## Song of the Day

### HEAL THE WORLD

There's a place in your heart  
And I know that it is love  
And this place it was brighter than tomorrow  
And if you really try  
You'll find there's no need to cry  
In this place you'll feel there's no hurt or sorrow

There are ways to get there  
If you care enough for the living  
Make a little space  
Make a better place

#### (Chorus)

Heal the world  
Make it a better place  
For you and for me, and the entire human race  
There are people dying  
If you care enough for the living  
Make a better place for you and for me

If you want to know why  
There's love that cannot lie  
Love is strong  
It only cares of joyful giving  
If we try we shall see  
In this bliss we cannot feel  
Fear of dread, we stop existing and start living

# Song of the Day

*Continuation 1.*

Then it feels that always  
Love's enough for us growing  
Make a better world  
So make a better world  
( **Chorus** )

And the dream we were conceived in will reveal a joyful face  
And the world we once believed in will shine again in grace  
Then why do we keep strangling life  
Wound this earth, crucify its soul?  
Though it's plain to see, this world is heavenly  
Be god's glow

We could fly so high  
Let our spirits never die  
In my heart I feel you are all my brothers  
Create a world with no fear  
Together we cry happy tears  
See the nations turn their swords into plowshares

We could really get there  
If you cared enough for the living  
Make a little space  
To make a better place  
(**Chorus**)

Heal the world  
Make it a better place  
For you and for me, and the entire human race  
There are people dying

# Song of the Day

*Continuation 2.*

If you care enough for the living  
Make a better place for you and for me

Heal the world (heal the world)  
Make it a better place  
For you and for me, and the entire human race

There are people dying  
If you care enough for the living  
Make a better place for you and for me

There are people dying  
If you care enough for the living  
Make a better place for you and for me

There are people dying  
If you care enough for the living  
Make a better place for you and for me

You and for me (for a better place)  
You and for me (make a better place)  
You and for me (make a better place)  
You and for me (heal the world we live in)  
You and for me (save it for our children)

## From the President

Pres. Garrick Ang

Dear Fellow Rotarians and Friends,

This afternoon, we will have Rotarian Atty Rod Moreno who will talk on Estate and Succession Planning. A timely topic since it's an issue that will make or break the current presidential campaign.

Our Rotary District 3800 mid-year reviews will be on March 26, 2022 at Club Filipino from 1:30 to 5 PM. We have so far achieved 19 of the 21 tasks we set at the beginning of RY 2021-22 and the remaining 2 being the increase in membership to 110 and the additional 2 Major Donors to The Rotary Foundation.

Again, I would like to invite all RC Pasig Rotarians, especially the newest members to register and attend our District 3800 Conference (Discon). This will be an in-person meeting on May 6 and 7, 2022 at the Marriott Hotel Manila in Pasay City. Please contact PP Jun Zafra or Edgar Manalang for your registration. During the Discon, there will also be a photography contest in which our club will participate through our RCP Photography fellowship group.

I like to congratulate our RC Pasig Tigers golfers PP Hermie for being Class B champion and PP Toti Buhain for being Class D champion for the 7th Leg of our District 3800 golf tournament.

We like to thank Pangkat 3 for organizing our meetings this month of March, 2022 and we welcome Pangkat 4 for April, 2022.

Stay safe and healthy fellow Rotarians.

Thank you,

Garrick

## Rotary Notes

PP Benny P. De Guzman

Our second face to face meeting despite being a zone meeting saw fewer Pasig Rotarians than the previous week of 35. I wonder how the zoom attendance went. The weather being hot is another factor that makes the convenience of being in a zoom meeting tempting.

PRID Raffy stood out last week. He gave and even placed the nice Rotary pins to many of us and to the others he gave it too. What made it a beautiful day for him is the way he introduced the guest speaker, Hon. Henry Bensusurto, Jr. and knowing the him very well was obvious as he cited guy's many achievements. Hon. Bensusurto, truly outstanding, gave a very inspiring and authoritative talk that it was easy for our franchise holder to ask the first question. True to his ever searching mind, PP Ferd got his enlightenment from him.

When it was the turn of Rtn Ben to celebrate his birthday on the day that was not in the 2022 calendar, a good Rotarian called him BBM – Ben Baniel Movement?

It was quite some time ago when we had trophies won from the various district golf tournaments. Last week, PP Hermie and PP Toti brought home their respective class championship trophies. Congratulations!

Many of our Rotarians and spouses attended the biggest so far of Leni's campaign extravaganza. Even very dedicated Gigi Carlos was seen with the more active Rotarians and their spouses. Leni will win in Metro Manila but in the provinces where the mayors and governors are given big dole outs it will be hard to predict.

A broker handling a property for me when he saw the Alex Lacson for Senator posters in my gate assured me he is also for Alex as

the knows the parents-in-law well. I told him I met them much earlier and he was telling me that they were together as active parishioners at the Christ the King Church. O I told him Edda Ferry was a classmate and Teddy Pena was a year ahead of me in UP. That ended it.

I assured our very own Cong Roman that I will endorse him and Mayor Vico in our meeting last week together with their candidates for councilor. But a PP cautioned me it would be in bad taste. Even the lone candidate that I promised to endorse, a nephew of Cong Roman, being a son of his sister. Right now, for the city council I will endorse him as Roman's nephew, Mon Tantoco. His grandparents on both sides are very good friends of mine. Roman's parents, Bert and Lovely Romulo and his paternal grandparents, Justo and Mon Tantoco of Malolos. I am also endorsing Eric Gonzales, a Rotarian from RC Pasig Sunrise but more importantly, a son of a former Rotarian and a Rotarian of the Year, Jun Gonzales. He is also the nephew of PP Peter and PPA Celia. The third one is Angelu Leon who introduced herself as a badminton playmate of my daughter. Ex-Congressman and former Rotarian Dud ut Jaworski also came. Actually I invited the entire team of our Mayor Vico but I was advised not to endorse them in a Rotary meeting. Let us vote for them. They are all way ahead but better to pad their winning margins.

### **ROTARY'S NETWORK ENABLES RAPID HUMANITARIAN RELIEF FOR UKRAINIAN REFUGEES**

The crisis in Ukraine is having devastating consequences on civilians as families flee their homes. According to the United Nations, more than 3 million people, most of them women and children, have sought refuge in neighboring countries and across Europe, while about 1 million more people have been displaced within Ukraine.

Rotary and Rotaract clubs in Europe and around the world have taken swift action and are working with members nearby to provide food, water, medical equipment, and shelter for refugees.

#### **Rotaract Europe**

The European Rotaract Information Centre, a multidistrict information organization that serves Rotaractors all over Europe, created a United for Peace site that compiles information for refugees and volunteers.

- The site offers information about free rail, bus, and air transportation available to refugees and lists details about what's needed and how to help at specific national borders.
- It also has fundraising details for hospitals in the western Ukraine city of Lviv, as well as for clubs that are helping in various places and for other organizations in the region.
- The site lets Rotaractors coordinate shelter for refugees stranded at the border. Volunteer hosts can sign up through an online form and specify how many people they can house and for how long. Begun as an initiative to help fellow Rotary

members leaving Ukraine, it's now being used by Rotaract and Rotary members all over Europe to offer help.

- A tool on the site links a demand for goods with available supplies. It was created within 48 hours after a team of 60 members from 10 countries met by videoconference about how to meet the most urgent needs.

## **Ukraine**

Ukraine has 62 Rotary clubs and six satellite clubs with about 1,100 members, and 24 Rotaract clubs with more than 300 members.

- District 2232 (Ukraine and Belarus) formed a committee to help people affected by the crisis. It has launched an appeal to Rotary members worldwide for funds to provide basic necessities.
- The city of Lviv has had an influx of people displaced from other cities around Ukraine. The Rotary Club of Lviv International, working with local authorities and major hospitals, created an online spreadsheet of relief items that can be accessed by people who want to help. Members arrange for the donated items to be delivered to hospitals and coordinate storage with local warehouses.

## **Poland**

Poland has taken in more than a million refugees, and Rotary clubs all over the country created a central account for contributions.

- The Rotary Club of Olsztyn is collecting and managing donations for more than 150 Ukrainians who are staying at Ostróda Camp, a conference and recreation center. Most of the

occupants are unaccompanied children whose parents stayed in Ukraine. Four cars full of supplies including food, clothes, toiletries, and toys were donated hours after the center began accepting refugees.

- Members of the Rotary Club of Zamosc worked with a member of the Rotary Club of Wolsztyn, who owns a medical supply distribution company, to coordinate a partnership with other organizations to collect supplies and equipment.
- The Rotary Club of Gdansk Centrum is providing accommodations for four refugee families, and members who own businesses are offering them work.

## **Other countries that border Ukraine**

- The Rotary Club of Kisvárda, Hungary, is coordinating contributions and mobilizing members to donate necessities and deliver the items to where they're needed.
- Rotary members in Romania and Moldova have created a central fund for contributions and set up WhatsApp groups that organize food donations and coordinate shelter for refugees.
- In Slovakia and the Czech Republic, clubs have partnered with a railway and cargo company to offer transportation to nearly 2,300 refugees.
