Song of the Day

Don't You Worry 'Bout a Thing

Mhm, mhm, yeah

Everybody's got a thing
But some don't know how to handle it
Always reachin' out in vain
Just takin' the things not worth having

But don't you worry 'bout a thing
Don't you worry 'bout a thing, mama
'Cause I'll be standin' on the side
When you check it out, oh

They say your style of life's a drag
And that you must go other places
Just don't you feel too bad
When you get fooled by smiling faces

Don't you worry 'bout a thing
Don't you worry 'bout a thing, baby
'Cause I'll be standing on the side
When you check it out
When you get off your trip
Don't you worry 'bout a thing
Don't you worry 'bout a thing
(Come on)

Everybody needs a change
A chance to check out the new, yeah
You're the only one to sees

From the President

Pres. Garrick Ang

Good afternoon, Pasig Rotarians!

September is Basic Education and Literacy Month in Rotary, we will have Ms. Vivien Reyes, Senior Director of Ayala Foundation to talk about solving the digital divide problem in the Philippines, by using the digital education program `it` which has been launched in over 100 public schools across 10 geographic areas in the country.

We will be launching the Blood Donation this Friday, September 10 and Sunday, September 12, a project proposed by PP Benny De Guzman through Pangkat 3 leader Bart Ronquillo in cooperation with Philippine Red Cross, Rizal Chapter, PNP Pasig City Police and Barangay Kapitolyo. We will be giving certificates and stipend sponsored by Rtn Bart and the Club. Also, special thanks to Rtn Flor de Pano for sponsoring the food packs and drinks.

Dir Adolf Aran with Rtn Ferz Legaspi, Rtn Tet Mallari and Rtn Roy Quejada, as we will be inducting more members. Each One, Bring One!

This pandemic has affected all of us so I am forming a committee to look for ways on how we can help each other in RC Pasig. As we help one another in time of crisis. We can then help our community more.

Let us continue to pray for the recovery of PP Ed Lucero, Director Sonny Rivera, Rtn Yo and Spouse Karla Ramos, Rtn Cesar Lacuna and family, Rtn Roehl Fontanilla's son and dad of Rtn Ferdie.

It will be busy weeks ahead for this month of September, 50 years of service above self.

Keep Safe and Stay Healthy fellow Rotarian!

Rotary Notes

PP Benny P. De Guzman

Tinig congratulates our Speakers' Bureau for the very good weekly speakers. The last three, two youthful and the very accomplished financial genius, Ms. Flor Tarriela kept our open forum very much alive. If up to now you have not yet perfected using your zoom, you can just be a bystander and pick up from the answers from the other members' queries

Rtn Johann celebrated his birthday in his sick bed. He is enforcing the lockdown rule too strictly. Stay home. How punishment can also grow with time. When he was a young kid and he misbehaved, stand in the corner lang siya, Now that he is an adult, even a technical rule of being sick, you must stay at home and he had to bite that one too.

First he begged off to be our president in waiting. Now, Pankat Leader Bart is begging off to be the leader for personal reasons. No wonder he let go even of chairing the blood letting project we have in good tie-ups with Pasig City PNP and Rizal Chapter of Red Cross. He designated PP Ogie to be acting Pangkat Leader.

At the UP Alumni Association a decade back, his group was awarded because of a very good fund raising for the association. LCP Garrick has yet to tap him but first, do not allow him for "personal reasons" again to beg off *from* an assigned task in the midst of only the first Rotary quarter.

We are a good prayerful group and every now and then we pray a lot for PP Ed and as always, he is back as last week. Now, Dir Sonny needs *our* prayers after the family the Rtn Bebert all got well. Luckily, after Rtn Kel and recently, PP Jing, nobody has *expired due* to Covid. Mind you, this not as serious as feared. The

success level of healing is very high compared to many other virus-inspired illnesses. But the expense of what is seemingly a simple ailment is quite high. Through a past president, I was able to get a room for an older sister in a premier hospital and the 12 days confinement cost a lot.

The injections are very expensive. Who helped us get a room? I am *a* super senior and I forgot. Next time I need a room, I am sure I will not be able to get if I remember.

PRID/HOF Raffy featured some of our members in Facebook. He was so kind to place in my caption that I can to any district if I wanted to. He did not mention what in any district. He mentioned a brother who was a District Governor in another district. Obviously I am not cut for governorship even if given in a silver platter. I know when I am not cut to be one. Suffice to say that in my 48 years *of* membership in the club, I maintained the highest in attendance percentage as PP Bobby Paterno died already. If not for one Rotary year that I got out. I joined this great club before Martial Law was declared *and* right after PRID Raffy and the late Ayc Santos.

Congratulations Dir Adolf for maintaining our membership growth and for the good participation in club activities and discussions of our new members. Many oldies like me and PP Ner can now enjoy *in* the sideline as super seniors.

Last week's birthday boy, Rtn Chony thru PL Bart can give members the same cap they gave the participating police officers in our project. Or, baka mag host si super Rtn Flor? Baka lang naman.

PRESIDENTIAL MESSAGE

Shekhar Mehta
President 2021-22
September 2021

I am sure you are having an enriching experience as you Serve to Change Lives.

One of the ways you can make the greatest change in a person's life is to help them learn to read. Literacy opens up the world to us. It makes us better informed about life in our own communities and opens vistas to other cultures. Reading and writing connects people and gives us another way to express our love for one another.

September is Basic Education and Literacy Month in Rotary. Enhancing literacy skills is critical in our pursuit of reducing poverty, improving health, and promoting peace. In fact, if all students in low-income countries left school with basic reading skills, it would result in a significant cut in global poverty rates.

Without education, illiterate children become illiterate adults. Today, 14 percent of the world's adult population — 762 million people — lack basic reading and writing skills. Two-thirds of that group are women. Literacy and numeracy skills are essential to obtaining better housing, health care, and jobs over a lifetime.

Especially for girls and women, literacy can be a life-or-death issue. If all girls completed their primary education, there would be far fewer maternal deaths. And a child is more likely to survive past age 5 if he or she is born to a mother who can read. Improving outcomes for more people worldwide is possible only if countries

remove barriers to education for girls. The economic argument for doing so is clear: In some countries where schooling is geared toward boys, the cost of missed economic opportunity is more than \$1 billion per year.

Empowering people through education is among the boldest goals we have as Rotarians. We don't have to travel far from our homes to encounter those whose lives are being curtailed because they struggle with reading, rely on others to read for them, or cannot write anything more than their own name.

Starting this month, consider how your club can Serve to Change Lives through literacy: Support local organizations that offer free programs to support adult literacy or local language learning, or that provide teachers with professional development centered around reading and writing. Become literacy mentors, or work with an organization like the Global Partnership for Education to increase learning opportunities for children around the world. Have conversations with local schools and libraries to see how your club can support their existing programs or help create needed ones in your community.

In India, the TEACH program, a successful collaboration between the country's Rotary clubs and its government, has demonstrated how to scale up literacy efforts to reach millions of children. And at a time when schools across India were closed due to the COVID-19 pandemic, the program's e-learning component reached more than 100 million children through national television.

is the first step out of poverty. As Nobel laureate Malala Yousafzai has noted, "One child, one teacher, one book, and one pen can change the world."
