Song of the Day

GARRICK DID IT HIS WAY

{Adapted from My Way}

And now his term will end
And so he's called his final meeting
Hybrid meetings they are now
After a full year of virtual meetings
His year had many restrictions
Caused by the Covid-19 pandemic
In spite of it we now all know
Garrick did it his way

Regrets he's had his share
But then again so did the others
He led the club in doing good
In all of RI's areas of focus
To Serve To Change Lives
Was his guide during his term
And so we all now know
Garrick did it his way

Yes there were times we're sure he knew
When he bit off much more than he could chew
But through it all when there was doubt
He gave it up and threw it out
He faced it all and he stood tall
Garrick did it his way

He's loved, he's laughed and cried
He's had his fill, his share of winning
And now as his year ends

Song of the Day

Continuation 1.

He'll find it all so fulfilling
To think of what he's done
And as we know but in his own way
Oh yes, oh yes that's him
His name is Garrick

For what is a man what has he done
If for himself then it is none
But to do the things that truly serve
Not just by words but by good deeds
The record shows what he has done
And in his own way

Yes...it was Garrick's own way

(Lyrics adaptation by PP Peter)

From the President

Pres. Garrick Ang

Dear Fellow Pasig Rotarians,

When the Club Presidency was offered to me last year, which was not planned and campaigned for, I immediately accepted the challenge as it was a privilege and an honor to give back to our society and to the community we serve and change lives.

Initially, I worried that I might not live up to the expectations of our club but thankfully, I had the guiding hands of our Hall of Famers, past presidents, and my Board members and officers, who all worked hand in hand with me in leading our club to greater heights during the 2nd half of our Golden Year.

Today, it will be the last meeting in which I will preside as your President and I like to thank those who helped me in making this Rotary year truly life-changing:

- To my Life-Changing Board of Directors and Officers.
- To my Advisers PRID Raffy, PP Conrad, PP Peter and PP Jess.
- To all my fellow RC Pasig Rotarians and friends.

Also today, I have the honor of awarding the 100% Attendance Awards to our members who have excelled in attendance in the meetings and in the activities of the club and the district.

The Rotarian of the Year, the Distinguished Service Awardees, the Service Awardees and the Special Awardees as per tradition, will be announced during the Handover and Induction Ceremony on July 21, 2022.

I call on all our RC Pasig Rotarians to support Incoming President Bong Paloma and his incoming Board! His term will be a

continuation of the Golden Year's onward celebration of our club and I am sure that with all our support, our club will continue to reach new heights as it begins its next 50 years.

Thank you for the privilege to serve as your president! It was indeed a memorable Rotary journey for me!

“Iba talaga ang Rotary Club of Pasig!” The mighty, independent and irreverent club now on its next 50 years.

Garrick Ang
Life-Changing President

Rotary Notes

PP Benny P. De Guzman

Today is the start of the term of President BBM. It is also the last day of a good president, Garrick, who had more of the tough times due to the pandemic and the lock down. It was a great year, except for one, the attendance which even during the zoom only days and then the face to face was not good. Joining him in this failed area are all the heads of our Pangkats. Pa(n)gkat tayo ay tao lamang! Congratulations PGA and his outgoing Board. Take a bow.

Congratulations once again to never ceasing to extra giving PRID Raffy and to PP Nick for making District 3800 No. 1 in giving to the Polio campaign. PRID Raffy has donated to RI not only for the district but for the entire Philippine Rotary huge amounts now exceeding US\$ 3 million. He, son PP Ramy and son-in-law PP Nick are members of the prestigious Arch Klumph Society.

When FP Noel mentioned about the restaurant that fried chicken made famous, and the owner was mentioned as Max Gimenez, kaagad somebody asked if our Chony Gimenez is related. Max is for chicken, Chony is for Sogo. Chony is willing to give discount cards to Pasig Rotarians. Just send your names and he will send card to your wife. PDG Edi Chua ayaw patawag wife as spouse. I did not get it right? If you cannot call wife as spouse, the more you will have great difficulty in calling a mistress. Nakaka miss ng stress, kung hindi mahuli. Kung mahuli? Nakaka stress marks!

For several meetingw now, super Rotarian Flor when he takes the floor can make meaningful comments. Last week sa Pasig Hospital.

PP Ner is committed to attend every other Thursday as he Batangas-based now. He attended last week and it was a rare time

that PP Peping was absent. PP Ner said nobody recognized that he was the oldest member in attendance. We don't recognize PP Peping even if he comes in a wheelchair which makes him truly unusual as his attendance level is surely more than 90%. PPs Esto and Totoy, both nonagenarians, are regular zoom attendees. PP Celso is also a zoom regular attendee because of Covid scare but he attends outside meetings with clients and other contacts and is even seen in the open areas of VVCC. Attend ka naman face to face Celso! PP Celso was one of those who failed to make the meeting when we transferred once to Baras Room because the internet was not available.

We are irreverent when we joke about the Iluminatis in our club. The other week, the guest speaker was an illuminati but yet the members were unrelenting in their shiny jokes.

It was a seldom seen meeting last week as our member, Hon Mayor Vico attended. This is to honor his vice mayor who was inducted as a member and was guest speaker. Dudut Jaworski spoke eloquently and made his pronouncements very clear that he knows not only what he was talking about but he certainly knows his goals in life. With Rtn Dudut, we lower our average age, increases a bit our average height and add luster to our club. Welcome Rtn Dudut, bring vice every now and then. We will give you full security. Col Arugay is also a member.

ROTARY AWARDS ITS HIGHEST RECOGNITION TO HRH PRINCE CHARLES, PRINCE OF WALES

KIGALI, Rwanda (June 24, 2022) – Celebrate Community, a joint initiative of the four major volunteer service organizations, will launch this year with a focus on local community service during the week of October 10 to 16. In recognition of his longstanding focus on nature-based solutions to address the climate crisis, Rotary today presented HRH Prince Charles with its highest honour: The Rotary Award of Honour.

Presented by Shekhar Mehta, Rotary International President 2021-22, at a private audience during the Commonwealth Heads of Government Meeting (CHOGM) in Kigali, Rwanda, Mehta expressed appreciation for the dedication of His Royal Highness toward sustainability and biodiversity and noted Rotary's shared commitment to protecting the environment.

During COP26, the United Nations climate summit held last November in Glasgow, Scotland, the Prince of Wales encouraged environmentalists to seek nature-based solutions to global warming.

“After billions of years of evolution, nature is our best teacher,” the Prince of Wales said. “In this regard, restoring natural capital, accelerating nature-based solutions and leveraging the circular bio-economy will be vital to our efforts.”

Mehta, who at COP26 led a roundtable discussion with Patricia Scotland, secretary-general of the Commonwealth, emphasized the critical role mangroves play in mitigating and adapting to climate

change. Mangroves sequester large amounts of carbon and also protect against storm surges and coastal erosion, filter pollutants, and provide habitat for aquatic life, among other benefits.

Over the past six years, the Rotary Foundation has supported sustainable, community-based solutions to addressing threats to the environment, directing \$18 million in grant funds toward environmental projects. Protecting the environment is one of Rotary's areas of focus and Rotary clubs are positioned to make a difference in broader environmental efforts, including mangrove restoration.

Protecting the environment is one of Rotary's areas of focus and Rotary clubs are positioned to make a difference in broader environmental efforts, including mangrove restoration.

“The sea is washing away coastlines because mangroves are disappearing,” said Mehta. “We are losing our ecosystem. Once mangroves die, our marine system and coastal communities will be lost.”

Through pioneering initiatives such as becoming one of the first countries to ban plastic bags, Rwanda is committed to becoming a green, climate resilient and low-carbon economy by 2050 as part of its national development strategy. Local Rotary clubs are taking action towards achieving this goal, having trained over 800 subsistence farms on agroecology and agroforestry methods.

They've also led reforestation projects, and supported smallholder farmers to access biogas and green cooking energy.

The Rotary Award of Honour was established by Rotary International in 1990 to be given to heads of state and other dignitaries who have made a significant contribution to international understanding and goodwill.

About Rotary: Rotary brings together a global network of volunteer leaders dedicated to tackling the world's most pressing humanitarian challenges. Rotary connects 1.4 million members in over 200 countries and geographical areas. Their work improves lives at both the local and international levels, from helping those in need in their own communities to working toward a polio-free world. Wells Fargo used to be a stage coach company before it was a bank, and actually manufactured several models of shotguns for use by stage coach personnel. The term “riding shotgun” came from the guy who sat on the stage driver's right.

Although Kool-aid and the mass suicide at Jonestown are synonymous with each other, it was actually Flavor-Aid that contained the poison.

The Listerine company created the term “halitosis” to market mouth wash. It was invented as a surgical antiseptic though and was used to treat gonorrhea.
