## Song of the Day

### **NOW WE'RE TOGETHER**

*(Melody: Getting to Know You from King and I)*

We're Pasig Rotarians  
Happy to know we're here together  
Working together  
Creating Hope in the World  
Happy to know that  
Doing it our way but nicely  
Service Above Self's our cup of tea  
We're Pasig Rotarians  
Happy to know we're here together  
Being together  
We get to share how we'll serve  
Haven't you noticed  
We all feel nice and cheerful  
Because of all the wonderful and good  
Things we all do together  
For those in need

*(Lyrics adaptation by HOF/PP Peter)*

## From the President

**Pres. Adolf Aran**

In celebration of International Women's Month, our second speaker is District 3800 District Governor Nominee Gind Sanchez. She will talk about the Four Strategic Priorities and The Rotary Foundation.

Our commemorative coffee table book is underway, with the help of Rotarian Amado Bengua and his creative team. Please support our fundraising efforts to make this milestone project a reality. And please make yourselves available during the photo shoot and interview when it's scheduled. Edgar will distribute the letters on how you can help.

Our Alapabasa project is also ongoing. Our first day of this reading program commenced last Saturday, where trainers conducted workshops for various grade school teachers. Rotarians Vice Mayor Dodot Jaworski and Councilor Simon Tantoco graced the occasion. The second day happens this Saturday in the same venue. Please join us during the closing ceremony at 4pm.

On the same day, at Pineda Elementary School, our wash station was "belatedly" inaugurated. Thank you to Service Director Tet Mallare, Rotarians Flor De Pano and Bien Sibug for your "fineable" moment.

Speaking of wash station, RC Pasig West is spearheading a zone wide activity called OPLAN Katutubig, a service project

to help the “katutubo” by installing a water pump in Dinalupihan, Bataan. Groundbreaking and launch ceremony will happen on April 6, Saturday. Please join and support our zone 6 clubs in making this happen.

There’s so much to do, yet so little time. Our Hope Creating Rotary Year is about to end in 3 months.

Mabuhay ang Rotary Club of Pasig!

## Rotary Notes

**PP Benny P. De Guzman**

We truly have a nice community project in ALPABASA which was conducted successfully at Pineda Elementary School in Barrio Pineda. Our two public servants in the City complemented by our energetic Congressman gave their support for this laudable project. The same will have a good follow through this Saturday. The wash basis & drinking water station project by Dir Tet and Rtn Flor, is this new or rehabilitated? Anyway, congratulations to all who participated last Saturday.

Pineda is especially nostalgic a place for me as when I got married, our first house was in Barrio Kapitolyo, the next barrio. After eleven years, I upgraded in the same barrio when we bought the house of our PP Bert Tayengco who went to Valle Verde 1. Why the narration? The house of Bert was in Kapitolyo but side and part of Pineda. There my club secretary when I was president of this club, the late Mayor Mario Raymundo built for me my banana catsup factory, My socio-civic project that provided jobs for some in Pineda. Self serving but touching at least for me.

When IPP Bong honored the grandfather of Rtn Cong Roman, the late great Carlos P. Romulo, about being a true Filipino, he was extolling a granduncle too. When PP/Sec John told me that the late Ambassador Tantoco is a granduncle of our member, Rtn Konsi Simon, being the prominent Tantoco, the grandfather of Konsi is not even a first cousin of the Rustan founder but his grandfather, the late Dr. Mon Tantoco is a great family as well Or was pala?

## **Rotary Notes**

**PP Benny P. De Guzman**

### *Continuation 1.*

We congratulate PRID/HOF Raffy for the great stride in sports of all his grandsons in USA and in Spain. Raffy was a great athlete too and when he was golfing, he was a very low handicapper. Raffy was a late bloomer in our club. After our two charter members PPs Peping and Arjan, Raffy is the most senior in years. He was not active in our club activities but from out of the blues, he was elected president-nominee. His first reaction was to return his classification but the more senior members talked him out of it and we produced the best, in Rotary matters in our district. Not only as a PRID but as an Arch Klumph Society major donor and with son PP Ramy and son-in-law PP Nick also being members. Raffy promised to upgrade our Medical Center baka after his chopper, an ambulance may soon be coming for the clinic which will be modernized farther? May a la Raffy ka na.

As we welcome our DGN Gina Sanchez, the third lady to grace our District as governor, may we show how our Republic of Pasig is faring? We are targetting 100 members once again but if our attendance level is below 50%, strengthen our base first.

Our balut king has been out for so long. Our number one beauty surgeon, sa FB ko na lang nakikita. We have PPs that forgot we assisted in their terms. Pakita naman kayo!

### **ROTARY HONORS A TIRELESS ADVOCATE FOR WOMEN AND GIRLS**

The 2024 Sylvia Whitlock Leadership Award recipient promotes women's health and empowerment

The 2024 recipient of Rotary International's Sylvia Whitlock Leadership Award is a successful entrepreneur, a Rotary member of 20 years, and a tireless advocate for women and girls. Manjoo Phadke, of the Rotary Club of Pune Deccan Gymkhana, Maharashtra, India, has helped more than 100,000 girls and women through her many projects.

"I've always felt that women think of themselves as 'lesser,'" she says. "I want to keep giving them confidence that they are not 'lesser,' and they can do whatever they set their minds to."

Phadke's Rotary colleagues praise her initiative and dedication. "Manjoo's professional and social accomplishments, positive attitude, and passion have set her apart as an influential leader and catalyst for change," says Shailesh Narayan Palekar, the district Rotary Foundation chair for District 3131, who nominated Phadke for the award. "She is a lady who is very, very determined to work for young girls and women, and that is something that makes her exceptional."

Phadke has pursued numerous initiatives to support women's health, including organizing clinics to offer medical checkups and mammograms and leading campaigns to promote menstrual hygiene.

*Continuation 1.*

“Unfortunately, in India, women have this tendency of neglecting themselves,” she says. “For example, if there is one liter of milk, women think it should be given to the men or the boys. We have to make them understand that if the woman of the house is healthy, the entire house can be healthy.”

She has worked extensively to increase the rate of vaccination against human papillomaviruses (HPV), the cause of almost all cases of cervical cancer. Not only did she help to secure US\$800,000 in grants from The Rotary Foundation to pay for vaccinations, but she also negotiated their prices directly with vaccine suppliers. She ultimately helped secure savings of nearly two-thirds off the regular price per dose.

“The cost of two doses of the vaccine was ₹8,400 [about US\$100] in India at that time, which was very, very high,” Palekar says. “We wanted to do about 10 global grants to vaccinate 25,000 girls. So, she used all her negotiating skills with the vaccine companies and brought the rate down to ₹3,400 [about US\$40] — about 40% of the actual rate in the market.” The project ultimately met its target, vaccinating approximately 25,000 girls in rural and tribal areas.

Phadke also helped design and launch Project Asmita, a program that uses specially made videos and booklets to educate girls in life skills such as financial, digital, and legal literacy, as well as self-defense, nutrition, and menstrual health. The project, which also distributes free vitamins and sanitary napkins, has reached an estimated 100,000 girls and has become one of her district’s signature initiatives.

*Continuation 2.*

Designing the program was a natural step for Phadke, who runs a vocational education institute for lower-income students called SkillArbor. The institute takes a “learn while you earn” approach, connecting participants with employers on their first day in the program. As an entrepreneur herself, Phadke says, she has a special interest in helping women who want to run their own businesses. Her district recruited about 1,000 girls for a driver’s education program that enabled the participants to go into business as delivery drivers.

“We thought that if girls can be taught to drive, they can be employed as delivery girls for supply chain companies,” she says. “We also gave them some vans to ferry children to school.”

Phadke has conducted free workshops for women entrepreneurs for more than a decade, working closely with organizations that include the Maharashtra State Rural Livelihood Mission, the Utkarsh Welfare Foundation, and the Indira Group of Institutes. Her favorite success story was from a 17-year-old who started a business teaching other girls martial arts.

“She just started offering martial arts classes, and her business went on to become very successful,” Phadke says. “She told me, ‘I’ve now grown into a big business, and I’m earning a respectable amount of money, and everybody around me is amazed at that.’ It really touched my heart.”

She also helps women understand the legal system and their rights. For six years she served on the women’s safety

committee of the Pune police commissioner, advising 10-12 women per week on legal literacy, financial planning, and conflict resolution.

“She’s been a wonderful leader,” Palekar says. “People are very comfortable interacting with her and working with her.”

Phadke is governor of Rotary District 3131 and has served her club as president, Foundation chair, and membership chair. One of her favorite programs is Rotary Youth Leadership Awards (RYLA), which she has helped her district organize since she joined Rotary in 2003.

## **Our Guest Speaker**

***Ms. Gina T. Sanchez***

This fantastic record remained unbeaten until she was again appointed the Annual Program Fund Chair in RY2019-2020, during the Champion Year. She broke her own record and District 3800 broke all its existing TRF records on Annual Fund, Per Capita, Polio, among others where the total giving amounted to \$1,038,911, elevating District 3800 for the first time to the million dollar giving districts in the world.

In RY 2022-2023, during the Imaginative Amazing Treasures Year, she once again broke her own record and District 3800 broke all existing TRF records. Our district achieved the highest record of giving of \$1,229,055. This is the highest record of giving, to date, in the entire Philippines. During this year, our District also achieved the highest percentage of Rotarians giving to the Rotary Foundation, 86%.

DGN Gina is a dedicated Rotary International officer, having held the position of Assistant Regional Rotary Foundation Coordinator since RY 2021. She is a Major Donor Level 3 of the Rotary Foundation, member of the Bequest Society, Paul Harris Society and Polio Plus Society. She is a recipient of the Citation for Meritorious Service Award of The Rotary Foundation in RY 2016-2017 and Regional Service Award for a Polio Free World in RY 2019-2020. ## FASCINATING, YET TERRIFYING FACTS

- An average office desk has 400 times more bacteria than a toilet.
- There is a glacier called “blood falls” in Antarctica that regularly pours out red liquid, making it look like the ice is bleeding.
- Blue whale tongues can weigh as much as an elephant.
- Melting glaciers and icebergs make a distinctively eerie fizzing noise known as “berg seltzer”.
- The northern leopard frog consumes its prey through its eyes.
- Because the atmosphere doesn't scatter the light as much on the moon, shadows are nearly pitch black there.
- It would take 1.2 million mosquitoes each sucking at the same time to completely drain the human body of its blood.
- When threatened, some sea cucumbers will spit out their organs and use them as weapons. They are poisonous to predators.
- The average person will spend over five years of their life on social media. For comparison, you'll spend about three-and-a half years eating and drinking.

- Pakistani serial killer Javed Iqbal was sentenced to be cut into 100 pieces after being strangled in front of his victims' families and then burned in acid the same way he killed over 100 boys.
- In 2011, Anatoly Yurevych was arrested after 12 dolls were found in his apartment. Only they weren't regular dolls. They were recently deceased little girls that he dug up, dressed up and displayed.

## Becoming A God

What will you say if you found out that you CAN BE a god like Jesus? Well, at least not in an idolatrous way and not like the individual Greek/Roman gods and goddesses of mythology. In fact, even the Bible says it!

According to John 3:16, “For God so loved the world, that he gave his only begotten Son, that whoever believes in him should not perish, but have everlasting life.” As we all know, only a god or deity has everlasting or eternal life. But Our Lord Jesus said so! Yes, we can be not only like a god but also be gods and goddesses ONLY AND ONLY IF we are truly united with Jesus Christ. As St. Thomas Aquinas would put it, “The only-begotten Son of God, wanting to make us sharers in his divinity, assumed our nature, so that he, made man, might make men gods (*Catechism of the Catholic Church*, 460).” Jesus, as true God, became true Man so that we, as humans, can share in His divinity while He gained nothing from us. And why did He do this? He did not get anything from us in return? It’s simply because He loves us! Truly, He wanted to share His divinity or godhood with us so we can be united with Him. Thus, we can be gods or goddesses, i.e. share with His divinity IF AND ONLY IF we believe and accept Him as Our Lord, Saviour, and Brother and obey His teachings like praying well and attending Mass or services, helping the poor and the powerless, and being humble always.

So, let’s be gods and goddesses by uniting ourselves with Jesus.
