Almighty God, Our loving Father,  
Thank you for this memorable event of our  
Organization, the 51st anniversary of Rotary  
Club Pasig. We thank You for leading us all  
through this years. We thank You for Your  
Guidance in times we needed You most.

As we move forward, bless us Lord with will  
power and determination so that we will

career gains but also for the strongest, tightly  
bound, proactive and service-oriented Rotary  
Club Pasig.

**Amen.**

# THE FOUR-WAY TEST

**of the things we think, say or do:**

1. Is it the **TRUTH**?
  2. Is it **FAIR** to all concerned?
  3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
  4. Will it be **BENEFICIAL** to all concerned?

- Fourth** : The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## *Governor's Message*

*District Governor Augie Soliman*

Congratulations to the Rotary Club of Pasig on your 51st Club Charter Anniversary. Since your inception, your charter members and your past club leaders together with esteemed members have joined their lending hands and together they share enthusiasm with their vision to make your Rotary Club a primary organization to do service to humanity.

After all these years that you exist, we see Men of talent, ability, caring and compassion come together and share their strength, time and treasure with others just to provide the help needed by the community.

The dedication of your club members to “SERVICE ABOVE SELF” has shown itself in the legacy of projects and service initiatives undertaken by your club. I am confident that by keeping your club effective and relevant to the future needs of the community, you will continue to project bright rays of service that will shine forth ceaselessly from the hands of generous Rotarians and partners in service as we all “SERVE TO CHANGE LIVES.” More Power to the Rotary Club of Pasig!

# President's

Pres. Garrick Ang

Dear Fellow Rotarians and Friends

Today is a special Rotary day for us Pasig Rotarians as we commemorate our 51st Charter Anniversary. The Rotary Club of Pasig has been one of the primary clubs in District 3800. The dedication and commitment of its Rotarians and their partners in service have made the club very relevant to the community it serves. The club has been involved in all the Avenues of Rotary Service and has embraced the concept of the Family of Rotary for the benefit of the less privileged communities. The club is a credit to the memory of the charter members whose vision was to provide service above self. Still with us today are our three active charter members, PP Esto Lichauco, PP Peping Mabanta and PP Arjan Ramnani.

Our club has been involved in exciting and worthwhile projects over the past fifty years and have assisted the local community in many ways. I think of the homes we helped build in the Pasig Rotary GK Village in Caliwag, Pinagbuhatan; the mother and child health care services at Ilugin Community Center in Ilugin, Pinagbuhatan; the local economy we help grow through our Luxid-Rotary Microfinance & Credit Cooperative; the numerous Pasig scholars at Rizal High School and Pamantasan ng Lungsod ng Pasig we support each year; the recognition of Pasig policemen who promote our peace and order; the potable water and sustainable environment we provide through our

SkyHydrant system and the outreach programs for communities near or far that got affected by calamities. We never fail to help and I know that we will forever have in our heart those we serve and change lives.

Allow me to thank the Anniversary Organizing Committee led by IPP RJ Ermita Jr., PP John Javier, PE Bong Paloma, PP Rene Bocaya, PP Celso Ylagan, PN Adolf Aran, Rtn Charlie Jaramillo, Rtn Ato Basco and Rtn Tet Mallare. Our virtual celebration could not have taken off without their dedication and focus to make things work.

It has been a privilege to lead the club through this 50th year and I wish the future presidents and members great success in their endeavors through the next fifty years.

Happy 51st Anniversary and Beyond, Rotary Club of Pasig!

Yours in Rotary!

Garrick Ang  
President

## *Incoming President's Message*

*PE Josefino “Bong” M. Paloma*

I want to extend my heartfelt congratulations to the noblemen of the Rotary Club of Pasig on its 51st Charter Anniversary. Special thank you to the charter members of our club, Past President Peping Mabanta, Past President Arjan Ramnani, and Past President Esto Lichauco, for your hard work, loyalty, and dedication to the club. I want to thank the rest of the members and past presidents for keeping the camaraderie and spirit of service above self-alive through the years. I have been a member of this great club since Oct 2019, and it felt like

I have known this club for more than ten years already. Indeed, every member's welcoming spirit and collective dedication to help and serve mission areas, communities, and victims of calamities is very uplifting and rewarding.

As I take on the Presidency of this club in June 2022, I know that I have big shoes to fill in. I will draw comfort and strength from the 100 noble members of this club to ensure that I preserve and continue its legacy and push the club further to greater heights.

Maraming Salamat sa tiwala at mabuhay ang RC Pasig!.

## Why I Continue to be a Pasig Rotarian

### PP TOTOY BARTOLOME

I've been a Pasig Rotarian since 1975 and continue on to this day so I can continue to meet new friends and reminisce the many years of the Club with fellow Rotarians who have also stayed on. Being in the weekly meetings face-to-face then but now virtual has kept me up and about as I grow older each year. I wish the younger Pasig Rotarians will stay on like me.

### PP TOPAX COLAYCO

Why I have stuck it out in RC Pasig since 1973? Four words best describe why I continue to be energized and thankful for being a member of the Rotary Club of Pasig since 1973. These words are Fellowship, Action, Service, Teamwork (FAST) As I recall it, the early years of the Club was founded on active FELLOWSHIP among the club members. To this day, this special fellowship has remained as the foundation that has led to the deep involvement of Pasig Rotarians in the Club's projects and operations. It is thus no surprise that the club is known as an ACTION club. Pasig Rotarians have consistently delivered and continue to deliver meaningful community SERVICES in health, housing, education, livelihood, city governance and credit to its chosen communities within and beyond Pasig. These past and ongoing projects have been achieved and continue to be achieved through the Club's brand of TEAMWORK executed through a dynamic and interactive "Pangkat" structure of members. Though dubbed as an irreverent Club, being a member of the Rotary Club of Pasig is FULFILLING and FUN. The camaraderie is unbeatable!

## Why I Continue to be a Pasig Rotarian

*Continuation 1.*

### PP BENNY DE GUZMAN

March of 1972, a good six months before Martial Law was declared, three of us were inducted as members. Two, PP Lino Concepcion and Rtn Tony Guevara had passed away decades ago. The remaining one, yours truly will also die as a member of this great club.

The strength of our club like any group, is the fellowship amongst similar age groups of similar interests, mostly in golf and back to back business interests.

I grew up professionally in Rotary. A decade upon joining, I was made club president and the fellowship extended to the District. Growing in the club and enjoying business amenities and beyond were good passports for fellowship and short cuts for business undertakings. In Rotary, there is such a thing as business referrals and new kumpadres and kumadres in the process.

In Rotary, you will never age. In years alone but you as graciously in enjoyable living. Vive le Rotary!

### PP CELSO YLAGAN

I joined RC Pasig in October, 1992. I was invited by one of my clients, PP Romy Manuel from BF Goodrich who asked me to attend the club meetings then.

In the several meetings which I attended, I was impressed by Rotarians like PP Julito Francia from the Professional Regulatory

Commission, PP Bing Basilio, Rtns Herminio “Germie” Germar and Doc Tico Sarmiento, among several others. Giants in their respective fields of endeavour, I was so overwhelmed sitting with them during lunch, unpretentious and simple. But what really attracted me most to join RC Pasig was the down-to-earth friendship which I felt being with other members who are outstanding businessmen and professionals. I never felt any aloofness or snobbishness.

When I met PDG Mike Ampil, my resolve to be a member of RC Pasig was further strengthened especially when he asked me to read his “Rotary Readings”, a copy of which he gave me with the instruction to make it my guidebook in Rotary. Meeting and talking with the members during moments of fellowship and camaraderie induced me to stay on with RC Pasig. They are really a bunch of guys who are dedicated to Rotary ideals, vision and goals set by the founder, Paul Harris, a lawyer like me.

## *Impressions of New Pasig Rotarians*

### **RTN. DOC ATO BASCO**

My exposure to the Club started when I was invited to be present as Program Director of the Community Pediatrics Unit of The Medical City. I was soliciting financial support for the funding of our community projects and activities. It was then that I had the impression that the Rotary Club of Pasig will be a formidable partner in our advocacy. As the years unfolded, I witnessed how the partnership grew into a relationship beyond my profession: of friendship and the shared passion to help other people. After declining several invitations, I finally decided to sit with them in Valle Verde Country Club for their weekly meetings. It was awkward to see businessmen, professionals, matured individuals exchanging more than pleasantries. There was a certain magic that bound them together. With every story of what they had accomplished and wished to accomplish, their reach was far reaching as if their minds and efforts were limitless. Something was fuelling their collective behavior and I was intrigued and amazed at the same time. My intrigue grew into investigation and the urge to get involved became stronger until finally in September 17, 2020, I decided to join this league of Noble Gentlemen of the Rotary Club of Pasig. I believe we can do more, each one unique and distinct, with the common good that binds us together, fuelling our passion, intentions and motivations. I am the Rotary Club of Pasig, we are the Rotary Club of Pasig!

### **RTN. PHILIP ANTHONY GO**

I believe the key factor that attracted me most to RCP was its diversity, the clustered groups and sectors developed with the organization which allowed members especially the new ones like

me to find easily his place under the sun as to which field, craft or topic he excels most. What is most endearing is the warm, friendly and fun atmosphere that vibrates in the day-to-day engagements amongst it past presidents, leaders, officers and members. The sense of strong community service to society and brotherhood amongst friends is indeed the brand and seal of the Rotary Club of Pasig.

### **RTN. TET MALLARE**

Joining Rotary Club of Pasig during this Covid Pandemic was one of the best decisions I've made. It helped not only in keeping my sanity but it became my outlet of sorts. From the support that we showed to each and everyone such as small talks, the wise and otherwise to more serious health advice, treatments and accommodations and the likes. What made me happier were the times that despite this pandemic, we were still able to serve others. Scholarships, Wi-fi for students, food support to front-liners, recognition of law enforcers, blood letting and donations to victims of calamities were the opportunities where we all stood up and raised the level of what we call Service Above Self. Lastly, I am proud to be part of this noble club for the reason that all of us are Men of God who believe in the power of prayer, asking guidance and strength in everything we do and say. Long Live RC Pasig!

### **RTN. JAKE OH**

First of all, Happy 51<sup>st</sup> Charter Anniversary to our great Rotary Club of Pasig. I take great pride to be part if this club. The

weekly meetings have been very enlightening specially with speakers who are superb. Also, this is a club where I am considered YOUNG!

### **RTN. ROY QUEJADA**

Back in 2020, I was invited by Mr. Adolf Aran to deliver a talk to the Rotary Club of Pasig. He then invited me to attend the weekly meetings to know the members of the club as well as the advocacies that each Pangkat support. I find the sincerity of the members to carry on the initiatives of Rotary. With the different fields of expertise, the team is able to push the projects with synergy. I find this compelling and aligned to my values, that is why I decided to join the club.
