Invocation

Almighty ever loving God, we bow down before you in humility and beg your forgiveness for our shortcomings. Bless our fellowship today; bless each of us and our families. Fill us all the time with your love that we may give glory to your mighty name. **Amen**

APAT NA URIAN NG ROTARYO

ng mga bagay na ating iniisip, sinasabi o ginagawa:

1. Iyon ba ang **KATOTOHANAN**?
2. Iyon ba ay **MAKATARUNGAN** para sa lahat ng kinauukulan?
3. Iyon ba ay lilikha ng **MABUTING KALOOBAN at LALONG MATAPAT NA PAKIKIPAGKAIBIGAN**?
4. Iyon ba ay magiging **KAPAKI-PAKINABANG** para sa lahat ng kinauukulan?

Ang Layunin ng Rotaryo

Ang layunin ng Rotaryo ay ***“PASIGLAHIN AT IPUNLA ANG SIMULAIN NG PAGLILINGKOD BILANG BATAYAN NG ISANG GAWAIN KARAPAT-DAPAT*** at lalo’t higit pasiglahin at ipunla:

1. Ang pagpapaunlad ng pagsasama bilang pagkakataon sa paglilingkod.
2. Ang mataas na uri ng tuntunin sa pangangalakal at sa hanapbuhay, ang pagkilala sa kahalagahan ng gawain kapakipakinabang at ang pagbibigay dangal ng bawa’t Rotaryo sa kanyang hanapbuhay bilang pagkakataon upang makapaglingkod sa lipunan.
3. Ang pagsasakatuparan sa simulain ng paglilingkod sa bawa’t Rotaryo sa kanyang pansarili, pangkabuhayan at panglipunang pamumuhay.
4. Ang pag-unlad ng pagkakaunawaan, mabubuting kalooban at kapayapaan ng mga bansa sa pamamagitan ng isang pang-daigdig na kapatiran ng mga propesyonal na nabubuklod sa simulain ng paglilingkod.

PUMAPATAK NA NAMAN ANG ULAN

By Apo Hiking Society

Pumapatak na naman ang ulan sa bubong ng bahay

Di maiwasang gumawa ng di inaasahang bagay

Laklak ng laklak ng beer magdamagan

May kahirapan at di maiwasan

Mabuti pa kayang matulog ka na lang

At baka sumakit ang tiyan

Ang araw ko'y nabubusisi

Ako ang nasisisi

Bakit ba sila ganyan

Ang pera ko ay di magkasya

Hindi makapagsine at ayaw naman dagdagan

Ubos na rin ang beer, kaya kape na lang

Lahat sinusubukan kahit walang pulutan

Ang buhay ng tamad

Walang hinaharap ni konting sarap man lang

[Bridge]

Radyo, tv at mga lumang komiks

Wala ng ibang mapaglibangan

At kung meron kang tatawagan

Trenta sentimos ika'y makakaltasan

Aha...

From the President

Pres. Bong Paloma

Good afternoon RCP!

I have been absent for the past two weeks due to an increased demand for my work. I also recently returned from a trip abroad, which explains why the President's message was not included in last week's TINIG. I am thrilled and grateful to be back amongst you today.

I want to congratulate all the Rotarians who participated in the successful medical mission at Ilugin Elementary School. The mission was a joint effort with the Pasig Police, Medical City, Rizal Medical Center, and other hospital partners of RCP. Our next priority is to organize a basketball clinic for youth residing in communities affected by drug use. We hope the basketball clinic will motivate them to engage in sports and contribute positively to their respective communities.

Today's guest speaker is Ms. Olivia Limpe Aw, Chairperson and CEO of Distilleria Limtuaco and Co. She will expound on her journey as a woman operating in a male-dominated industry and how she successfully navigated her company to the top of the global spirits and alcoholic beverage sector.

As we approach June, my tenure as President of this esteemed club comes to a close. On July 1, PE Adolf and his new board will assume leadership. I wish them success in cultivating hope for a brighter future.

Mabuhay and RCP!

Bong

Rotary Notes

PP Benny P. De Guzman

The importance of prayers was manifested when Typhoon Betty missed us for a while and when she came, it was less than the tempestuous one predicted to be.

We are very lucky as a club to have PRID Raffy. We can have it as PRID plus E with the E being Extra Ordinary or Excellent. In the process, let me honor him as HOF Raffy, the PRIDE of the Rotary Club of Pasig. As a grandfather to many outstanding grandsons as athletes leading in their respective fields in Spain and US with athletic scholarships in prestigious universities. Now, a great grandson who is not only handsome but quite big and seemingly with musical talents already. PP Nick and Nana, grandparents of this lovely boy, do make more. More talents.

We salute our very active Doc Ato for showing his great love for his mom before her dialysis. Pedis kayo ni Doc Jess, wag makialam sa ibang specialties.

Rtn Pal celebrated his 60th birthday in a flashy hotel but days before, he brought in a big lechon. He did not realize the four other birthday celebrants brought an Elar's 25 kilo lechon too. We were over lechonized last Thursday. Suwerte the Balut King was not around. Otherwise mag liLipitor tayong lahat. Now, let us see if the June celebrants can out lechonize the May ones. Speaking of May celebrants, Rtn Marlo had a display of power. A Rotarian who rode with him said that he and other counterparts having the same title are color coding spared. His car carried a No. 17 plate. Any police officer should respect that since pag nagkakaso sila, kina Marlo dadaan.

Continuation 1.

We welcome back PP Celso and Enya from their European tour and globetrotter Pres Bong. Celso is youngening nowadays with tucked in Rotary T-shirt. Binatang binata ang dating.

Our speaker last week was a long time neighbor when we were in Kapitolyo, Pasig. He was the dean of our own PP and Sec John Peter. The leaders of our club, PPs John Peter, Celso and Conrad are fraternity brods while humahabol, IP Adolf is also a brod.

We congratulate IPP Garrick as he will have a book launching in Athens for his Camera Club with an Italian group as partners. Discounted airline tickets are available for those who will join but invited. If not invited, no discount. Sa books may discount.

Teaser, free ad in my column but eye opener for a section in Tinig to be ahead of other club bulletins. We can have a space for ads of members whether for items or sale or services or when in need of hiring drivers, masseurs or maids, a column can be given. Any perfected deal, the benefactor must donate to the club and to Edgar as that is additional load for him.

First teaser: 2 PPs are selling cars. Both 2016 models, matic, ending plate number 9 and flood free as they are Valle Verde based. First, Carnival van, 11 seater, silver, chauffeur driven, 950K, low mileage daw with 65,000 km run. Second, Benz, 200CLA A.M.G., plate given 2018, similar to new model costing 6M, 6,700 km only and slightly used, 2.2M. Seller to give 10K to club and 1K to Edgar if sold. If 65,000 as owner claims is low mileage, the 6,700 must have been garaged 11 months and 4 weeks a year.

EXCITEMENT BUILDS FOR MELBOURNE

The 2023 Rotary International convention will offer endless inspiration for the year to come.

Rotary will hold its annual convention in Melbourne, Victoria, Australia next week. Rotary members and guests will gather in Australia's second-most-populous city from 27-31 May to Imagine What's Next for Rotary and for themselves.

With electrifying speakers, powerful breakout sessions, and more than 200 booths in the House of Friendship, the convention will offer endless inspiration for the year to come.

Rotary International President Jennifer Jones said the convention will be a chance to both look back and think ahead: to share stories of the past year's triumphs and get excited about new possibilities.

"We are looking forward to welcoming so many of you from across the globe to come and celebrate the great stories of what we've all accomplished together during this year," Jones said. She called for attendees to "imagine transformation," saying, "We transform ourselves from year to year. We don't change – we become better. We're going to celebrate what's next."

At the Melbourne Convention and Exhibition Centre, Rotary's people of action will discover new perspectives, challenge themselves, and inspire each other. They'll address causes important to Rotary like protecting the environment, eradicating

polio, advancing literacy, strengthening communities, and promoting peace. Most of all, they'll experience what it feels like to belong to an organization with 1.4 million members worldwide.

Convention highlights

World-class speakers will include:

- Leymah Gbowee, 2011 Nobel Peace Laureate and founder of Gbowee Peace Foundation Africa
- Nakeeyat Dramani Sam, a 10-year-old climate change activist and poet
- Kari Aina Eik, who's led numerous programs to meet global environmental targets and helped shape the United Nations' Sustainable Development Goals
- Chantal Vallée, the first woman in basketball history to be named as both head coach and general manager of a men's professional team

Download the [Rotary Events app](#) for a guide to each day's activities, and follow the convention on [Facebook](#).

In the House of Friendship, attendees can meet Rotary members from around the world while exploring exhibits like a Peace Park, sponsored by the Rotary Action Group for Peace, which includes a community conversation space and a "peace portal." The portal will allow visitors to videoconference with peacebuilders in different parts of the world. There's also the Interact60 booth, which celebrates the youth program's 60th anniversary.

11 HEALTH BENEFITS OF DRINKING WHISKY...IN MODERATION

There are many reasons why whisky is one of the world's most popular alcoholic beverage, namely its distinctive flavor, its unlikeliness to give you a really bad hangover relative to other kinds of alcohol and it can be a good way of keeping colds away.

1. **MEMORY BOOST** – The antioxidants in whisky improves the health of the brain and boost blood circulation which both contributes to good memory.
2. **STRESS RELIEF** – Whisky reduces stress and calms the nerves.
3. **FIGHT WEIGHT GAIN** – Compared to its counterparts, whisky is a low calorie alcohol and is free of fat and alcohol.
4. **REDUCE THE RISK OF A STROKE** – Whisky prevents cholesterol from accumulating in the cardiovascular system, contains antioxidant and removes cholesterol from the body.
5. **REDUCE THE RISK OF CANCER** – Whisky contains the antioxidant “ellagic acid” which stops the DNA in coming in contact with cancer causing compounds.
6. **HELPS WITH DIGESTION** – For centuries, whisky has been known as a digestive aid to be consumed after a heavy meal and an appetite suppressant.

Continuation 1.

7. **LIVE LONGER** – Antioxidants in whisky fight free radicals which is the number cause of aging.
8. **DIABETIC FRIENDLY** – Whisky contains zero carbs, does not affect blood sugar levels but must be consumed in moderation and not on an empty stomach.
9. **IMPROVE HEART'S HEALTH** – Whisky reduces the risk of blood clots and inhibit the oxidation of low density lipoprotein which is a main factor in heart disease.
10. **IMPROVE HEALTH OF YOUR BRAIN** – Whisky reduces risk of Alzheimer's and dementia and improves cognitive function.
11. **PREVENT AND TREAT COLD AND FLU** – Whisky has positive effects on battling allergies and colds and is an effective cough syrup for people suffering from itchy throat.

Last 21 May 2023, the Club had its first Medical Dental Mission since the pandemic. The project was conceived while planning for the Pasig City PNP for the Pagpupugay sa Kabayanihan ng Pasig Pulis Awards. During the meetings with Pasig Chief of Police Col. Celerino Sacro Jr, the strengthening of the partnership between RC Pasig and the PNP was discussed. It was agreed that collaboration between us should not be limited to the awards but should extend to community projects to widen both our reach. Note that this is not the first time that the Club has a had project with the Pasig PNP as we had a joint bloodletting project sometime in November of 2021.

Pook Sibol in Ilugin, Pinagbuhatan was identified as the target beneficiary of the mission. Said area is located along the river and is only accessible by a footbridge. Once the haven of criminal elements due to its inaccessibility, it is now one of the adopted communities of the Pasig PNP.

Ilugin Elementary School was the venue for the mission due to its accessibility to the target community. Our Ilugin Community Center is also nearby which served as breakfast area for the Rotarians, Doctors, Nurses , Dentists and PNP personnel who were treated to the piping hot arroz caldo and tokwa't baboy prepared by our ever reliable ICC Community Health Volunteers.

Around 250 patients were served that Sunday morning,

including the 38 boys who transitioned into manhood thanks to baby Rotarian Dr. Henry and his team. There were 100 tooth extractions done and 20 fluoride treatments. The 60 adult and pedia patients not only received free check-ups and treatment but were also provided with medicines.

Of course this project would not have been possible without the hard work and generosity of our members and partners.

First we have to thank and recognize our primary sponsor for this medical mission, the main man himself, Rtn. Flor De Pano. Ever so generous, he practically funded this whole mission.

Special thanks goes to Rtn. Anson Tan, who provided the Asador lunch for the 40 PNP personnel.

Let us not forget our frontliners, headed by the veteran HOF Doc Jess "Aga" Acantilado who took charge of organizing the flow of the mission. Rtn Dr. Henry Claravall brought a team of 8 surgeons to perform the circumcisions. Rtn. Dr. Jay Bautista, who although we rarely see at club meetings, was excited to participate in the mission. Though Dir. Rtn Ato Basco was not around as his mother was then confined in the hospital, he likewise assisted in organizing the mission.

Kudos too to the other Rotarians who helped in one way or another. RN Bernard Dy who has been meeting and coordinating with the PNP from inception of this project. Dir Tet Mallare who made sure that all the volunteer were well fed and energized for the mission.

Contribution 2.

Thanks to the Rotarians who took time out to wake up on a Sunday morning to join us in the mission - Rtn Roman Romulo, PP Jun Zafra, PN Adolf Aran, Dir. Dekdek Paloma, Rtn Dante Lardizabal and barely a month old Rtn. Richard Pua,

Lastly, we thank our invaluable partners who have been continually helping as in such projects - The Pediatrics Department of the Medical City and Philippine Dental Association - Pasig Pateros Taguig Chapter.

We look forward to more medical missions (Doc Henry and his team have volunteered to do a "bukol mission") and other projects in partnership with the Pasig PNP. A basketball clinic is in the offing during the school summer break. Of course we hope to see more Pasig Rotarians participate in these projects. Let's bond with each other and at the same time serve the community so we show them all how this irreverent Club gets project done like no other!

Members' Musings

By: Rtn. Henry John Claravall

Joining the medical mission of Rotary Club of Pasig held last May 21, 2023, was truly a fulfilling experience. This medical-dental mission was done in cooperation with the Philippine National Police, The Medical City and Philippine Dental Association and held at the Ilugin Elementary School. Pinagbuhatan, Pasig City.

As a doctor and a member of a medical fraternity, I've been doing medical missions since med school. Most of these activities were organized and supervised by doctors, and seeing them work was really amazing. However, attending the medical/dental mission organized by the Rotary Club of Pasig was extra special for me. It was special because I was given the crucial task of leading the circumcision group. Fortunately, I was able to gather 8 Doctors from my society - Philippines Academy of Aesthetic Surgery. I am very thankful to these colleagues of mine who were more than willing to give their precious time even if it meant waking up early on a Sunday morning.

The venue was really conducive for the medical mission, it was spacious and comfortable. We were given enough tables and dividers to set up a makeshift operating room for the patients. At first, only 5 to 7 kids signed up however with the help of the PNP and our community health volunteers at the Ilugin Community Center, we were able to increase the number of patients. We initially expected to do 20 cases, to our surprise we end up doing 37 circumcisions which was quite gratifying.

Members' Musings

Continuation 1.

I joined the Rotary Club of Pasig last 2022 and as a baby Rotarian I've been learning so much from the group. Joining the medical mission was really a heartwarming experience. Witnessing my fellow Rotarians gave their time and effort in serving our community made me realized that I am really in the right group. I can attest to the profound impact it had on me. I also experienced the camaraderie and bonding among members which made the activity efficient and enjoyable.

The Rotary Club of Pasig's medical mission was not just about providing medical assistance. It was also a chance of building relationships with my co rotarians, the people we serve as well as other partners such as the PNP. It was a humbling experience to realize that we could make a difference in their lives, even if it was just for a day.

In conclusion, Rotary Club of Pasig's medical mission can be a life-changing experience. It allows you to help those in need, learn from other healthcare professionals, and build relationships with the community. I am grateful for the opportunity to have been a part of this mission and look forward to participating in similar endeavors in the future.
