As we recall year by year the mysteries through which, through the restoration of its original dignity, human nature has received the hope of rising again, we earnestly beseech your mercy, Lord, that what we celebrate in faith we may possess in unending love. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, God, for ever and ever.

Song of the Day

GISING NA TAYO

(Tune: Leron Leron Sinta)

Walang katapusan
Paghirap ng bayan
Lalo na magsasaka
Pati mangingisda
Dagdag hirap sa 'tin
Tongpats at lagayan
At katiwalian
Wala pa rin tigil.

Taas gasolina
Taas ang Meralco
Presyo ng bilingin
Walang tigil taas
Gamot mahal pa rin
Pati matrikula
Kaya **ginugutom**
Dumadami pa rin

Kaya mga Pinoy
Gumising na tayo
Atin nang harapin
Problema ng bayan
Sa eleksyon na darating
Piliin ang iboboto
. Wag ang mga corrupt
. At mga magnanakaw

(Lyrics adaptation #3 by PP Peter)

From the President

Pres. Garrick Ang

Dear Fellow Rotarians and Friends,

Good Day!

Last week, we had a blast at the advance birthday celebration of PRID Raffy Garcia III and we were visited by no less than our District Governor Augie Soliman and PDG Benny Ricafort of RC Pasig South. We also had a very good speaker in Mr. Alan German. We learned a lot in Public Relation's approach to running an election campaign.

Again, I would like to remind all RC Pasig Rotarians, especially the present Board and the baby Rotarians that our District Conference (Discon) is on May 6 and 7, 2022 at the Marriott Hotel Manila in Pasay City.

For details, you can contact the DISCON secretariat:

Ms Che Fidelis 0955 7835676

Ms Mags Basa 0915 6285813

From the President

Pres. Garrick Ang

Continuation 1.

For everyone's convenience, you may now register and pay your participation in the DISCON 2022 at: <https://app.xperto.ph/event/d3800discon2022>.

See you all there.

So far those registered are PGA, AG Peter John Javier, PP Jun Zafra and Jake Oh. Of course we will see PRID Raffy Garcia III there. We hope to see more RC Pasig Rotarians

The District 3800 District Assembly (Distas) will be on May 22, 2022 at the Taal Vista, Tagaytay. Then followed by the Rotary Convention in Houston, Texas, USA on June 4 - 8, 2022.

Good afternoon and enjoy the rest of the day.

Thank you!

Garrick

Rotary Notes

PP Benny P. De Guzman

When PRID Raffy announced he was bringing lechon and hard drinks last April 21, a day before his birthday, he did not realize that daughter Nana whose birthday was yesterday made sure that for long life, there must be noodles. It was superb as well but he could not tell from where Nana ordered it. PDG Benny Ricafort from our first daughter club joined us and so too DG Augie Soliman who appealed for more attendance for the Discon next week already. PGA did not mention who is our chair for the Discon participation. His set of officers and all baby Rotarians are expected to attend. It will be a nice chance for district fellowship, the first grand affair after the pandemic. Is the Republic of Pasig accepting the personal invitation of no less than the governor? Not the Discon chair?

PP Peter in his column honored additionally one of the greatest president of our club. Sometime last week, the golfers had a golfing fellowship in Laguna also in memory of HOF/PP Rhett. And Pres. Garrick donated the lechon.

HOF/PP Conrad selected a group of our club's oldtimers for placements for one year a minimum of P50,000 per Rotarian for the expanded lending operations of our credit cooperative which he is successfully handling. The response was too great. This Saturday will be a nice project on how to earn extra on food undertakings. Thru Rtn Fr. Vincent, we are holding a presentation at the Social Hall of his parish. I heard from the usual reliable sources that Fr. Vincent is not just a good singer but a good dancer as well. Sample? Why not a good response to the solo in the community singing by our dear PRID Raffy? Birthday Boy siya kaya he honored us last week.

Rotary Notes

PP Benny P. De Guzman

Continuation 1.

One of the very rare meeting even before zoom came into being was the surfacing of Rtn Ben. He and Rtn Manfred are so rare in Rotary meetings as their main areas of operations are always the golf courses.

We had a very good guest speaker last week. Alan German, no he is a Filipino, a distinguished son of an equally distinguished father and known to practically all of us oldtimer, the Great Reli. Alan has taken over the business and he is doing quite well. It was a pity I was attending to another event across at Estancia that I was not able to finish his talk. I understand PP Ferd is not handling his franchise anymore?

There will be one more Thursday meeting and then, the elections already. Our Alex seems to be ahead in many surveys and on the local front, our Roman is way ahead. Vico's opponent is banking on his being a Caruncho (is there still magic in his black magic?). And we have at least 2 candidate councilors who may need our support. Eric Gonzales is the son of a former member, a ROY, Jun Gonzales. And he carried additional privilege card being the nephew of PP Peter and PPA Celia. Simon Tantoco is the nephew of our Cong Roman. There is Raymundo, a grand nephew of former member, the late Mayor Mario Raymundo. It is not a space filler but if we help in some extra ways these kind people via text, phone calls, we could have more people around us that can help us as well.

WORLD IMMUNIZATION WEEK: VACCINES KEEP COMMUNITIES HEALTHY

Our progress in the fight against polio shows why vaccination is important

Increasing awareness about the power of vaccines and closing immunization gaps could protect millions of people worldwide from vaccine-preventable diseases, including polio, according to the World Health Organization. World Immunization Week, 24-30 April, is an opportunity to focus on that work, and the robust polio eradication infrastructure built by Rotary and our partners in the Global Polio Eradication Initiative (GPEI) provides a model for it.

The GPEI estimates that polio vaccines have saved an estimated 20 million children around the world from paralysis. When Rotary helped launch the GPEI in 1988, the disease paralyzed more than 1,000 people worldwide every day, most of them young children. Since then, Rotary and its partners have reduced the number of polio cases by 99%, and in 2021 there were just six cases of polio caused by the wild poliovirus. Afghanistan and Pakistan are the only two countries where the wild poliovirus remains endemic.

The progress against polio is the result of the efforts of countless volunteers and health workers who immunize children in hard-to-reach communities and establish real-time global surveillance and outbreak response mechanisms. The polio eradication infrastructure has been used to fight other infectious diseases and

undertake crucial health interventions, including supporting COVID-19 prevention and vaccination efforts.

With our decades of experience in bringing polio to the brink of eradication, Rotary has been able to highlight the power and efficacy of COVID-19 vaccines. Since the pandemic began in 2020, Rotary members have helped health authorities communicate lifesaving information about COVID-19, dispel misinformation, and support fair and equal access to vaccines.
