidential candidate in the 2022 elections. Mabuhay ka, Fearless Alex!

I like to thank Rtn Dr. Ferz Legaspi, as mentioned by Rtn Roman Romulo, for helping an elderly from Brgy. Sto. Tomas find a hospital room following proper hospital protocol. Another Rotarian always ready to do Service Above Self!

Our very own Rtn Dr. Ato Basco continues to amaze us with his weekly online talk show with tech talk topic "Software, Hardware and People-ware with Princess". He is also hosting an online

Q&A conversation on various Health and Vaccination topics and is open to the public. And with Rtn Roehl Fontanilla contributing to the solutions of the Health Insurance System problems in our country, I hope upon the suggestion of Rtn Flor de Pano he presents his solutions to Rtn Ike Ona, the father of UHC - Universal Health Care Act, so we will see a framework on Artificial Intelligence (AI), automation, and other technologies to be used in transforming our health care system. Together with all our Rotarians in RC Pasig working together, we envision every Filipino will have a faster and efficient access to our health care system in this critical time of pandemic. Truly a Rotary focus on Fighting Disease and to Serve and Change Lives.

I like to thank those who registered in our District 3800 Takbo Kontra Polio 2021, a virtual fun run to raise funds to support Rotary's fight against eradicating polio.

Keep Safe and Stay Healthy fellow Rotarian!

Garrick Ang.

## Rotary Notes

PP Benny P. De Guzman

The great Luxid – Rotary project that propelled our very own HOF/PP Conrad to greater heights was the central figure of our meeting last week. To ensure the minimum 25% attendance, Conrad held it in our regular meeting to attain the minimum required to make the meeting valid. Two from Luxid attended though even via zoom. Whether or not the new Board of Directors were presented as elected, I am not sure though.

PRID Raffy, the most senior Rotarian, after our three charter members did a very good fining session but his claim that it was only his third time to do the fining in his 50 years with the club was because he less active before and picking him to be finemaster was hard as his being present was in doubt.

Perhaps no other Philippine Rotarian has given to Rotary International than our PRID Raffy. There is no record kept except by his accountant perhaps on how much he gave for the First Raffy Garcia Challenge for the entire Philippine Rotary with his paying 50% of the US1,000 for those who availed of being a Paul Harris Fellow. He has repeated the offer now but only for our club. Perhaps the ones who sponsored the newer members are not Paul Harris Fellows themselves hence when they sponsored they did not know what it means to be a Paul Harris Fellow. When President Garrick mentioned that in the Rotary Year that PRID Raffy was president, all members became Paul Harris Fellows. As a simple solution to achieve the goal, he paid for all who were not yet Paul Harris Fellows.

I am not aware of what super generous Rtn Flor offered to the Rotarians of our club who are over 65 years old as he opted to pay

the registration fee for the forthcoming Manila Presidential Conference. Three were cited PRID Raffy, the conference convenor for not availing. PPs Esto and Peping, both charter members, and one who has avoided the presidency for so long and his high school batchmate, Rtn Sammy who also did not avail of Rtn Flor's offer. He though he was below 65.

The Covid formula was endorsed by a spouse of an illustrious past president. She guarantees 100% healing. Just a glass of fresh buko juice, half a teaspoon of salt and one lemon with so pleasant a taste can stop Covid within hours. This was discovered in Indonesia. PP Ferd in far away USA confirmed the great potential of coconut in the fight against Covid.

Speaking of Covid, District 3810 lost two very active PDGs within hours of their getting the deadly virus. PDG Tony Rufino died last March less than 24 hours after contracting the virus. And PDG Chanrey Marquez almost as fast just last week.

Our very own Rtn Dennis licked the deadly disease in two weeks and his niece, daughter of PP Bert also licked it in less than a week. And most recent for an elderly, PP Ner now based in Batangas than his native Pasig City, with fresh coconut, plenty of rest. Batangas fresh ait and lots of Biogesic licked the Covid in less than a week. Remember Rtn Kel Pascual last year in less than 24 hours succumbed to this virus and spouse Annie, after three weeks licked the virus. Inगत is the name of the game. This Covid is here to stay. The pandemic will cause a lot of dislocation to our economy.

The other week, I requested as a recognition of his membership to

the club for Rtn Alex to talk about the Kapatiran Party. Isn't it about time he talks to us of what he expects us to do for him? We wish him all the very best. It is a tough fight. Rtn Flor had a brilliant more realistic approach but Rtn Alex and his party may have other ideas that we can support. Cross party lines? How can you cross as most members are not members of any party.

## WORD ORIGINS

1. What is the origin of the word “**adieu**”? The word comes to us from the French *a Dieu* – a shortening of the phrase “I commend you to God.”
2. Where did we get the word “**admiral**”? This came from the Arabian word *amir* which means “ruler” or “commander” and *bahr* means “sea.” An Arabian sea commander was called an *amir al bahr* or “ruler of the sea.”
3. Why is a divorcee’s pension called “**alimony**”? Because it’s her bread and butter. The word comes from the Latin *alimonia* meaning “nourishment.”
4. Why do we call our ABC’s the “**alphabet**”? The two terms are exactly the same. The Greek alphabet begins with the letters *alpha* and *beta* – whence “alphabet.”
5. What is the real meaning of “**Amen**”? “Amen” is generally accepted as meaning “so be it.” But in the Hebrew language, from which it comes, *amen* literally means “truly.”
6. How did an “**assassin**” get that name? In the year 1090 A.D., Hasan ibn-al-Sabbah formed a secret Mohammedan sect in Persia which during the crusades terrorized the Christians by its systematic secret murders. These murders were committed by members of the band while under the influence of hashish – and the Arabian word for hashish eater is *hashshashin*.

## *Continuation 1.*

7. Why do we call the vehicle for moving stretcher cases an “**ambulance**” when walking cases are “**ambulant**”? The “ambulance” once brought the hospital to the patient. The French devised the term and applied it to their early field hospitals which they called *hopital ambulants*.

8. Did the word “**alcohol**” always mean “spirits”? No, “**alcohol**” originally meant “eye paint.” The ancient Egyptians and later the Arabians used a fine black powder for tinting the eyelids. The Arabian name for this was *al koh’l*. From this any fine powder got the name – and finally the vinous spirits extracted by means of a fine charcoal filter came to be called “**alcohol**.”
