## Song of the Day

### IT'S THE 4-WAY TEST #9 *(Tune: It's The Real Thing)*

We'd like to see Pilipinos be  
As truthful as can be  
We'd like to see their leaders too  
Be truthful as they should.

The 4-Way Test is what we offer  
To guide their way through life.  
It teaches them to tell the truth  
And not to tell a lie.

Refrain:

It's The 4-Way Test  
It's Rotary's way  
We're all proud to say  
It's The 4-Way Test.

We'd like to see Pilipinos live  
And work with honesty.  
We'd like to see their leaders lead  
And serve with honesty.

The 4-Way Test is what we offer  
To guide their way through life.  
It teaches them to be always honest  
Put cheating out of mind.

(Repeat Refrain)

*(Adaptation #4 from It's The Real Thing  
adaptation of Rotary by PP Peter)*

## From the President

Pres. Garrick Ang

Dear Fellow Rotarians and Friends,

Good Day!

President Nominee Adolf Aran Jr, will be staging a coup in today's meeting. Thank you for agreeing to preside in our meeting this afternoon and getting ready for your upcoming term after PE Bong Paloma. BBM-P is busy preparing for his induction in July 2022 and is also out of town this afternoon.

Another mass shooting in America where buying an automatic gun is easier than buying cigarettes and alcohol in a country of freedom which the world is emulating. Striking a balance between freedom and endangering lives of children is the key. Same as in our country where we also need a balancing act in order to keep our economy growing. We are off to a good start with some key appointments in the economic team. Our RC Pasig officers & directors of Imagine Year are also readying themselves for the coming year of service above self. Indeed, exciting times ahead, that's why fellow RC Pasig Rotarians, keep attending our meetings and experience the journey together.

I like to congratulate incoming Public Image Director Doc Ato for being recognized in strengthening the partnership between RC Valenzuela and the Valenzuela City Health Office. Indeed fineable and speaking of fines, another Rtn Col Gene has recently been surfing in Elyu and is also fineable.

Our Rotary Convention is in Houston, Texas, USA on June 4 - 8, 2022.

Today, Rtn. Alex is hosting a Thanksgiving and Fellowship lunch meeting today. He will also be our speaker and will talk about his

learnings and insights of the recently concluded 2022 elections. Hopes to encourage more of us Rotarians to run for national office in the future.

Enjoy the rest of the week.

Thank you!

## Rotary Notes

**PP Benny P. De Guzman**

The test of better attendance starts today as all Pangkat heads were asked to tap their members. I heard from PP Peter that at the last meeting, there was not a single member present face-to-face in one of the Pangkats. We pride ourselves to be a more than 100 members but with a batting average in attendance of 30 to 35 members, we are batting for a third only.

From a candidate's point of view, we will know about the real score in the last elections. We are honoring our very own Alex Lacson, distinguished in the many fields he went into and all involved in nation building. What went wrong in the last elections? Most of us are still in disbelief on the performance in the national level of Leni. Some of our members were still displaying the pink ribbon of Leni. In the senatorial race as well, imagine for the first time only two of those I voted for came out.

The Pasig Rotarians stood out at last meeting. On a personal note, Rtn Flor not only brought a birthday cake for my birthday but also several bottles of first class wine. It was PP Peter who asked to pass the hat for a former Rotarian who served Rotary well and who has medical bills yet in the six figures that the children asked for assistance thru PP Peter. And when the hat was passed around, a new Rotarian, a baby yet, gave a check of five figures. PP Peter was able to get assistance even from former office mates of the ailing Rotarian who is in stage 4 of prostate cancer. From eldest daughter, I heard that he could not speak anymore but just make signals with his eyes. Joe Castro, a widower for close to twenty years will be 86 in September yet. From the looks of it, he may not reach that age. Please include him in your prayers to lessen his pains.

## **Rotary Notes**

**PP Benny P. De Guzman**

*Continuation 1.*

Our very own Rtn Doc Ato was one of the awardees of RC Valenzuela. He is not even aware the one of the Rotary clubs in Valenzuela was sponsored by our club. Some of the new Rotarians have yet to attend our face-to-face meeting. How can you have fellowship in half an empty room? Two of our very own were relatives of the great icon Susan Roces. Rtn Jeffrey was even at the bedside when Susan passed away. Balut King Albert is a nephew. We condole with them.

Soon the Rotary Club of Wack Wack will overtake us in the number of members. It has already overtaken us in the number of regularly attending the regular meetings.

We have some in our club. The most prominent are the golfers. We have yet to have a camera club as there are many of them with us. Before we had the late HOF/PP Bobby Paterno and the very well-liked former Rotarian Amang Jose. We can have a bikers' club too. But the most number, as they can organize three groups, are the non-attendees in regular meetings. They can make their own classifications too.

Our very own, re-elected Makati councilor, Rtn Rebo can talk about varsity basketball. I understand they are loaded with privileges too. Or, ask the opinion of IPP RJ about his talents going to UP and producing the UAAP championship that eluded NU?

Many are not aware we have a new color coding scheme in effect. But they are hardly being enforced anyway. Ask our regular attendees, our Pasig police chief, Rtn. Col Roman.

### **ROTARY STATEMENT ON THE WAR AGAINST UKRAINE**

Rotary International and The Rotary Foundation stand with the United Nations General Assembly in expressing grave concern at “the ongoing human rights and humanitarian crisis in Ukraine, in particular at the reports of violations and abuses of human rights and violations of international humanitarian law by the Russian Federation.”

As a global humanitarian organization, Rotary takes a proactive stance toward peacemaking by addressing the underlying causes of conflict.

We support recent UN General Assembly resolutions calling for an immediate ceasefire and withdrawal of Russian military forces from Ukraine. This aligns with Rotary’s deep commitment to promoting peace through dialogue and conflict resolution.

We are working beside our partners in the international relief community to help provide resources to the more than 10 million Ukrainian refugees forced to flee the field of battle.

### RTN. ALEXANDER “Alex” L. LACSON

Alex Lacson is a bestselling author of patriotic books, a lawyer, businessman, and civil society leader.

Though a lawyer by profession, Alex’s first passion is writing books for the country.

In 2000, at the height of Asian crisis that crippled many countries, Alex seriously thought of migrating his family to the U.S. or Canada because our Philippines appeared hopeless at that time. But after seriously thinking about it, he and his wife decided to stay and live their lives here, in the land where God planted them.

After deciding to stay, he was hit by a burning desire to help the country. “What can I do to help our country?”, he asked himself. Upon reflection, he realized that he had always been a writer. Perhaps this was the small talent God gave him to help. It was then that he decided to become a writer of books for the country.

Thus, in 2005, he published his first book entitled “***12 Little Things Every Filipino Can Do To Help Our Country***”. To his pleasant surprise, it became an instant national bestseller. Since then Alex has written several more books that promote love for our country and good citizenship.

In 2008, he wrote the poem “***I am Filipino***”, to help develop among our youth a healthy, positive, developmental, unifying and

solution-seeking identity for the Filipino, beginning with our youth today.

In 2012, wrote the book ***“12 Wonderful Things about the Filipino & our Motherland”***. In this book, Alex speaks of what is good and beautiful about ourselves, the Filipino, and our country. He wrote this book so the Filipinos, especially the youth, would grow up believing that we are a great and beautiful people. Alex wants our youth to have a deep sense of faith in the Filipino and love for our country.

In August 2020, Alex published ***“Five Hundred Years Without Love”*** – a political novel that exposes our country’s present-day social cancer in a comprehensive and wholistic manner, 133 years after Dr Jose Rizal wrote his famous Noli Me Tangere in 1887. In the last chapter of that book, Alex offers a set of radical reforms and programs that he believes could help us in building our Dream Philippines.

## **A Builder of HOPE**

In the past 16 years, through his many books and speeches, Alex has been building hope in the hearts and minds of the Filipino people in many parts of the country, by offering ideas on how we as a people can be part of the solution to our country’s many problems even through small acts of love or patriotism. He has been promoting good citizenship as one of the keys to building a better Philippines. For many years, Alex has been recognized as one of the country’s foremost public speakers on patriotism and good citizenship.

## **A Builder of DREAMS**

# Our Guest Speaker

## *Continuation 2.*

For over 20 years now, Alex has been supporting many poor students as scholars, using his personal money, helping them in achieving their dreams for themselves and their families. For many years, he served as Director of World Vision (Philippines) which sends thousands of poor students as scholars in various provinces in the Philippines every year. As Vice-President and Director of Alay Buhay Foundation, he also helps in creating livelihood and entrepreneurship programs for many poor families in some poor communities in various provinces in the country.

### **A Builder of a Better Philippines**

For many years now, Alex has been involved in the good governance work in the country. He previously served as President & CEO of *ISA (Institute of Solidarity Asia)*, a public governance institute that implements and runs good governance & development programs in various LGUs and NGAs (national government agencies) like the Civil Service Commission, Department of Trade and Industry, Board of Investments, Philippine Heart Center, Armed Forces of the Philippines, Philippine Army, among others.

He is also the former Chairman of Civil Service Commission's Multi-Advisory Council.

Alex currently serves in the Board of Trustees of Alay Buhay Community Development Inc. and the ISA (Institute for Solidarity Asia). He previously served as member of the Advisory Boards of the Philippine Army and the Department of National Defense, as well as a member of the Board of Directors of World Vision Philippines, Dilaab Movement, and Joey Velasco Foundation.

## Our Guest Speaker

### *Continuation 3.*

Alex was also the former president of ***PMTL (Pilipino Movement for Transformational Leadership)***, a coalition of faith-based organizations from the catholic, evangelical and protestant communities whose primary objective is to help in electing genuine servant leaders for national and local positions through the GabayKristo voter's program.

During the 2019 Elections, Alex served as the lead convenor of ***People's Choice Movement*** which gathered lay leaders from various faith-based organizations from the catholic, evangelical and protestant communities in the country. And using a standard criteria, they selected what they believed were the "10 Best Senatorial Candidates that our country and people need today".

Alex is a co-founder and partner of the ***MALCOLM Law Firm*** in Ortigas, Pasig City.

Alex was also a former legal consultant of the United Nations Development Program (UNDP) in the Philippines for several years.

He was also a former columnist of the BusinessWorld Newspaper for seven years.

Alex is a graduate of the College of Law, University of the Philippines (Diliman), Batch 1996. In 2002, he took a short summer program at Harvard Law School in Harvard University, Massachusetts, USA. In 2007, he finished a leadership course and training based on Christian principles at the Haggai Institute in Singapore.

Alex is married to a beautiful wife, and has four wonderful children.

## DID YOU KNOW...

1. If you yelled for 8 years, 7 months and 6 days, you would have produced enough sound energy to heat one cup of coffee. *(Hardly seems worth it!)*
2. If you farted consistently for 6 years and 9 months, enough gas is produced to create the energy of an atomic bomb. *(Now that's more like it!)*
3. The human heart creates enough pressure when it pumps out to the body to squirt blood 30 feet. *(Oh my God!)*
4. A pig's orgasm lasts 30 minutes. *(In my next life, I want to be a pig!)*
5. A cockroach will live nine days without its head before it starves to death. *(Creepy...but I'm still not over the pig!)*
6. Banging your head against a wall uses 150 calories an hour. *(Do not try this at home...maybe at work?)*
7. The male praying mantis cannot copulate while its head is attached to its body. The female initiates sex by ripping the male's head off. *(“Honey, I'm home. What the...?”)*
8. The flea can jump 350 times its body length. It's like a human jumping the length of a football field. *(30 minutes...lucky pig...can you imagine?)*
9. The catfish has over 27,000 taste buds. *(What could be so tasty on the bottom of a pond?)*

12. The strongest muscle in the body is the tongue. *(HmMMMMMMMM....)*
13. Right-handed people live, on average, nine years longer than left-handed people. *(If you're ambidextrous, do you split the difference?)*
14. Elephants are the only animals that cannot jump. *(OK, so that would be a good thing?)*
15. A cat's urine glows under a black light. *(I wonder who was paid to figure that out?)*
16. An ostrich's eye is bigger than its brain. *(I know some people like that!)*
17. Starfish have no brains. *(I know some people like that too!)*
18. Polar bears are left-handed. *(If they switch, they'll live a lot longer!)*
19. Humans and dolphins are the only species that have sex for pleasure. *(What about that pig?)*
