# Invocation

Lord, fill our hearts with your love. By living your law may we have your peace in this life and endless joy in the life to come. We ask this through our Lord Jesus Christ, your Son, who lives and reigns with you and the Holy Spirit, God, for ever and ever.

**Amen**

# THE FOUR-WAY TEST

**of the things we think, say or do:**

1. Is it the **TRUTH**?
  2. Is it **FAIR** to all concerned?
  3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
  4. Will it be **BENEFICIAL** to all concerned?
- 

## Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First** : The development of acquaintance as an opportunity for Service;
- Second** : High Ethical standards in business and professions; the Recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third** : The application of the ideal of service in each Rotarian's personal, business and community life;
- Fourth** : The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## Song of the Day

### BECAUSE

*by: Dave Clark Five*

It's right that I should care about you  
And try to make you happy when you're blue  
It's right, it's right to feel the way I do  
Because, because I love you

It's wrong to say I don't think of you  
'Cause when you say these things  
You know it makes me blue

Give me one kiss and I'll be happy  
Just, just to be with you  
Give me, give me, a chance to be near you  
Because, because I love you

Give me one kiss and I'll be happy  
Just, just to be with you  
Give me, give me, a chance to be near you  
Because, because I love you  
Because, because I love you

## From the President

Pres. Garrick Ang

Dear Fellow Rotarians and Friends

Let us continue to pray for the complete healing and recovery of Past President Ed Lucero and thank you to all Rotarians who voluntarily pledged and contributed financially in helping PP Ed.

In our recent meeting, I reported that out of the 21 club goals we established for ourselves for this Rotary year, we have already accomplished 18. The remaining 3 goals are related to our membership, Polio Plus fund and major donors commitment to The Rotary Foundation. As explained before, the contributions to the Foundation does come back to us in terms of global and district grants that fund our projects. Our Membership Committee headed by President Nominee Adolf Aran is busy at work and we have a few prospective members already in the pipeline. So it looks like we are on the right track in reaching our objectives.

On a specific project for the youth and their education and literacy, I am happy to report that we have started to mobilize the monthly internet wifi load project to our scholars. Our commitment is to provide internet connectivity to each of our senior high school scholars at Rizal High School and college scholars in Pamantasan ng Lungsod ng Pasig for the whole school year. This helps them attend the synchronous online classes as well as work on their asynchronous school requirements.

Our Public Image Committee headed by Past President Rene Bocaya is also busy at work and will do an ocular inspection with the contractor for the rehabilitation of our Rotary signboards in our Pasig Rotary GK Village in Pinagbuhatan and the Rotary Marker

in Canley Road in Oranbo. The Public Image Committee is also calling for volunteers for the completion of our coffee table book.

Today we will have a chance to get to know our two not-so-new Rotarians, Gene Menor and Anson Tan as they give their classification talks.

Thank you. On the 51st year of the BENEVOLENT Rotary Club of Pasig.

Yours in Rotary!  
Garrick Ang  
President

## Rotary Notes

**PP Benny P. De Guzman**

After the successful celebration of our 51st Charter Anniversary came two defense of classification that show how good our selection of new members had been. The two sponsors should be congratulated also. And to remind the others that their commitments to increase our members to at least one hundred ten by the end of the third Rotary quarter is on target.

Our two very distinct new members are in the proper road for getting additional laurels based on their career paths. Rtn Col Roman not only is a Pasig Rotarian but getting an award from the Eastern Police District where Pasig is listed No. 1 is on the road for greater awards. A full colonel at an early age with a law degree, he is better off than many of his peers and even of the same year of the PMA where the PNPA was obviously patterned. If he will look at the career path of PDG Louie Ticman, coming from the Eastern Police District himself, Roman is within easy grasp of higher ranks. Sana by his 50th, he has his star.

I did not realize that the holy sounding name of our Rtn Fr Vincent is an A.K.A. (Also Known As), as he admitted that Vincent is not his baptismal name but assigned on his assumption of his religious vows. What I cannot understand is if he is a secular or whatever priest. Fr Vincent, any order or name, but never allow them to call you a partisan priest. Decades ago, I met a partisan priest who landed in a Muntinlupa prison. He was a partisan priest but he could do latin mass, English mass and even vernacular mass. But he was fond of parties, kaya partisan. He was a bogus priest and he was also convicted before as a bogus lawyer. Partisan lawyer din.

What was the nicest part of the defense of these two baby Rotarians were the P500,000 each that Rtn Flor awarded them.

## **Rotary Notes**

**PP Benny P. De Guzman**

*Continuation 1.*

Decades before, the same Flor donated a million pesos for a unique blood project of our club. Macare Medical is the name of Flor's company. I care for you all, Rotarians or not. Bless you. Redundant but not to many as well, this Flor's sense of humor is humorous if you are not the goat. Once in a regular meeting two decades ago, the speaker, a noted lawyer from Makati had in the Tinig his vitae as owner and administrator of Greenbelt Catholic Chapel. Seated across him was yours truly and he pointed to that part of the speaker's vitae. He whispered, "naniniwala ka ba dito?" I answered in a Rotary way, "No, I did not sell it to him, paano napunta sa kanya." He just smiled. After ten minutes, during the open forum, he rose to ask the question, "Atty \_\_\_\_\_, do you really own the chapel as my friend here is insisting he did not sell it to you." Angered, Atty blurted, "In the Philippines as well as in any civilized country, you cannot sell what is not yours. I got the permission of Cardinal Sin and the Ayalas to build a Catholic chapel in the open area and the sellers are used to maintain the chapel, allowances of the priest and staff, and I give the Archdiocese of Manila more from the proceeds." I apologized and the Atty did not accept the apology claiming it was even a good joke. The joke was on me. Eventually, the chapel was taken from him not because he did not accept my apology but it was not for him to have it. Poetic justice? Because he did not forgive me, two years after and 2 days before Christmas, his son wanted to clear with him in his Makati residence. He kept the son home. Instead, the son locked himself in his car and shot himself. Funny na, ginawa ko pang tragic. This is the story of those who do not forgive.

Tinig condoles with Rtn Manfred and Rtn Ato for the untimely demise of their dads. And Tinig is praying for a speedy recovery from two major surgeries of PP Ed. Many responded to the urgent call for assistance. PP Ed is still needing some help.

**Shekhar Mehta**  
**President 2021-22**  
**February 2022**

At the start of the Rotary year, I challenged every club to plan and host at least one practical and action-oriented Rotary Day of Service. The event should address a challenge your community is facing that fits into one or more of Rotary's areas of focus and should bring together volunteers from within and outside of Rotary.

Rotary Days of Service can motivate Rotary, Rotaract, and Interact clubs to plan innovative and impactful projects. They can showcase your work as people of action and introduce prospective members to your club.

I've been inspired by your response so far, and I want to share with you just one project that has captured my imagination.

India is home to an estimated 74 million people with diabetes, a disease that is a leading cause of death. Furthermore, about 50 percent of those people remain undiagnosed.

Rotary, together with the Research Society for the Study of Diabetes in India, saw the urgent need to diagnose, track, and treat people who have diabetes. Working together and with other organizations, we hosted a nationwide blood glucose testing camp on 29 September, which is World Heart Day.

The camp was spread across more than 10,000 sites in India, with more than 2,000 Rotary and Rotaract clubs participating in the effort. More than 1 million blood-sugar tests were conducted in a

day, an accomplishment recognized by the Asia Book of Records. But more important than breaking a record is the fact that tens of thousands of people learned that they may be living with diabetes. They can now be treated for the condition, and they also have been made aware that they should take extra measures to shield themselves from COVID-19 and scores of other diseases that are caused or worsened by diabetes.

This month, on 23 February, the anniversary of Rotary, let us celebrate with more service days, showcasing Rotary's work in our areas of focus. I look forward to hearing about your Rotary Days of Service. Please share your projects on Rotary Showcase, or browse that webpage to find inspiration and project partners. In particular, I encourage you to execute projects that focus on empowering girls, as they have been disproportionately affected by the pandemic. The Empowering Girls initiative is resonating very well with members of Rotary as well as with non-Rotarians. The governments and NGOs in various countries are appreciating this meaningful effort. Let us keep focusing on it.

I am also happy that the Each One, Bring One ethos is bringing fruitful results. Let us ensure that all club members introduce at least one person to Rotary, and that we then all work to engage new members and keep them in our clubs.

In whatever we do, remember that we must push ourselves to grow more, do more as we Serve to Change Lives.

## **RTN. COL. GENARO DELA CRUZ MENOR**

Colonel Genaro Dela Cruz Menor is currently the Assistant Chief of Air Staff for Financial Management (A-10) of the Philippine Air Force. He was commissioned in the Armed Forces of the Philippines upon graduation at the Philippine Military Academy in 1994 where he topped his class as Magna Cum Laude.

He has served as an attack helicopter pilot of the MD-520 gunship, flying counter-insurgency missions. Then became a presidential pilot of the President of the Philippines, serving two consecutive head of states, President Arroyo and Aquino, as he flew the Bell-412 and S-70A Blackhawk helicopters. Thus his combat and flying stints earned him numerous accolades and military awards and decorations.

He has undergone various military educations such as: Combined Logistics Officers Advance Course, US Army Logistics Management University (Outstanding Graduate); AFP Command and General Staff Course (no.1); and a Combating Terrorism International Fellow, College of International Security Affairs, NDU, Washington DC with a diploma in War College and degree in Master of Arts in Strategic Security Studies.

## WHO STARTED IT FIRST?

**CAESAR SALAD.** The first Caesar salad was the 1924 creation of Italian immigrant Caesar Cardini, who had a small hotel in Tijuana, Mexico, not far from the California border. In the days of Prohibition, the Hollywood crowd and San Diego socialites would drive over the border to Tijuana to party, and they often wound up at Hotel Caesars for a meal before returning home. On July 4, 1924, an abundance of patrons arrived at Caesar's Hotel, sending the kitchen into a panic. There weren't enough fresh vegetables to go around, so Cardini concocted a salad he thought they'd really go for, and he would make it in public, tableside. Using basic ingredients found in every Italian kitchen, he used romaine lettuce, coddled eggs, garlic-flavored olive oil, Parmesan cheese, salt, pepper and croutons flavored with Worcestershire sauce. Needless to say, it was a hit.

**CARBONATED SOFT DRINK.** In 1807, the first flavored carbonated soft drink was made in Philadelphia, Pennsylvania, under the direction of Dr. Philip Syng Physick, who is also known as "the father of American surgery." Physick had ordered a chemist to prepare a carbonated drink with flavoring added as a possible remedy for an upset stomach. Although the type of flavoring wasn't documented, it was a soothing drink that pleased and helped the patient. It wasn't until 1832 that carbonated beverages gained popularity. That's when John Mathews invented an apparatus for making carbonated water and sold it to soda fountain owners.

**CHEESEBURGER.** Many different sources claim the first hamburger, and the cheeseburger also has its share of steadfast beginnings. Most historians agree the first cheeseburger was

created in 1924 when 16-year-old Lionel Clark Sternberger experimentally dropped a slab of American cheese on a sizzling burger while helping out at his father's sandwich shop in Pasadena, California. Story has it that it was at the suggestion of a homeless man wanting to add a piece of cheese to his hamburger order. Sternberger liked it, and so did his dad, and the first cheeseburger – “cheese hamburger,” as they called it – was born.

**MARGARINE.** In 1870, Hippolyte Mege-Mouriez from Provence, France, created margarine in response to a request by Emperor Louis Napoleon III for a satisfactory butter substitute. Mege-Mouriez used margaric acid, a fatty acid component isolated in 1813 by Michael Chevreul and named because of the lustrous pearly drops that reminded Chevreul of the Greek word for pearl, *margarites*. From this word, Mege-Mouriez coined the name *margarine* for his invention, the invention that later claimed the emperor's prize.

**POTATO CHIP.** In 1853, Native American George Crum was a chef at a Saratoga Springs, New York, resort when a customer complained that his french-fried potatoes were too thick. So out of spite, he fried up a serving of paper-thin potatoes cooked to a crunchy-crispy texture, which, to Crum's dismay perhaps, the patron immensely enjoyed. The so-called Saratoga Chips became an instant hit with diners. To prepare, potatoes were tediously peeled and sliced by hand and soon packaged and sold, first locally, then throughout the New England area. The invention of the mechanical potato peeler in the 1920s paved the way for potato chips to soar from a small specialty item to a top-selling nationwide snack food. Potato chips are now the world's number one snack choice.

*Continuation 2.*

**POPSICLE.** In 1905, 11-year old Frank Epperson of San Francisco, California, accidentally left his fruit drink with a stirring stick in it outside on a cold night and froze. The next morning, when he tugged on the stirring stick, out popped the world's fruit-flavored icicle. Epperson christened his treat an Epsicle, and it quickly became popular with his school friends. Epperson waited 18 years before releasing his frozen treat to the public and changed the name to Popsicle after his children's frequent requests for "pop's sicle." Epperson received a patent for "frozen ice on a stick" in 1924.

***DECLARATION OF ROTARIANS  
IN  
BUSINESS AND PROFESSIONS***

***As a Rotarian engaged in a business or profession, I am expected to:***

1. Consider my vocation to be another opportunity to serve;
2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
4. Be fair to my employer, employees, associates, competitors, customers, the public and all those with whom I have a business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to society;
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
7. Adhere to honesty in my advertising and in all representations to the public concerning my business or professions;
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

## ***ROTARY CODE OF CONDUCT***

### ***As a Rotarian, I will***

1. Exemplify the core value of integrity in all behaviors and activities
2. Use my vocational experience and talents to serve in Rotary
3. Conduct all of my personal, business, and professional affairs ethically, encouraging and fostering high ethical standards as an example to others
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community
7. Honor the trust that Rotary and fellow Rotarians provide and not do anything that will bring dis-favor or reflect adversely on Rotary or fellow Rotarians
