Invocation

As we gather together, we praise You for this day and Your purpose for it. Reset our agendas as we sit in Your presence. You have assured us that where two or more gather in Your name You are in their midst. Recalibrate our intentions and refocus our hearts. Your will for our lives does not always reflect our plans. Change them to reflect Your will. Shift our perspective to seek Your peace above all else. Fill us with your love and in our misery, please do not leave us alone and unaided. We ask this through Christ Our Lord. **Amen.**

From the President

Pres. Bong Paloma

Good afternoon RCP!

I will be out of the country today, and our PE, Adolf Aran is on quarantine with mild symptoms. Thus, we will have PP Peter John Javier presiding over today's meeting.

Kindly mark your calendars for the upcoming club and district activities. On October 26, we will have the groundbreaking of the wash basin and drinking station project at Sto. Nino Elementary School and the launching and training of ALPABASA program are also in the same school. On October 27, we will celebrate a requiem mass as we remember, with love, the lives of beloved lost fellow Rotarians. And on October 30, we will participate in one of the district service projects in Baras, Rizal. In addition, we will donate 100 school bags, notebooks, and LED lights to one of the small elementary schools in Rizal.

As we draw the year 2022 to a close, I would like to remind all those who have yet to remit their payment for the following: 1. Golf Tournament Sponsorship, 2. Polio-Walk for a Cause ticket, 3. Membership dues. Please settle your payables with Edgar.

I also would like to thank the following RCP Rotarians who joined the very rock and successful Oktoberfest celebration last Saturday. Thanks to Dir Tet, Dir Dodie, PP Peter John, PP Ogie, PP Ramy, and Rtn Dante. I brought my wife and daughters along, and they, too, had a blast enjoying and dancing to the music of Sampaguita, Hagibis, VST and Company, and Maine. It was also a memorable evening for the Zone 6 clubs. We won first prize in the battle of the band presentation, I was just an extra, though, doing the drums,

but I am proud to be part of the presentation, actively participating as a mother club of zone 6.

Today, we have PBGen Edgar Alan Okubo, Head of SAF, whose mission is to conduct operations as a Rapid Deployment Force anywhere in the country, specifically in situations with national and international implications in the areas of counter-terrorism, counter-insurgency, hostage rescue, search and rescue, civil disturbance management, and other special operations. He will share SAF's plans and strategy to minimize, if not eradicate, counter-insurgency in our country. Peace and security are the utmost considerations for investors for choosing a country to invest in. Let us bid PBGen Okubo and his team good luck, strength, and integrity, and may the force of good be with them always.

Thank you again for joining us today, and I wish you a great weekend ahead.

Stay strong and healthy, RCP!

Bong

Rotary Notes

PP Benny P. De Guzman

With the bad percentage of our attendance, the Membership Chair must check on our roster and verify those who have not attended even 25% of our meetings even by Zoom and ask if they are still interested to retain their membership. Rotarians from our club cannot join other clubs without paying their back accounts. However, we have been lenient for those active in other club activities and for one or two whose accounts are updated.

We congratulate PP RJ for making N.U. improve in the ratings not only in athletics but in the student base as N.U. is on the rise with more than 40,000 students. Good professorial base and improved greatly improved in athletics as well.

PP John reminded me that we still have our Memorial Day next week. We usually set aside the last Thursday of October for our Memorial Day. Can we have a good fellowship this time by involving the ARAP? Annually, the lechon is from birthday boy PP Bert. Can we include PP Jess and PP RJ as well? Also, invite the ARAP and widows of former members who have gone? We have lost 85 Rotarians and more than 20 spouses. A handful of children also. If we involve the spouses to invite widows, we can have a nice fellowship as well. There must be at least 2 activities with spouses every RY. A good one is Memorial Day. If we get 60% from families of departed members, that is a good enough start. There are less than 20 for both spouses already gone.

Rico Hizon, our guest speaker last week, is a very good speaker and even a good attention getter. He can be an evangelist on TV and even a marketing genius and he will excell as he has a good

way of getting audience interests and attention. And, he can ad lib anytime plus his natural recall system makes him a truly credible speaker. Parang true lahat ang sinasabi. His rich credentials must have made him richer in his chosen career.

Rtn Bart, birthday boy last week, has a patented gadget called SciatiGard. It can reduce or eliminate back pain just sitting on his invented pad. Looks simple but is great.

The District Oktoberfest was a huge success. We can have one for our club too but with a different theme. We have not had a Fireside Chat for the last couple of years. Or a nicer fellowship ala Oktoberfest? Decades ago, may overnight outing pa tayo.

Today is Rtn Rebo's birthday. Of course, there is no lechon. Even his attendance is not even sure. Our 3 politicians are No Shows. Rebo, a councilor in Makati, Mayor Vico and VM Dodot. We are lucky that Cong. Roman shows up every now and then. Sana, yung tatlo, every now and then also. When he was police chief of our city, Rtn Roman Arugay was regular in attendance. Now that he is in the office in Taguig City, he is not seen anymore.

Last week, the invocation and Song of the Week were both stand outs. We can sing “ This Club is My Club” more often. It inspires many to be better Rotarians.

ROTARY PROJECTS AROUND THE GLOBE

October 2022

Canada

Vancouver Rotarians plugged in to their local connections to spotlight End Polio Now in British Columbia. Three landmarks — BC Place Stadium, the geodesic dome of Science World, and the City Hall clock tower — were set aglow for World Polio Day in 2021. Ron Suzuki, a member of the Rotary Club of Vancouver Sunrise and a retired city recreation director, used his connections to line up support from city leaders, including Mayor Kennedy Stewart, who recognized the day by proclamation. As a college student in the early 1970s, Suzuki undertook fieldwork in the polio wing of a hospital. “I got to know all the patients and was inspired by their courage and how they coped with this horrible disease,” Suzuki says. “Till this day I am still haunted by the sounds of the machines that helped them breathe.”

United States

The Interact club at Honesdale High School in Pennsylvania held its Purple Pinkie Project in February to spread the word about polio eradication. Club members went live on the radio, canvassed local businesses for contributions, and solicited dollar donations in exchange for coloring pinkies purple during school lunch breaks and basketball games. The club raised \$1,000, and members of the Rotary Club of Honesdale added \$500 for the cause. An online “twinning” with the Interact Club of Chubby Cheeks Spring Valley in Goa, India, allowed the clubs to exchange tips on matters purple pinkie and beyond. “These students are networked and organized,” says Brian Fulp, the Interact club’s adviser, “and the

community responds through donations.”

United Kingdom

In October 2021, staff and students of Felpham Community College in West Sussex planted more than 4,000 crocuses provided by the Rotary Club of Bognor Regis as part of Rotary International in Great Britain and Ireland’s annual Purple4Polio campaign. In February, as the flowers began to bloom, the college convened students from the ecology club and other school groups for a tea party. “This was a chance to have a hot drink and some homemade sweet treats, celebrate the crocuses coming into bloom, and thank our students for the hard work they put in above and beyond their day-to-day learning,” says Michelle Kelly, a deputy head teacher. The Bognor Regis club and the school have partnered on the project for more than 10 years.

Nigeria

Seven Rotary clubs and two Rotaract clubs in the southern Nigerian state of Delta took steps in October 2021 to heighten vigilance in a country certified polio-free the year before. The Polio Walk, organized by the Rotary Club of Effurun, attracted nearly 100 participants. The walkers — many clad in red, blue, yellow, and purple End Polio Now T-shirts — strolled, socialized, beat drums, and tooted horns along a roughly 2-mile route, says Michael Enehizena, past president of the Effurun club. “It was a huge success as flyers and car stickers were given out and placed on cars,” Enehizena adds. The Rotary clubs of Effurun City Centre, Effurun Gateway, Effurun GRA, Ekpan, Osubi, and Ovwian, as well as the Rotaract clubs of Effurun and Petroleum Training Institute (PTI), united for the event.

New Zealand

Seeking a hallmark project to boost attention and money for PolioPlus during his year as governor of District 9980, Nick Wood picked pumpkins — a variety called the Atlantic Giant, to be specific. Fifty-five Rotarians, family members, and friends competed to grow the greatest gourd from plants that Wood started and distributed beginning in late October of last year. The goal: “to have fun, and this was heaps of fun,” Wood says. The grand weigh-in in late April required a forklift when the Rotary Club of Wanaka’s winning pumpkin tipped the scales at more than 357 pounds. With sponsors donating a set amount for each kilogram, the competition yielded more than US\$31,000 at current exchange rates, topped with a District Designated Fund contribution of about \$6,200, all matched 2-to-1 by the Bill & Melinda Gates Foundation. “The biggest success was the almost doubling of our club and personal contributions to polio from the previous year,” says Wood.
