- MARCH IS LITERACY MONTH-

Invocation

Father in heaven, we thank you for this day and for gathering us all together. In You we live, and move, and have our being. Show us Your purposes. Enlighten us that we may know how You want us to accomplish our tasks. We desire Your glory and blessing in all we do. Direct our thoughts, words, decisions, and actions toward the right path and help us stay on track. Let Your will be done as we plan and make decisions.

We ask this through Christ Our Lord.
Amen.

THE FOUR-WAY TEST

of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First :** The development of acquaintance as an opportunity for Service;
- Second :** High Ethical standards in business and professions; the Recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third :** The application of the ideal of service in each Rotarian's personal, business and community life;
- Fourth :** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Song of the Day

IT'S THE 4-WAY TEST (Tune: It's The Real Thing)

We'd like to help Pasiguenos live
In perfect harmony
We'd like to help Pasiguenos grow
As honest as can be.

The 4-Way Test is what we offer
To guide their way through life.
It teaches them how they should live
And answer human strife.

Refrain:

It's The 4-Way Test
It's Rotary's way
We're all proud to say
It's The 4-Way Test.

We'd like to help Pasig City grow
In the most beneficial ways
And bring Pasiguenos all together
In harmony and peace.

The 4-Way Test is what we offer
To bind them all as one.
They'll cherish love as their ideal
Put hatred out of mind.

(Repeat Refrain)

From the President

Pres. Bong Paloma

Good afternoon RCP!

March is Water, Sanitation, and Hygiene Month. We will kick start today with a compelling speaker discussing Proactive Habits for Success. Next week, we have invited the CEO of one of the water companies, Manila Water Company. Mr. Jose Victor De Dios will walk us through Manila Water's sustainable plans and programs to ensure access to a reliable, safe, and managed water source.

We all know that water is an essential resource we cannot live without. According to statistics from Water.org, 52 Million people (52% of the population) lack access to a reliable and clean water source and 43 Million people (39%) lack access to safely managed household sanitation facilities. So let's see how the privatization efforts have contributed to improving the plight of the typical Juan from a clean water, sanitization and hygiene perspective.

Last week, our speaker Mr. PV Beley, spoke about honesty being the bedrock of BCBP's ethics and values. He challenged us to make honesty an integral part of our value system and make it a way of life by placing it at the forefront of our personal moral compass. Dishonesty and Disinformation have destroyed our society and we owe it to the next generation to do something about it today, lest we accept that such practices will continue to flourish and destroy the moral fabric of our society.

It has been an exciting month for all of us regarding learning

From the President

Pres. Bong Paloma

and insights. I learned a lot from our speakers and not only learn, but it urged me to do something, to take action in my little way to combat this cancer that has beset our society and country.

In closing, I want to report that our club has done its part by providing proper sanitization (hand washing stations) and clean drinking water stations to 5 public schools in Pasig (Sto. Nino, Ugong and Ilugin Elementary Schools, Rizal High School and Sagad Elementary School). We hope to extend this noble project to other schools in various Barangays of Pasig that need proper sanitization, hygiene and clean water access within their premises.

Lastly, Discon is on Friday and Saturday (March 10 and 11) and Distas is on April 15 and 16. Mark your calendars and please support the district by attending both events.

Thank you for joining us today. Stay strong and healthy!

Bong

Rotary Notes

PP Benny P. De Guzman

While most of us are still in prayers for the victims of the earthquake in Turkey and Syria, a one after the other happened in Davao though of much lower intensities. Our prayers should be that any calamity to hit our country for the good Lord to temper. The various floods and the tremendous oil spills in our country call for more prayers not only this Lent but always for our country and for our families.

PP Ferd is on his way to a slow but sure recovery. His EWD was good enough to save him from further complications. PP Peter is no longer with his cane. But the fall of PP Fil Guba of RC Pasig South, was more than PP Peter's freak accident yet, an older Fil did not use a cane anymore. Even with great pain, he went to serve mass the next day. Pres. Abigail of RC Pasig East while falling dragged Fil and he landed on her. No wonder Fil was asking if anyone would ask for a reenactment. Fil, a few years older than Peter showed in his cellphone his many bruises but not any sprain.

We are glad to note that many who went to give the stipends for our PLP scholars. This continuing project makes one a prouder member of RC Pasig.

As Rtn Fr Vincent in his column was honing for his homily last week, Rtn Fr. Kell was looking at his father with fear in his growing years that even his prayers were affected out of fear. Fr Kell should be thankful of his dad as he was motivated by his fear to become a priest. I can relate as I am the shortest of the

five boys in the family. They say all sons follow the height and structure of the the dad. Not in our family as our dad was shorter then me and more fragile in build. But even if he was wrong, tama pa din as when he was wrong tinatamaan pa rin ako. Lessons were learned in my youth. I never got anger the better of me in dealing with my children. Children daw? Daughters pala to be exact!

Last week PRID/HOF Raffy had some foreign Rotarians in his table who are big shots in their respective countries. The likeable PP Geoffrey Little from RC Sydney was in his table but he was not given a chance or sing his many Tagalog songs. The PP from Shanghai has better things to offer.

Rtn Ping, our construction bigwig brought his architect for the polyclinic PRID Raffy is donating. This will be a permanent one that will benefit some Rotarians too. I understand adult circumcision will be offered for free. You can select your nurses who will assist but a maximum of two. The nurses? No, two times to attempt to slice. If both will miss, you go to the ER of Rizal Medical Center.

PP Bert kidded that PP Celso looked with fear in his eyes looking at spouse Enya. The love birds who celebrated their 55th wedding anniversary earlier had not fear but love in their stares. Celso gave up his priesthood for a spiritually wedded life. Congratulations Celso and Enya!

Jennifer Jones
President 2022-23
March 2023

As we planned for this Rotary year, I could have never "imagined" the breadth of stories we would encounter nor the scope of the people we would meet.

I find oxygen in sharing time with our members — hearing their truths and learning about their personal journeys and their deepest desires for goodness.

And so it was that I encountered two very different men with very similar stories.

One-hundred-year-old Genshitsu Sen is a remarkable human being and a joyful soul. We greeted each other in Kyoto, during my trip to Japan in November, with a hug and an instant connection.

Not only is Sen a former grand master of the Urasenke tea tradition but he is also an active member of the Rotary Club of Kyoto, where he has served as club president. He assisted in the charter of the Rotary Club of Kyoto-South. And he has also served as governor of District 2650 and held leadership roles in Rotary International and The Rotary Foundation.

During that same week, I had the great pleasure to record a birthday video for a 100-year-old World War II naval hero who is an exemplary leader and who served two terms as governor of District 5810 in Texas.

Walking the Avenues

PP Jun C. Zafra

Continuation 1.

Both men are decorated World War II heroes in their respective countries and share unthinkable history. And although they served on opposing sides of the war, their stories are remarkably similar — and they are both honorable men who chose Rotary to carry on lives of peacemaking.

I have been reflecting so much lately that we are all on this planet simply trying to do our best, and we are much more similar than we are different.

I feel incredibly fortunate to share in these stories and to meet such incredible people.

A TRIBUTE TO WOMEN

“God sent His Son, born of a woman...” – Galatians 4:4

It is deeply embedded in our Philippine culture that a mother is the light of our homes. She gives light by giving love and guidance to everyone in the family. In society, in general, women are considered to be its backbone for delivering multiple roles with so much grace.

Women are created to be nurturers and life-givers. And in order to give life, they are constantly building themselves, redefining and trying to find their deepest self, their essence. But we cannot deny that we still have a long way to go in talking about equality because even in our daily living, we are mostly unaware that we put on “gender eyeglasses” and begin to see the world from a man’s perspective. The mistreatment and discrimination, for instance, suffered by women boils down to one reason: because they are women. The differences in wages between men and women is also prevalent even in our times.

Last March 8 the world celebrated International Women’s Day, but I believe we should celebrate each day as women’s day. We owe our lives to our mothers. These great women, though imperfect as they are, dedicated their lives to our guidance and growth. We give honor to all women who live faithfully and joyfully in the very hearts of our homes, of our communities, and of our parishes for without them, these entities fall apart.

Wheat not Weeds

By: Rtn. Fr. Vincent Amores

Continuation 1.

I wish that we could see the world from a woman's viewpoint and, like them, take care of the way we speak without falling into topics of simple mockery, promote justice in our environment, work side by side, men and women, and establish the bases of true equality. These attitudes are vital if we have to create a peaceful and humane society.

Jesus Christ, in his time, in his culture, in a context in which women were counted as nothing, approached them, took care of them and denounced those who mistreated them. He gave them back their dignity, that of being women. Now this task is in our hands. It is now our responsibility to follow the path Jesus had trod which, without a doubt, will help us build the Kingdom.

Let us look at the world, even for a moment, through the eyes of women. Perhaps this look will surprise us more than we ourselves expect.
