Invocation

God our Father, hear our prayer and let the radiance of your love scatter the gloom of our hearts. The light of heaven's love has restored us to life: free us from the desires that belong to darkness. We ask this through our Lord Jesus Christ, your Son, who lives and reigns with you and the Holy Spirit, God, for ever and ever.
— Amen.

From: Rtn. Fr. Kell Ortega

THE FOUR-WAY TEST

of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- Fourth** : The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Song of the Day

MY ROTARY DAY

(Adapted from "Beautiful Sunday")

Thursday morning, I'm up and about
I think I'll take a walk in the park
Hey, hey, hey, it's a wonderful day

I've got someone waiting for me
When I see him I know that he'll say
Hey, hey, hey, it's our Rotary day

Hi, hi, hi, wonderful Thursday
This is my, my, my, Rotary day
When you say, say, say, say that you'll meet me
Oh, hey, hey, hey it's our Rotary day

Birds are singing, you by my side
Let's take a car and go for a ride
Hey, hey, hey, it's our Rotary day
We'll drive on and follow the sun
Makin' Thursday go on and on
Hey, hey, hey, it's our Rotary day

Hi, hi, hi, wonderful Thursday
This is my, my, my, Rotary day
When you say, say, say, say that you'll meet me
Oh, hey, hey, hey it's our Rotary day

Hi, hi, hi, wonderful Thursday
This is my, my, my, Rotary day
When you say, say, say, say that you'll meet me
Oh, hey, hey, hey it's our Rotary day

The Magic of Temporary Power & of Will Powers

Dear Fellow Pasig Rotarians,

As I step into the role of the Magic of Rotary President of our club, I am filled with a profound sense of anticipation and excitement. Buying into RI president Stephanie Urchick's theme, The Magic of Rotary, I would liken the journey ahead to a grand magic show, where the true enchantment lies not in the illusions but in the collaboration and unity of your new board and the whole club.

Magic, as we all know, is not about pulling rabbits out of hats. It's about people working together towards a common goal, giving each other respect and the benefit of the doubt. It's about turning challenges into opportunities and creating something extraordinary out of the ordinary.

During our recent strategic planning session, we faced a significant challenge – a power outage. Our venue, nestled in the hills of Tanay, was supposed to be a cool respite from the heat of Manila. However, we arrived to find that there was no power. Initially, this seemed like a major setback, but then came an LPG Powered Genset – our magic.

Despite the nervousness and doubt at the start, we pressed on. As the day was ending and night was falling, we received a call informing us that there was no confirmation from the power company about the restoration of electricity. We had the option to go home, but when we put it to a vote, the board decided to stay on and complete our planning.

From the President

Pres. Bernard Dy

Continuation 1.

This decision to stay, to work through the discomfort, and to get the job done demonstrated the true spirit of our team. It was at that moment that any doubts I had about this board — vanished. I saw a group of dedicated individuals who were committed to our goals and to each other. Not a few times would shouts of “Focus - Focus”, complete with thumps of fists on the table, be heard. And of course, as the day’s work was done, the final and a very typical Rotary Club of Pasig magic was witnessed, as bottles upon bottles magically and speedily became empty.

This year’s strategic planning has set the stage for what I am confident will be a year filled with magic. We have laid out ambitious plans and innovative strategies to drive our club forward. Our collective dedication and resolve will be the generator that powers us through any challenges we face.

Together, we will create magic. Together, we will achieve great things.

Yours in Rotary,

Bernard “Dody” Dy
President, Rotary Club of Pasig (2024-2025)

Rotary Notes

PP Benny P. De Guzman

We have had a very good year with IPP Adolf excelling in all fronts. Even the week of his last days were filled with activities. PP Ner had his Malvar post birthday celebration and the very next day, even on a Sunday, was a major activity, Oplan Bukol and Oplan Tuli. Rtn John Henry brought his team but HOF/PP Jess assisted as well. Rtn Doc Ato could not assist as he is committed to lady patients only. Birthday celebrant Rtn JS with many new Rotarians were also there. Food and bottled water were aplenty with a heavy lunch of Popeye's chicken.

The last night, the glorious 27th was loaded with hidden talents, some of whom in all fairness should remain hidden. But for showmanship, like Doc Ato, all must be called winners.

Today marks a new kind of leadership. Pres. Dodie before his formal induction will lead us in the usual Club Assembly to determine the path he and his Board will lead this Rotary year. Magic? Magic of Rotary? You don't need to be a magician in the Rotary Club of Pasig, just lead and some will follow.

PP and Sec John Peter announced that 5 of our members were dropped from the membership role. That should make us 93 members with a batting average of less than 30 in attendance per regular meetings. Give leeways to Rtns Chony and Nesty we can clearly show you how miserable the Pangkat System operated. Number one in the Club Assembly is attendance in regular meetings. Of the five dropped, Rtn Dekdek was a regular in our Thursday meetings.

Rotary Notes

PP Benny P. De Guzman

Continuation 1.

I was following up on Edgar about Rtn Richie with no updates up to press time. PP Ogie just had a fair warning with an early warning device that if he will not take it easy, it may not be as easy next time. He is on the road to recovery. See PP Vic Lim as he was given the severe warning too that the next time may be worse. Ingat. Not only to those prone but to all.

It was nice to see Rtn Nesty at the last meeting. It was fun, Good food, good booze and plenty of talents and those who thought the've got it. Thought lang naman.

This RY, we should have a good separate event for the super elderlies. PP Totoy will turn 98 this September and CM/PP Peping will have his 96th this October. Very commendable even with his reliable wheel chair, Peping is so regular in attendance. Riding his van and getting in and off is a hassle. But he call of fellowship is stronger. Sanay na siya but sana this 96th hindi sa farm ang celebration.

SECOND WOMAN TAKES OFFICE AS PRESIDENT OF ROTARY INTERNATIONAL

One-year term will prioritize adapting to changing times and advancing peace

EVANSTON, Ill., USA – 25 June 2024 — Stephanie Urchick, member of the Rotary Club of McMurray, PA, will become the second woman to take office as president of Rotary International on 1 July 2024. During her one-year term, Urchick will lead the 119-year-old membership service organization in adapting for future success as Rotary’s 1.4 million members around the world develop and implement sustainable, community-driven projects that fight disease, promote peace, provide clean water, support education, save mothers and children, grow local economies, and protect the environment. More than US\$5.5 billion has been awarded through The Rotary Foundation—Rotary’s charitable arm that helps clubs work together to perform meaningful, impactful service—to support these initiatives over the last 100 years.

In order to ensure that Rotary membership is a compelling option for those who have a heart for service and fellowship, Urchick is urging clubs to assess their strengths and areas for improvement while also encouraging them to embrace different meeting formats and membership styles as they work to mirror the communities in which they exist in terms of gender, age, culture, socioeconomic status, and more.

PP Jun C. Zafra

Continuation 1.

“Embracing different viewpoints and creating peaceful, welcoming, and inclusive societies is at the heart of Rotary’s work,” said Urchick. “As president, I will work with clubs to prioritize advancing peace by helping to create the conditions for stable and resilient societies in which people can thrive.”

As one of the world’s largest membership service organizations, Rotary has made peacebuilding the cornerstone of its global mission. From carrying out service projects to supporting future leaders through youth programs and scholarships, Rotary is taking action to address the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources.

Through academic training, practice and global networking, Rotary is helping professionals become effective catalysts for peace. Rotary partners with leading universities around the world to host Rotary Peace Centers that empower, educate, and increase the capacity of peacebuilders. Each year, Rotary awards 50 fully funded fellowships for master’s degrees and up to 80 fully funded fellowships for certificate studies to dedicated peace and development leaders from communities around the world.

Since 2002, the peace centers program has prepared more than 1,800 peace fellows working in more than 140 countries to create a more peaceful world.

To build on this momentum, Urchick will host a peace conference at the launch of Rotary’s newest Peace Center in

partnership with Bahçeşehir University, in Istanbul, Turkey in February 2025.

As president, Urchick will also oversee Rotary's top goal of eradicating polio. Alongside its Global Polio Eradication Initiative partners, Rotary has achieved a 99.9% reduction in polio cases, and contributed more than US\$2.7 billion and countless volunteer hours to protect 3 billion children from this paralyzing disease.

About Stephanie Urchick Urchick holds a doctorate in leadership studies from Indiana University of Pennsylvania. A Rotary member since 1991, Stephanie has served Rotary in many roles and capacities. Her service includes building a primary school in Vietnam; installing water filters in the Dominican Republic; mentoring new Rotary members in Ukraine; coordinating a Rotary Foundation grant project in Poland; and leading efforts to formulate and adopt Rotary's Action Plan, a strategic road map that will help bring even more people together to create lasting and positive change in an evolving world.

About Rotary Rotary unites a global network of volunteer leaders dedicated to tackling the world's most pressing humanitarian challenges and creating lasting change. Rotary connects 1.4 million people of action from more than 46,000 Rotary clubs in almost every country in the world. Their service improves lives both locally and internationally, from helping those in need in their own communities to working toward a polio-free world. Wheat not Weeds

By: Rtn. Fr. Kell Ortega

Someone Greater than A Storm

Humans as we are, we have faced (and may be facing still) a lot of issues, problems, and crises in our lives. Some or most of us have already experienced defeat and loss. But do we have to let ourselves hit rock bottom?

According to Matthew 8:23-27, Our Lord Jesus Christ calmed the storm that almost capsized the boat he and his disciples were riding. By His words He was able to do so, but He was disappointed at His disciples for their lack of faith in Him. Nevertheless, I believe He gave them a message that there's always Someone greater than a violent storm and that is God.

God is truly almighty. If He was able to calm a violent storm, He can also save us from problems, issues, and crises that heavily trouble us. We only need a quiet time and place to pause, kneel and pray with all hearts that God will truly listen to our prayers. And when we pray, we must believe with all our hearts that He will truly calm all our storms in our lives. But we ask ourselves with this: when was the last time we fell yet prayed to God with hope in our hearts?
