Invocation

Lord, let the knowledge of salvation enlighten our hearts, so that, freed from fear and from the power of our enemies, we may serve you faithfully all the days of our life. We ask this through our Lord Jesus Christ, your Son who lives and reigns with you and the Holy Spirit, God, for ever and ever. – **Amen.**

THE FOUR-WAY TEST

of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First :** The development of acquaintance as an opportunity for Service;
- Second :** High Ethical standards in business and professions; the Recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third :** The application of the ideal of service in each Rotarian's personal, business and community life;
- Fourth :** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Song of the Day

Kahit Maputi Na Ang Buhok Ko

Song by Rey Valera

Kung tayo ay matanda na
Sana'y di tayo magbago
Kailan man
Nasaan ma'y ito ang pangarap ko

Makuha mo pa kayang
Ako'y hagkan at yakapin oh
Hanggang sa pagtanda natin
Nagtatanong lang sa'yo
Ako pa kaya'y ibigin mo
Kung maputi na ang buhok ko

Pagdating ng araw
Ang 'yong buhok ay puputi na rin
Sabay tayong mangangarap
Ng nakaraan natin

Ang nakalipas ay ibabalik natin hmm
Ipapaalala ko sa 'yo
Ang aking pangako
Na ang pag-ibig ko'y laging sa 'yo
Kahit maputi na ang buhok ko

From the President

Pres. Adolf Aran

We are blessed ...

To have met Ray Armas and had the opportunity to help him in when he needed it most. May his soul rest in peace.

To have the chance to serve the Pasig City community by providing medical services. This week we are undertaking, with the help of Doc Jess Acantilado, Doc Henry Claravall with his medical team and our RCP Service team, our Operation Bukol, at the Ilugin Elementary School.

To have good speakers that we can learn from so that we grow as professionals and as Rotarians. After the entertaining Leo Martinez with his “Doon Po Sa Amin” last week, our August club meetings will feature entrepreneur Paco Magsaysay of Carmen’s Best, Red Cross leader Gwen Pang and our first zone wide assembly with our very own Mayor Vico Sotto for his State of the City address.

Rotary Club of Pasig is truly blessed.

Let’s create hope in the world.

Rotary Notes

PP Benny P. De Guzman

A very good Rotary year for our club will end in our Club Assembly & Fellowship today. I was assured two of our ninetyish members will attend in person and usually, PP Esto attending via zoom making them three. Charter member PP Peping, PP Totoy and charter member PP Esto. Well done Pres Bong and your team.

Another well done affair with our congratulations was the Awards Night hosted by Rotary Club of Ortigas Center. PP Luz Cotoco did very well. However, the District Awards Committee did not fare as well as the host club. Two of our major awards were given to another club claiming the computation was only up to end of May but dapat June. That was a major mistake. It will be corrected on our induction night for both awards.

Last week, a younger looking PP Topax came with easily 20 pounds off his fighting weight before. Lean and mean, panay proteins na kinakain niya. Ibang meat he just licks. Tatanda ka din.

Tinig is proud of our club for the major awards. We had a total of 8 major awards starting from the EREY, 100% Polio Giving, End Polio Countdown, Public Image Award – Best Rotary Marker for a Large Club Category, Leadership Award, Best in TRF Contribution and two more.

Last week's speaker can out talk anybody and still make sense. This Villanueva lady came from San Miguel and is now Marketing and Communications Director of Ateneo De Manila

University. Even on major international events, she was attuned to the delight of our very own Rtn Flor. Even the open forum was a delight.

Today's club assembly may be the last time for our club to focus on our attendance in club meetings. Incoming President Adolf can address the issue. This is not only the problem of Pres Bong but it seems every year, attendance was not given the focus it needed every RY. Attendance and non-payment of dues are two of our priorities. Late na now but Adolf and his team can focus on this.

I am glad to see often Cong Roman. But our two city officials are hard to see, VM Dodot attended Chony Gimenez' project for the policemen. Mayor Vico begged off on the same affair. Our regular public official is Rtn Richie, Bokap of Oranbo. He has also sponsored some new Rotarians and is regular in attendance. The club can show appreciation when he runs for reelection later as Bokap.

Siguro sa first quarter of Adolf's term, a good fellowship for members to meet each other is in order. Baka we can get Rtn Chony, PP Hermie, Rtn Nesty and even Rtn Rebo to attend.

DONOR HONORED AT 2023 ROTARY INTERNATIONAL CONVENTION

An inspirational summit and a black-tie dinner were among numerous events held before and during the Rotary International Convention to celebrate the donors who make projects around the world possible.

The Arch Klumph Society Preconvention Ceremony honored new members and those being elevated to new recognition levels. At The Rotary Foundation Donor Summit, Rotary leaders spoke to more than 1,000 people about the impact they have by supporting Rotary's programs.

Rotary Foundation Trustee Chair Ian H.S. Riseley speaks to more than 1,000 people at The Rotary Foundation Donor Summit in Melbourne, Australia.

"Everyone in this room is on their own journey, both in their lives and in their service to others," Trustee Chair Ian H.S. Riseley said. He noted that some of those being honored had been members for

decades, like himself, and others were new to Rotary. Some had made significant investments and others were just starting to give — but everyone had something in common.

"No matter where you are on your path, you are here today because you have chosen to be a part of something bigger than all of us," he said.

Many donors talked about why they give to the Foundation and support particular projects. André Hadley Marria, the governor of District 6900, said she was attracted to Rotary because of projects addressing the AIDS epidemic in Africa. After joining Rotary, she founded a program for entrepreneurs from underserved communities and led her club's first Black history program.

"Rotary showed me the impact that I can have, not only in my own community, but also on the other side of the globe," said Marria, who was among the 2023 People of Action: Champions of Inclusion honorees. "That is why I first chose to contribute to The Rotary Foundation."

Two other gala events honored dedicated Rotary donors. At the Imagine Making a Difference Dinner, which recognized substantial and active donors, people had the opportunity to relax and exchange ideas over a banquet. The Rotary Foundation Unity Ball, named for the building that hosted the very first Rotary club meeting in 1905, celebrated members of the Arch Klumph Society and the Legacy Society. It was held at the National Gallery of Victoria, Melbourne's renowned art museum.

Attendees looked forward to similar events at the 2024 convention in Singapore.

Wheat not Weeds

By: Rtn. Fr. Kell Ortega

What Really Angers God

Whether we attend Mass in a Catholic Church or Service in a Protestant or service in any non-Catholic church, we will all listen to this Gospel passage, Luke 19:45-48, which is about Jesus cleansing the Temple. In this Gospel passage, we may picture God as an angry God depicted by His Son. Thus, we may have this fear of God, that we are afraid of incurring His anger whenever we do wrong. But we ask ourselves this: is God truly an angry punishing God? Does He wants us to be always right and not sin? Moreover, is this truly the image of God?

I remember my lesson in Theology in Loyola School of Theology (Ateneo de Manila University) about this passage. This Jesuit taught me and my classmates the true context of this Gospel passage to understand why Jesus got angry in the Temple. During the Jesus time, worshipping God in the Temple in Jerusalem was the greatest honor for every Jew regardless of class or economic status. But they were not permitted to enter it without first buying either a lamb (for the rich) or a turtledove (for the poor). Thus, the anawim or the poorest of the poor Jews were not able to enter the Temple. More than that, there were many merchants inside the temple selling their own merchandises despite it was forbidden. Why they were allowed to operate inside? It was because the high priests in charge of the Temple were given a certain percentage from the income of

Wheat not Weeds

By: Rtn. Fr. Kell Ortega

Continuation. 1

the merchants. In other words, there was already corruption even during Jesus time!

Thus, Jesus was enraged when he driven out those merchants because he saw the corruption that deprived the poor ones the right to worship God in the Temple. I can imagine that the poor who witnessed Jesus's rage in driving out those merchants were happy because He cleared the way for them. Moral of the story: God is truly angry against corrupt people who enrich themselves by exploiting or abusing the poor. But He is merciful towards the poor who have nothing to cling to for power except by Him.

Let us avoid then becoming corrupt, but grow more into real men and women of integrity, especially in having a heart of gold for the less fortunate ones.
