Heavenly Father,

May you increase in us, the faith you have given us, make us even more passionate in serving the poor in our midst, and bring to a harvest worthy of heaven the praise we offer you at the beginning of this new day. Song of the Day

DAHIL SAYO

Sa buhay ko'y labis
Ang hirap at pasakit
Ng pusong umiibig
Mandi'y wala ng langit
At ng lumigaya
Hinango mo sa dusa
Tanging ikaw sinta
Ang aking pag-asa

Dahil sa `yo nais kong mabuhay
Dahil sa `yo hanggang mamatay
Dapat mong tantuin
Wala ng ibang giliw
Puso ko'y tanungin
Ikaw at ikaw rin

Dahil sa `yo ako'y lumigaya
Pagmamahal ay alayan ka
Kung tunay man ako
Ay alipinin mo
Ang lahat ng ito'y
Dahil sa `yo

Kung tunay man ako
Ay alipinin mo
Ang lahat sa buhay ko'y
Dahil sa `yo

Corinthians Chapter 13 reminds us:

“Love is patient and kind; love does not envy or boast; it is not arrogant or rude. It does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrongdoing, but rejoices with the truth. Love bears all things, believes all things, hopes all things, endures all things.

Love never ends.

So now faith, hope, and love abide, these three; but the greatest of these is love.”

Because it's Love Month, we start the month of February with love of parents for our children, through sports. Have we played with our children when they were still young? Or until they are grownup? Do we set aside time to play board games or even video games, amidst our busy schedules? Today, we listen to Coach Ana Dulce Yango from CHED to talk about “Optimizing Sports as an Effective Parenting Tool”.

Let's spread the love, RC Pasig, this month and beyond. And let's continue to create hope in the world!

Rotary Notes

PP Benny P. De Guzman

We start our Love Month today and PP Peter had a nice suggestion for a post-Valentine meeting with our spouses on the Thursday after Valentine's Day. The bad attendance of the spouses last anniversary celebration is due to our not giving a role to ARAP, our very good partners in service.

What is this I heard that our very supportive Rtn Chony has a stem cell preferred outlet? Tell me, what is there to rejuvenate? Is it that good? Kasi medyo mahal? Mas mura cell phone.

A very good open forum was last week's. All PPs and one PNY asked very nice questions and provided added info for our members. PPs Peter, Vic Lim and Henry gave good points that even added to the info of the speakers. First time he learned of a good supply of silica from Negros island. And who is PNY? Know him better – Jake Oh? About rains in Baguio.

Who says Rtn Bien is only for nice body and big muscles? He celebrated his firms' first anniversary as the Multi-Level Direct Marketing with a bang at One Shangri-La. With a bang and big bank deposits to bolster.

What is this that very active baby Rotarian Aris was on zoom? He had a major operation and he was sidelined. I cannot understand kung ano ang sinundot or ang kanyang pangsundot ay involved. But he is on the road to recovery na. Thank God!

Without interrupting his sales force, Rtn Bien can tap our Edgar

and make him earn on the side by selling to members at special prices. I understand important house cleaning agents are his major items.

Are we participating in the Paeng Hechanova's Youth Awards? Our Rotaract can be tapped as they finished the first half of the Rotary Year without much zonal activities. Or did we participate already?

I was looking at our members who have gone after our 53rd Anniversary and it saddened me to note that there are 92 members who have gone ahead. In a hurry? No, as many have gone normally. Except for two who had freak accidents and the post accident trauma not duly addressed. Two by gunshots, hard to stop. Now, may the Stem Cell Therapy of Rtn Chony may be a way? Let him be a speaker in our meeting. My BP again is bothering me but writing a short article is not really that bad. Stay well everybody!

RI PRESIDENT-ELECT ANNOUNCES 2024-25 PRESIDENTIAL THEME

Rotary International President-elect Stephanie Urchick announced that the 2024-25 presidential theme is The Magic of Rotary and called on members to recognize and amplify the organization's power to save lives.

“Don’t misunderstand me – we are not going to end polio or bring peace to the world by waving a wand and saying some funny words,” Urchick told incoming district governors at the Rotary International Assembly on 8 January. “It’s up to you. You create the magic with every project completed, every dollar donated, and every new member.”

Urchick, a member of the Rotary Club of McMurray, Pennsylvania, USA, said she saw the magic of Rotary on display when she was helping install water filters in the Dominican Republic. Two boys were watching as dirty water entered the filter, then ran out clean at the other end.

“One of the boys grabbed my sleeve and said, ‘Show me the magic again,’” she said. “Obviously, the water filter wasn’t magic. We worked hard to transport those filters, install them, and work with community leaders in the area to maintain them. But those boys knew that easy access to clean water would change their lives. Knowing that I played a small part in that certainly changed my life.”

Continuation 1.

Prioritizing peace

Urchick urged members to champion Rotary's Action Plan, find a balance between continuity and change, and work for peace. She plans to host a presidential peace conference in 2025 with the theme "Healing in a Divided World."

Rotary has a long history of promoting peace through its network of peace centers, Urchick noted. Located at top universities around the globe, the centers have trained nearly 1,800 peace fellows who are now working in more than 140 countries. The newest center, located at Bahçeşehir University in Istanbul, Turkey, will welcome its first class of fellows in early 2025.

"The Rotary Peace Fellowship began more than 20 years ago to equip peace and development professionals from communities around the world to become effective catalysts for ending and preventing conflict," Urchick said. "This conference will focus on Rotary's peace efforts and provide opportunities to learn together."

In addition to emphasizing peacebuilding, Urchick reiterated Rotary's commitment to eradicating polio. She urged the incoming governors to join or initiate PolioPlus Societies in their districts and do all they can to help end the disease.

"Contact elected officials and other government leaders. Remind them that polio is still a threat. Push them to support polio eradication," she said. "Polio remains our top priority and requires our fullest commitment, but there is so much important work to do."

Continuation 2.

Balancing continuity and change

Urchick also underscored the necessity of balancing continuity and change, both of which animate Rotary's Action Plan.

"The plan is all about building on our best ideas, not abandoning them," she said. "We face a tough balancing act. We must change ourselves and stay true to who we are."

She asked the governors to do whatever is needed to make the club experience irresistible to members.

"That might mean changing how things are done in your district," she said. "If your district has been doing things one way for 50 years, it's probably time to reassess. If a club in your district isn't active or is losing members, maybe it's time to start a new club that fits better with the community. Just because a club or district hasn't changed in a while doesn't mean no one is hungry for change."

One way to make positive change, she said, is to embrace the principles of diversity, equity, and inclusion within clubs.

"I hope you'll join me in opening your arms to future people of action, even if – and in some cases, especially if – they don't look or act like the typical member of your local club," she said.

"With DEI, it is easier to be united in a common purpose. It's in those moments when we are committed and focused that we are the most effective and relevant."

Love According to God

In a few weeks time, we will celebrate Valentine's Day with our boyfriends and girlfriends, or with our spouses. We are now even, by then, planning where to go and eat with our beloved on February 14. Yes, love can be popularly defined in a romantic, exclusive and intimate way between a man and a woman, or a boy and girl. What is really LOVE?

Love according to God through Paul the Apostle means like this (1 Corinthians 13:4-13):

Love is patient and kind; love does not envy or boast; it is not arrogant or rude. It does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrongdoing, but rejoices with the truth. Love bears all things, believes all things, hopes all things, endures all things.

Love never ends. As for prophecies, they will pass away; as for tongues, they will cease; as for knowledge, it will pass away. For we know in part and we prophesy in part, but when the perfect comes, the partial will pass away. When I was a child, I spoke like a child, I thought like a child, I reasoned like a child. When I became a man, I gave up childish ways. For now we see in a mirror dimly, but then face to face. Now I know in part; then I shall know fully, even as I have been fully known.

So now faith, hope, and love abide, these three; but the greatest of these is LOVE.

In short, let's love others like God because God loves everyone no matter who they are without expecting anything in return.
