Song of the Day

Raindrops Keep Fallin' on My Head

Raindrops are falling on my head
And just like the guy whose feet are too big for his bed
Nothing seems to fit
Those raindrops are falling on my head, they keep falling

... So I just did me some talking to the sun
And I said I didn't like the way he got things done
Sleeping on the job
Those raindrops are falling on my head, they keep falling

... But there's one thing I know
The blues they send to meet me
Won't defeat me, it won't be long
Till happiness steps up to greet me

... Raindrops keep falling on my head
But that doesn't mean my eyes will soon be turning red
Crying's not for me
'Cause I'm never gonna stop the rain by complaining
Because I'm free
Nothing's worrying me

... It won't be long till happiness steps up to greet me

From the President

Pres. Bong Paloma

Greetings, RCP!

I'am delighted to greet you on this thrilling Thursday! Our luncheon meeting will feature the esteemed Miss Earth Philippines, Ms. Yllana Marie Aduana and her companions. We're pleased to announce that we're teaming up with Miss Earth Philippines for a range of sustainable environmental service projects.

Furthermore, we will have Mr. Chinkee Tan as our guest speaker, who will share the secrets of financial independence and wealth creation. We'll also get to enjoy the unique and world-class liqueurs of Destileria Limtuaco and Company, courtesy of Ms. Olive, during our meal.

This afternoon's highlights include hearing from Miss Earth on how we can contribute to saving the planet, savoring the country's world class finest locally-made liqueurs, and receiving Mr. Tan's wise financial advice. Thursday is already looking like a fantastic day!

Finally, I'd like to remind everyone to mark their calendars for two upcoming important events: a club assembly and fellowship on Wednesday, June 28th, at 5:00 pm at Valle Verde 1 Clubhouse, and our annual club Induction and Turnover ceremonies on Monday, July 3rd, from 5:30 to 10:00 pm at Shangri-La Edsa Garden.

Thank you for joining us today, and please stay safe, RCP!

Long live the Rotary Club of Pasig!

Bong

Rotary Notes

PP Benny P. De Guzman

The last week was for baby Rotarians. Rtn Stephen recited in Filipino the Apat Na Urian Ng Rotaryo. The guest speaker was Rtn Jay and baby Rtn Richie sponsored two new members. PN Dody, chair of membership did not review the three before formal induction? As usual, ever reliable HOF/PP Conrad can do ad lib the charging before the three were inducted. I asked our Edgar their classifications – wala. Tinig welcomes baby Rotarians Rudy Sanguyo, Karl Contreras and Jiniel Zamora to the fold. Karl is only 25 years old. Baby Rtn Richie's classification must be government service – local government being a barangay captain. But his sponsored ones?

Pres Bong was reporting he was reviewing the membership status of some from the point of view of payment of dues and attendance. Is Rtn Rebo still with us? And others that after the pandemic has yet to surface? Too late for a club assembly or a grand fellowship.

May Bong be generous enough not to endorse to incoming Pres. Adolf any with past due accounts. Dapat not more than a year. Our club has one of the highest annual dues but we have to maintain the status especially the higher costing Tinig. Even the well balanced contents of Tinig is highly admirable. Rtn Fr Kell was repeating what the Good Book was saying, “Give unto Caesar what is due him and to God, what is for God.” What happened to the other priest from Kapitolyo? Rtn Fr. Vincent? The priest president of our first daughter club is doing great even if he is Davao based,

PP Esto is all over despite his being not seen in our regular meeting. He is perfect in zoom attendance though and very up to date with other members in viber and texting. Our PRID Raffy is more for our national and international operations as he is all over and never wanting in giving very good reminders to our club.

Our two PPs who celebrated their birthday a day apart are so regular in their attendance and up to date with fellowship. Pag 11th June, alam na ni PP Ogie araw na niya at onsehan na. Kasi the next day, serious tayo at Araw Ng Kalayaan at araw ni PP John.

Dieta tayo sa lechon sa mga June celebrants, konti sila at layo pa sa Thursday noon meetings ang mga birthdays. Sinsadya siguro? Buti pa si Balut King Rtn Albert. Kahit hindi weekly ang balut niya, madalas naman. Those who are complaining, kindly do not get any in case mayroon.

Si Treasurer Jake does not have a dull moment. If there is any award for the early bird, do not even consider contesting his right to it. Dito na yata nagbebreakfast sa luncheon room natin as he makes sure he is up to date with his computer. If Jake is regular as the early bird, PP Ner is regular in his every other Thursday meeting. Ner is Batangas-based kasi.

First time walang nagsosolicit for the turn over induction ads. Baka sinama lang sa billings for the next RY. Nireport lang nuong meeting na major cover pages were all taken. Look at the previous years induction issue and book all those who used to place ads. They cannot refuse as the one in charge failed to take charge.

ROTARY PROJECTS AROUND THE GLOBE

Canada

Rotary clubs in District 5370 partnered with social service agencies to provide beds for families, including Ukrainian refugees resettled in the Edmonton area. More than 10 clubs teamed up with the nonprofit Sleep in Heavenly Peace for a bed-building day in October. Rotarians, Rotaractors, and friends and family assembled 35 beds in eight hours, says Kelly Baker, immediate past president of the Rotary Club of Edmonton Northeast. The district collaborated with Ukrainian Canadian Social Services and Catholic Social Services to arrange funding and to identify the neediest recipients. Rotary members followed up less than a month later with “Stuff a Van,” a bed linen collection at a shopping center. “Eighteen people braved the cool weather, and the Rotaractors were amazing as they promoted this event,” Baker says. “We had a number of Ukrainian nationals stop by and tell their story, and it really affirmed why we were doing this drive.” The clubs also raised about CA\$10,000 (US\$7,500), with some of it going to purchase adult-sized beds.

Grenada

Grenada’s national library, damaged by Hurricane Ivan in 2004 and forced to close a few years later, stands as a picture of decay, with its door padlocked and windows broken. The Rotaract Club of Grenada aims to show that the weather-beaten building is hardly symbolic: The nation, like many of its West Indies neighbors, has a high literacy rate. In July 2022 club members collected more than 500 books and, with assistance from a local

carpenter, Rotarians, and friends, constructed three book boxes modeled after the Little Free Libraries. The club placed them in well-trafficked parks in the parish of St. George, home of the country's capital. The club also renovated the library at its adopted Mt. Moritz Anglican School, supplying new shelves, desks, and a fresh coat of paint. "Our national library has not been functional for years so a lot of reading material is not as available as it should be," club member Semone Sargeant says. The installation of the boxes "creates an avenue for persons to read whatever they want, how often they want."

Korea

Seeking to engage more of its Rotary members in volunteering, the women's committee of District 3650 in Seoul, South Korea, paired them with children from the Hyeshim-Won youth home for monthly sightseeing outings. In January, Rotarians treated 30 young people from the home to a trip to the Lotte World amusement park. They took spins on the merry-go-round, bumper cars, pirate ship ride, and more. The district and Rotary members donated about \$2,800 for discounted tickets and food, while District Governor-elect Young Suk Lee, of the Rotary Club of Seoul Hangang, covered the cost of busing. District Governor Bong Rak Sohn and the Rotary Club of Seoul KANS organized the event. "We wanted to show the children that there are many good people in the world," says Kwi-Young Song, of the Rotary Club of Hanseong, chair of the district women's committee.

Australia

The Rotary Club of Beecroft enlisted a contract distiller and concocted a signature gin steeped with botanicals reflecting the flora around its north suburban Sydney base. In November more

than 150 Rotarians, business leaders, and other residents met for a Beecroft Spirit Gin launch party to select the flavorings “that represent the area of Beecroft,” says Daniel Dummer, a club member and project leader. Working with Craft Foundry, the club produced 260 bottles of gin infused with the essences of strawberry gum, lemon myrtle, and rosella. By Christmas, the lot had sold out, with nearly \$1,800 in proceeds directed toward the renovation of an electrical substation in Beecroft as well as international projects, says Dummer. “Beecroft has a strong sense of community, and gin is a fast-growing spirit in Australia right now. Our goal was to bring the community together around a delicious and memorable local project while raising funds for projects here and abroad.”

Our Guest Speaker

MR. CHINKEE TAN

Finance Expert / Wealth Coach

Our guest speaker today is a well-known financial consultant and a business coach who had a humble beginning. He was born in Tondo, Manila, of Chinese parentage and the eldest of the three children. After his father experienced big losses in business, he started to realize the importance of perseverance and hard work at a very young age.

The crisis brought him to Divisoria where he bought anything that he could peddle to his classmates and friends, including toilet paper rolls, to help augment their family income. And that was when he discovered the value of savings!

His vision and mission as young business man is: “to become a successful entrepreneur who will be at the providing end of earning opportunities for people who need them.”

He is the author of 8 bestselling books; two of which are the “**Diary Of A Pulubi and My Ipon Diary**”, which had already sold over 1,000,000 copies. Chinkee is proud to say that he is the only Filipino author who had received a congratulatory letter from a Philippine President, former President Benigno "Noynoy" Aquino III.

Our Guest Speaker

Continuation 1.

He is the host of the award-winning program "Chink Positive", aired on radio and TV and two of the segments in TV 5 shows "**Kumare Klub**" & "**Balitaang Tapat.**" He also used to co-host the Hall of Fame Winner of the Catholic Mass Media program "**Radyo Negosyo**" of DZMM and the 700 Club Asia!

In 2001 Chinkee formed the Millionaires in Business (MIB) with eight friends involved in network marketing for Prudential Life. Their vision is to provide life-changing opportunities to develop a *financially literate* and *debt-free society*. His approach is more on *teaching principles* rather than techniques and believes that connecting to his audience is essential before the delivery of the message.

This afternoon, I am sure that Chinkee had the opportunity to know the Pasig Rotarians, who have diverse mix of personalities, rich experiences, business backgrounds, and tremendous sense of humor, before taking over the rostrum! My fellow Pasig City Rotarians, let us all welcome our distinguished guest speaker – Mr. Chinkee Tan!

2. **DON'T CRY OVER SPILLED MILK** – It doesn't do any good to be unhappy about something that has already happened or that can't be helped.
3. **IN A NUTSHELL** – In the fewest possible words.
4. **USE YOUR NOODLE** – To use one own's intelligence and intellectual ability; to think logically and rationally.
5. **IT'S A PIECE OF CAKE** – Something that's simple to accomplish.
6. **WHAT AM I CHOPPED LIVER?** - Signifies frustration or anger at being ignored on a social level.
