Song of the Day

PASIG ROTARIANS

(Tune: Dancing Queen)

Woo, woo, woo, woo, woo, woo, woo, woo, woo

You can see, you can feel

Having the time of our life

Oh see us now, watch us now

Pasig Rotarians

Thursday noon and we're on the go

Meeting in a place you know

Breaking bread with one another

Getting in the swing

We come to meet with friends

Pasig Rotarians we all are

Young and old, wise and otherwise

With a sense of service

Everything we do

for the community

And when we get the chance

Pasig Rotarians

Young and old, since seventy one

Pasig Rotarians serves the need

of the community

You can see, you can feel

Having the time of our life

Oh see us now, watch us now

Song of the Day

Pasig Rotarians
We're Rotarians, we're on the go
Looking for opportunities
Where we can serve our brothers
Looking beyond ourselves
We're in the search to serve
And when we get the chance
Pasig Rotarians
Young and old, since seventy one
Pasig Rotarians serves the need
of the community

You can see, you can feel
Having the time of our life
Oh see us now, watch us now
Pasig Rotarians, Pasig Rotarians

Pres. Adolf Aran

“We judge ourselves by our intention; we judge others by their behavior.” - unknown author

As we present our plans and programs to our District Governor Pope Solis and his team today, let's reflect on our commitment to serve above self, amid a backdrop of fellowship.

The first 2 months are filled with such manifestations, with 9 service projects, 7 club meetings, 1 Zone 6 club assembly, 1 District 3800 golf tournament, 1 LUXID Rotary Microfinance and Credit Cooperative and its 340 members, 1 Ilugin Community Center operational for the almost 20 years, and priceless moments with the community that we serve.

There's more work to be done. Let's continue to create hope in the world.

Mabuhay ang Rotary Club of Pasig!

Rotary Notes

PP Benny P. De Guzman

Today is a significant day. This is the first day of the Ber months. It is a first Friday and the one first Friday ever that a Governor's visit is given to a Thursday club like ours since our very start. We are a club with more than 200 members who joined us and the highest membership we ever had was 102 members. More than 84 have since died, mostly when they were still members and a few after their return of classification.

We must be one of the better clubs in the district from all areas of consideration but to reset an important meeting out of our regular meeting day and a week only after the announcement is certainly not nice.

Thanks to PP Peter who inquired if we have a dress code for the meeting. May our Edgar be able to catch up with his text to remind us of wearing our polo barong for today.

Congratulations to the eight Pasig Rotarians who were at last Sunday's giving of school items to the school children of Baras Pinugay Elementary School in partnership with Rotary Club of Baras. It was a tremendous sacrifice meeting at 6:00 am on a Sunday. PP John and his team must be congratulated and those sitting besides them today must be fined.

I texted super Rotarian Chony for my birthday greetings yesterday. Many greeted him in our Noble Men of RC Pasig viber group. Why super? Every year, Chony solely on his own is hosting the Pasig Outstanding Policemen Awards. From our club's participation in screening and his monetary awards to the

awarding ceremony he is hosting. Physically, Chony has difficulty moving around but remains SUPER. Another SUPER but now in great pain is PP Peping. In his mid-ninety, Peping has been in his care giver attended wheel chair for over a year already but he is regular in his weekly attendance. Lately, we haven't seen him. Why? Two weeks ago he had a knee operation and it was truly hurting. If our meeting was yesterday, he was sure not to attend. Today, he has a more than 70% chance to attend. Even in pain as he wants to be part of a Governor's visit. Peping is one of the remaining 3 charter members of our club and the most consistent of the three in attending meetings.. PP Arjan is next while PP Esto always attends via zoom.

Last week, only runner up HOF/PP Conrad was in attendance among the golf tournament winners. Rtn Ben, the over all Class A Champion was out and so was PP Rel.

Last month was Rotary's Membership and Extension Month. Only PP Jun, Rtn Kap Richie and Rtn Dante have sponsored the last two months.

Before, we used to see every now and then Rtn Henry Claraval. But now. I seen him only in FB with beautiful patients, before and after. Kaya pala beautiful before and after, hindi pala facial nirepair niya but the hidden part below?

Out unusual Pasig Rotarian Raj, a PNP awardee has two masteral degrees, a PhD and now taking up law. Ano ba yan? Mahilig magbarka sa colegialas?

Ber month na, may bagyo pa!

PRESIDENTIAL MESSAGE

R. Gordon R. McNally
President 2023-24
August 2023

At the 2023 Rotary International Convention in Melbourne, I asked all Rotary members to become champions in our effort to illuminate mental health needs near and far. This includes helping one another feel more supported, advocating for mental health services, and building bridges with experts in the field to expand access to treatment.

It's an important task and a big ask. But it's also something that should feel familiar to every Rotary member — because everything we do is in the spirit of caring, giving, friendship, and compassion, and has been from the beginning of our organization.

We've grown into an amazing global network of 1.4 million interconnected community leaders — leaders who share a deep commitment to doing good in the world. But what makes Rotary powerful isn't just what we do for the communities we serve. We also support and empower each other, by creating a safe space for our members to bring their whole, authentic selves. We show each other comfort and care.

Walking the Avenues

PP Jun C. Zafra

Continuation 1.

These connections are deeply meaningful. The U.S. surgeon general recently declared loneliness a public health epidemic. Dr. Vivek Murthy said, “We must prioritize building social connection the same way we have prioritized other critical public health issues such as tobacco, obesity, and substance use disorders.” I am proud of what Rotary has done across generations to build those kinds of social connections — and this magazine focused on loneliness and what Rotary can do about it in its January 2023 issue.

Our worldwide community and our foundational value prioritizing Service Above Self makes Rotary a powerful global advocate for mental health. A recently published study by Ohio State University found performing acts of kindness was the only one of three mental health interventions tested that helped people feel more connected to others. Study co-author David Cregg said, “Performing acts of kindness seems to be one of the best ways to promote those connections.”

This research suggests what we’ve known all along — that doing good helps transform not just the communities we serve, but it also transforms us. As we put a greater focus on mental health, let’s not think of this effort as something new to Rotary, but rather as something we can do better and as a result have a greater impact on ourselves and the people we serve.

We are not starting this effort from scratch. The Rotary Action Group on Mental Health Initiatives has been focused on these kinds of issues for several years — and we will be looking to

members of that group for leadership as we continue to build awareness.

Mental health care fits comfortably within several of our areas of focus. As of May, there are 41 global grant-supported projects with a mental health focus. Many of them have tremendous promise, and we will be highlighting them in the months ahead.

So let's work together to erase the stigma associated with emotional well-being, raise awareness of mental health needs, and improve access to preventive and interventional mental health services.

Together, we will Create Hope in the World.

Our Guest Speaker

RONALD “Pope” SOLIS
District Governor 3800
RY 2023 - 2024

District Governor Ronald “Pope” O. Solis. In his more than 20 years as a Rotarian, he has been voted many times as Rotarian of the Year of RC Marikina West, that his Club had to elevate him to become a Hall of Famer to give way to other deserving club members. He had served the district in various key positions, he became district secretary for operations, Chair of the District Training Assembly (DISTAS) twice, DRM Chair, and he also chaired the one of the most successful Oktoberfest in our District.

As a lawyer he co- founded his now established law firm the SOLIS MEDINA FAJARDO and MALILONG LAW with offices in Tektite Towers, Ortigas Center, which is engaged in several aspects of the legal practice. In his early years of practice, our Governor did a lot of trial work. However, in 2004, at a young age of 44 years old, he was appointed by Pres. Gloria Macapagal-Arroyo as Commissioner or Head of the National Telecommunications Commission (NTC), the country's regulator for telecoms and broadcast. Our Governor is a proud product of the public schools. He considers as one of his endearing achievements is his becoming the President of the

MSAT High School Class of 1977, who led to organize a scholarship program for the best and the brightest students of the Marikina Science HS.

Our Governor is happily married to the beautiful and talented Victoria Baterina Solis or Spouse Tita Vcky, who hails from Baguio City, and who herself is a successful entrepreneur with many philanthropic causes. They have 3 children, who are now all professionals, namely, Jesse Pauline or Jesse, a lawyer who finished her undergrad in UP and pursued her law studies in Dela Salle. Jose Miguel or Mijo, also a lawyer who graduated from UPLaw just like his dad and is married to Maxine Abigale, and Jillian Samantha or Sam, who a licensed Electronics Engineer who finished BSECE also in UP, where she now pursues a masteral degree in data science. With all his achievements in life, our Governor will not hesitate to say to anyone who asks that his greatest accomplishments in life are having seen Jesse and Mijo passed the bar on the same year and knowing that Sam is now surely on her way to develop competitive edge in the niche field of data science and analytics. By the way, Jesse and Sam and Abbi are charter members of the RC San Juan Supreme.

Jesus as Our Model

And he gave some as apostles, others as prophets, others as evangelists, others as pastors and teachers, to equip the holy ones for the work of ministry, for building up the body of Christ. (Ephesians 4:11-12)

One of the things that I admire in Rotary Club Pasig is the diversity of its members. There are doctors, engineers, lawyers, businessmen, police officers, priests, and others. Yet they are all united with the desire to serve the less fortunate above oneself. And that's one reason why I chose to remain as a Rotarian member. It is like what St. Paul said in his Letter to the Ephesians. We may come from different families or graduated from different schools. But, as long as we share our talents and skills and pool our resources together, then unity among us, Rotarians, is something very doable to achieve.

Let our motto "Service Above Self" be our unifying battle cry as a Rotary Club of Pasig
