Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First** : The development of acquaintance as an opportunity for Service;
- Second** : High Ethical standards in business and professions; the Recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third** : The application of the ideal of service in each Rotarian's personal, business and community life;
- Fourth** : The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Song of the Day

PASIG ROTARIANS

(Tune: Dancing Queen)

Woo, woo, woo, woo, woo, woo, woo, woo, woo
You can see, you can feel
Having the time of our life
Oh see us now, watch us now
Pasig Rotarians

Thursday noon and we're on the go
Meeting in a place you know
Breaking bread with one another
Getting in the swing
We come to meet with friends
Pasig Rotarians we all are
Young and old, wise and otherwise
With a sense of service
Everything we do
for the community
And when we get the chance
Pasig Rotarians
Young and old, since seventy one
Pasig Rotarians serves the need
of the community

You can see, you can feel
Having the time of our life
Oh see us now, watch us now

Song of the Day

Pasig Rotarians
We're Rotarians, we're on the go
Looking for opportunities
Where we can serve our brothers
Looking beyond ourselves
We're in the search to serve
And when we get the chance

Pasig Rotarians serves the need
of the community

You can see, you can feel
Having the time of our life

ARTURO “BOBBY” C. TANYAG

District Governor

My heartfelt congratulations to all the dynamic Rotarians and their Spouses/ Partners of this very premier and most outstanding club club, the Rotary Club of Pasig on your 52nd Charter Anniversary celebration. In all the glorious years of your existence , the Rotary Club of Pasig has greatly contributed to changing lives in the communities around you with your extreme dedication to the Objects of Rotary as you carried out meaningful and sustainable service projects in the communities around you.

Of the 106 Rotary Clubs in District 3800, I consider your Club as the Ideal Model for earnest espousing of the core values of Rotary, Service, Integrity, Fellowship and Leadership. Your Community Service Projects are most ideal in terms of the number of beneficiaries, and the greatest number of project outcomes.

Congratulations for having established a distinct heritage of outstanding Rotary Leaders who have elevated themselves to more challenging positions not only in District 3800 but in Rotary International and we are all eagerly awaiting for our PRID Raffy to be elected as the Second Filipino President of Rotary International. Your club has maintained and retained Membership numbers to become of the biggest and most vibrant club perhaps not only in our District but in all of Philippine Rotary that ensures effective and efficient delivery of all your planned humanitarian service projects.

FOR OUR IMAGINE ROTARY YEAR,

I envision your club and our DISTRICT 3800 with everyone focused on only what GOOD we can do all the time.

Mabuhay and Rotary Club of Pasig!

District Governor Arturo “Bobby” C. Tanyag!

From the President

Pres. Bong Paloma

Good day RCP!

Today, we celebrate our 52nd Founding Anniversary. Happy Anniversary RCP!

It's a momentous day for all of us as we celebrate the anniversary of what used to be an "independent, republic and irreverent" Rotary club of District 3800. Today, as the club graciously ages, the younger generation of RC Pasig Rotarians are kinder and no longer irreverent but respectful, cooperative but firm. The balance of wisdom, experience and youth makes RC Pasig tick.

As part of our 52nd founding anniversary activity, we have a dialogue with our 70 High School scholars from Rizal High School and we gave them their six months stipend worth Ph 3,000 each. This meeting was first face-to-face distribution of their stipend since the Pandemic. What a fitting way to celebrate our anniversary! Rizal High School has been one of our adopted communities since the 1970s and is one of the flagship projects of RC Pasig.

We will celebrate our anniversary at Valle Verde 6 Clubhouse during our regular club meeting at 6:00 pm today. In addition, we have invited the Rotary International Friendship and Youth Exchange delegates from Canada and Argentina, the Council of Governors, district officers and my IATP classmates from Zone 6.

My Board has prepared an exciting program, good food, and a variety of drinks for everyone to enjoy. I look forward to an enjoyable and memorable evening. We will also honor and recognize our 3 charter members, PP Peping Mabanta, PP Esto

From the President

Pres. Bong Paloma

Continuation 1.

Lichauco and PP Arjan Ramnani. These 3 gentlemen have been religiously attending our club meetings physically and virtually. Mabuhay kayong tatlo! We wish you all long life and more memories with RCP!

Lastly, join us on Jan 25 as we accompany the delegates w will host to our Pasig Rotary-GK Village for a gift-giving activity. They will give away grocery items to all 150 families of the Village.

Thank you again for all the support you have extended since the beginning of my term. As I look forward to the second half of my term as President, I 'am counting on your usual support and cooperation.

Mabuhay and RC Pasig!

Bong

Rotary Notes

PP Benny P. De Guzman

52nd Anniversary is truly a milestone for a good club which prides itself being called the independent republic of the Rotary Club of Pasig. 52nd year yet we have 54 past presidents? Two of them did not serve the entire Rotary year. Illness? No, just part of the quirk of our club. Of the 54 past presidents, 19 have returned, not their classifications but themselves to the Lord.

There were several father-son teams in the club and three of them had served as club presidents. The first father and son was HOF/PRID Raffy and PP Ramy. The second was HOF/PP Peter and PP John and the last was the late HOF/PP Rhett and PP RJ. The other father and son are Rtn Ike & Rtn Gary and Rtn Cesar & Rtn Bebert. Rtn Ike & Rtn Gary could have been the fourth as Rtn Ike then was already a president-nominee but he had to beg off in the line of succession.

More than 250 have been at one time members of our club and about 83 have since returned to our Creator. Currently, as members, we have in the field of public service Rtn Mayor Vico and Rtn Dodot. Also, lone congressman of Pasig, Rtn Roman who has been a member of long standing.

In the Executive branch of our national government, Rtn Ike was a former DOH Secretary while the late PP Bobbit Sanchez became a Labor Secretary. PP Ducky Paredes was former Press Secretary like the late Rtn Rod Reyes.

The late Supreme Court Associate Justice Carding Francisco was a member till the fiasco due to the misjudgement of a district officer. At that time, he was the executive judge of the Makati RTC and in the interest of internal peace, he returned his classification. There

Rotary Notes

PP Benny P. De Guzman

Continuation 1.

were no violations of Rotary rules only internal squabbles. That is why we are truly a Republic of the Rotary Club of Pasig. There are only intelligent discussions and intelligent dissents.

In the military and police ranks, we have a member who was the police chief of our city and another, a ranking officer of the PAF.

We now only have three Charter Members of the club. All are past presidents with PPs Peping and Esto already in their nineties while PP Arjan is in his early eighties.

For a club over 50 years, we have only two Past District Governors. The late PDG Mike Ampil served in RY 1983-84. The second one, HOF/PRID Raffy who served in RY 2011-12 is not only a Past Rotary International Director but is also a member (Foundation's Circle) of the Arch Klumph Society of The Rotary Foundation for having contributed a minimum of one million US dollars. His son, PP Ramy is also a member (Trustee's Circle) for having contributed a minimum of US\$250,000. And for the district, he is the single major donor for most of the projects. To our community as well.

As we celebrate our 52nd year, a grateful club wants to honor the past presidents who are still doing their bits for the club and the community. We have the Hall of Famers with the very first one to be honored, the late PP Rhett Ermita who went to His Creator on April 9, the Araw ng Kagitingan. We have a rich group of achievers in PRID Raffy, PP Jess, PP Peter and PP Conrad.

R. GORDON R. MCINALLY WANTS ROTARY MEMBERS TO CREATE HOPE IN THE WORLD

RI president-elect announces 2023-24 presidential theme

Rotary International President-elect R. Gordon R. McNally called for members to capture the world's attention and lead the way toward possibilities far beyond our current expectations.

McNally, a member of the Rotary Club of South Queensferry, West Lothian, Scotland, revealed the 2023-24 presidential theme, Create Hope in the World, during the Rotary International Assembly in Orlando, Florida, USA, on 9 January. He urged members to promote peace in troubled nations, help those affected by conflict, and maintain the momentum of initiatives begun by past leaders.

"The goal is to restore hope — to help the world heal from destructive conflicts and, in turn, to help us achieve lasting change for ourselves," McNally said at Rotary's annual training event for incoming district governors.

McNally spoke about a woman he met in Ban Taling Chan, Thailand, where Rotary members helped build houses, a meeting hall, and childcare and health care facilities following the tsunami that devastated South Asia in late 2004. The woman had lost her husband, her daughter, and her son in the tsunami, as well as her livelihood. But she still had a gift to offer McNally: a beautiful seashell.

"She went on to tell me that Rotary... had restored her optimism.

Walking the Avenues

PP Jun C. Zafra

Continuation 1.

We gave her hope," McNally said.

"This is how Rotary brings lasting change to the world," he added, "one restored or newly created hope at a time."

Promoting peace

A significant way to bring hope to the world is to put a greater emphasis on peace, McNally said. He cited the action Rotary members have taken in the past year to support the people of Ukraine after the invasion by Russia. Rotary has made humanitarian relief a priority, attracting more Ukrainian members in the process. But McNally noted that true relief won't come without peace — not just in Ukraine, but in Yemen, Afghanistan, Syria, and dozens of other places around the globe.

"Peace is the soil where hope takes root," McNally said.

McNally also emphasized the power of continuity, calling for Rotary members to continue the work of some past leaders. He pledged to maintain the Empowering Girls initiative launched by 2020-21 President Shekhar Mehta and uphold the emphasis on diversity, equity, and inclusion throughout Rotary. He also noted recent events that underscore the importance of Rotary's continuing focus on polio. In the past year, polio cases have emerged in many areas around the world, making it more crucial than ever for Rotary members to lead the fight against the disease.

To do that, McNally said, Rotary must continue to raise at least US\$50 million each year to receive the full 2-to-1 funding match from the Bill & Melinda Gates Foundation. Only about 1 in 12 members currently gives to the polio eradication campaign, with fewer than 1 in 5 clubs donating each year.

McNally asked the district governors-elect for support creating a

new sense of urgency in their clubs to help realize Rotary's vision of a polio-free world. "This is the time for us to go beyond what's necessary year to year and make sure we provide every resource necessary to succeed as quickly as possible," he added.

Focusing on mental health

In addition, McNally said, Rotary members should offer hope to those affected by mental health challenges — a crisis exacerbated by the COVID-19 pandemic. Many people have lost family members, many more have found their social networks uprooted, and young people especially have had their educational and developmental paths interrupted. As a result, more people around the world are facing mental health issues. And yet, seeking assistance is often perceived as a sign of weakness.

"Nothing could be further from the truth," McNally said. "Reaching out for help is courageous — and continuing on a path toward wellness is even more so."

He added that Rotary will work to improve mental health services in the next year and beyond. Rotary should be known as an organization that takes care of its members as well as the people it serves, McNally said. "Any mental health professional will tell you that by helping others, we essentially help ourselves."

McNally ended his speech by describing his ideal balance of continuity and innovation. "Rotary helps create the conditions for peace, opportunity, and a future worth living," he said. "By continuing what we do best, by remaining open and willing to change, and by keeping our focus on building peace in the world and within ourselves, Rotary helps create a more peaceful world — a more hopeful world."

Why I Continue To Be A Pasig Rotarian

enhanced by cheerful, productive weekly meetings; sense of fulfillment when I could still participate in the Club's service activities. Great to see our club and individual members receiving an increasing number of District awards each year, a measure of our Club's achievements in pursuit of Rotary's mission. Very glad too to see our younger members assuming the leadership of the Club or actively participating in its activities. Am happy and proud as ever to be a member of RCP! Mabuhay, RCP!

Though a charter member of the University
Rotary Club of Manila, I transferred to
Pasig Rotary during the presidency of PDG

Mike Ampil in RY 1972-23. That makes me a Pasig Rotarian for almost 50 years representing 65% of my entire life. Indeed, it has been well worth the ride, most fulfilling and clearly the one endeavor which has provided and continues to provide me the most opportunity to live my life consistent with my school's vision of being a "man for others". Today, with the current membership and leadership of Pasig Rotary, the opportunities for "service above self" are even more pronounced. You cannot ask for anything more of a Rotary Club than what the Rotary Club of Pasig offers: Personal, financial and collective services on health, education, entrepreneurship, housing, civic, social, sports and last

The Irish Proverbs says, “A good friend is like a four-leaf clover: hard to find and lucky to have.”

Having been a Rotarian for many years up to now, I can say in Rotary, I consider myself lucky to have such 'hard-to-find' good friends and colleagues.

PP VIC AQUINO
(Joined October, 1987)

I was inducted into the Rotary Club of Pasig during PP Peter's term. That was more than three decades ago Every now and then, I am asked, what have kept me in Rotary all this time. Well, the service and help we have been rendering to others, should be a good enough answer. But it goes deeper than that! The satisfaction of being part of a group that looks into the needs of others and do something about it, the fellowship and bantering in every meeting, medical missions, project implementation and all activities where I had the opportunity to participate in, got me hooked But above all, when I took my oath of membership, I committed to myself that as long as I could afford my annual dues and attend meetings religiously, I'll stay on. So today, despite the pandemic and other reasons, I will continue with my involvement in the club.

Our True Victorious Joy

Today we are celebrating our 52nd Anniversary as Rotary Club of Pasig. It's merrymaking time with friends or fellow Rotarians together with spouses as we indulge enjoy sumptuous dinner and cool wine. However, we celebrate not because it is indeed our anniversary but we celebrate because we have something to celebrate for.

One passage of the Book of the Prophet Amos says, "When you bring me burnt offerings and grain offerings, I will not accept them; I will not accept the animals you have fattened to bring me as offerings. Stop your noisy songs; I do not want to listen to your harps. Instead, let justice flow like a stream, and righteousness like a river that never goes dry. (Amos 5:22-24). Of course, it's good we celebrate happily with food, music and friends. But we must bear in mind that empowering people through our projects we made like the Luxid Cooperative and scholarship for the underprivileged youth is the reason why we are celebrating our 52nd Anniversary. In other words, the times that we put into practice our motto "Service Above Self" is the reason for our celebration, and our crowning achievement especially when we celebrate 52 years of empowering the powerless in our society.

May we continue to find true joy in helping others help themselves as we continue to live our motto, "Service Above Self."

Happy 52nd Anniversary!
