Lord, as we have elected our lawmakers and leaders two days ago, may You reveal to us in our everyday lives Your Most Holy Will, that nothing happens without Your Knowledge and that everything happens according to Your Great Plan. With it, may You increase our hope in you that You'll always be at our side no matter what happens. This we ask through Christ our Lord.

# Song of the Day

## A MILLION DREAMS

### **ROTARACTORS:**

I close my eyes and I can see  
A world that's waiting up for me  
That I call my own  
Through the dark, through the door  
Through where no one's been before  
But it feels like home

They can say, they can say  
it all sounds crazy  
They can say, they can say  
I've lost my mind  
I don't care, I don't care,  
so call me crazy  
We can live in a world that we design

### ***CHORUS: ROTARACTORS***

'Cause every night I lie in bed  
The brightest colors fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
A million dreams for the  
world we're gonna make

### ***Verse 2 ( ROTARACTORS)***

There's a house we can build  
Every room inside is filled  
With things from far away

# Song of the Day

*Continuation 1.*

The special things I compile  
Each one there to make you smile  
On a rainy day  
They can say, they can say it all sounds crazy  
They can say, they can say we've lost our minds  
I don't care, I don't care if they call us crazy  
Runaway to a world that we design

## ***Chorus: ROTARIANS***

Every night I lie in bed  
The brightest colors fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
Oh, a million dreams for the world we're gonna make

## ***ROTARACTORS***

However big, however small  
Let me be part of it all  
Share your dreams with me  
You may be right, you may be wrong  
But say that you'll bring me along  
To the world you see

## ***DUET (ALL)***

To the world I close my eyes to see  
I close my eyes to see

## **From the President**

**Pres. Bernard Dy**

Dear fellow Rotarians,

May is Youth Service Month in Rotary, a time to celebrate the promise, energy, and contributions of the youth in shaping a better world. Rotary's commitment to empowering the next generation remains strong through our scholarship programs, youth exchange initiatives, and service clubs like Interact and Rotaract.

This month, we also witnessed our nation's youth take center stage during the recent elections. We are proud that Gen Zs our youth made up 60% of the voting population. They showed maturity, discernment, and a clear desire for real change. The results, for the most, reflected intelligent voting. Candidates without meaningful track records especially those banking only on popularity were largely rejected.

In Pasig, we congratulate our fellow Rotarians Roman Romulo, Vico Sotto, Dodot Jaworski, and Simon Tantoco for gaining the people's trust once more. We also commend the Pasig voting public for continuing to choose good governance over money politics. In both Rotary and our nation, we feel hope. Real, tangible hope anchored on the 60% youth vote.

At our meeting today, we will break bread with the embodiment of that hope our graduating scholars and Rotaractors from Pamantasan ng Lungsod ng Pasig. We have supported them throughout their college journey, and today we share in their joy as they reach this important milestone. Let us take this

opportunity to hear their stories and perhaps extend our help further by connecting them to meaningful employment opportunities.

Today, we also turn our focus to the results of our Alpabasa program. With the latest survey by the World Bank showing that 9 out of 10 Filipino children aged 10 are unable to read and understand simple texts, this program becomes even more critical. Alpabasa is not just a literacy project it is an investment in our youth and the future of the country.

However, unlike other programs, Alpabasa still lacks a regular funding source. Our task at hand is to secure sustainable support, to continue the program and possibly elevate it to another RCP Legacy project. I appeal to all members and partners to help ensure that this vital initiative continues in the years to come.

Here in the Rotary Club of Pasig, we celebrate what it truly means to serve: to implement programs that impact lives, empower the youth, and build a future filled with hope.

Mabuhay ang RCP! I'm proud of all of us. Let us keep showing the world that in Rotary, we don't just imagine change we create it.

Yours in Service,

## Rotary Notes

**PP Benny P. De Guzman**

The heat wave is telling to many and even at home, the aircon must be on for most of the time. Bahala na Meralco bills but avoidance of more serious ill effects must be avoided. Even PRID Raffy is not spared from huge medical bills because of health related matters. As many of our health conditions are affected by hydration so ingat sa init exposure. The golfers must start earlier and end before 8:30 am, otherwise ingat.

Congratulations to our Pasig Rotarians who excelled in the last elections - Mayor Vico, VM Dodot, Konsi Simon and Cong Roman. They all had runaway victories. Unfortunately, Rotarian Bokap Richie lost.

The last election was very revealing in the Senate race as heavy TV advertisers and reelectionists Bong Revilla and Francis Tolentino lost. In Las Pinas, former Senator Cynthia Villar lost to a councilor. In my front, my son-in-law won his second term as Congressman and his son, as City Councilor. Okay na okay na yon.

I am glad to note that the invitation of our sister club in Hong Kong for their anniversary celebration and induction this June, there are at least 13 Rotarians and spouses so far from our club who will attend. PRID Raffy and Lady Minda will lead a prestigious group with Pres. Dodie, PE Roy, PPs Tito and Celso with their ladies supporting them.

Last week, our attendance was just over 20. We averaged weekly less than 30. What is happening to our club? Is the Pangkat system in dire need of overhaul or review of their

functions? Last week with very good and timely topics the meeting started very late and the open forum was waived. Dir Jake was noticeably late kaya tahimik ang start.

The unChristian comment of a good Christian candidate about single mothers to have a better time with him will certainly do him better good this time. He has more time to be with them especially he lost miserably, hindi lang landslide, may avalanche pang kasunod. As a good act, he went to confession and for penance, he was made by his wife to do the laundry for one month.

We were kidding our secretary PP John Peter that he has an SAG and DDS before his name is it not time that he removes the many titles before the name and simply have a DG before?. After PP Ramy? While Ramy is brushing on his Spanish vocabulary, puede si John muna?

We are lucky in the villages for the comforts during the last elections. Remember, there was one who collapsed and died after voting due to severe heat.

Tinig continues to marvel at the dedication of CM/PP Peping to attend out weekly meetings as even riding in his van and going to our meeting room takes extra efforts in his wheel chair. And woe to those who are denying us their fellowship by being out of our meetings. We can beat the heat with the warmth of fellowship in our air-conditioned venue.

## **Rotary projects around the globe May 2025**

### **United States**

Inspired by the American flags placed beside headstones at military cemeteries, Rick Clark asked officials at Miramar National Cemetery in San Diego if Rotary clubs could similarly pay tribute to service members interred there. Clark, a past president of the Rotary Club of La Jolla Golden Triangle, is a Vietnam veteran who served as a Seabee, as members of the U.S. Navy's construction battalions are called. He enlisted District 5340 leaders to recruit 400 volunteers to participate in the project, dubbed 2024 Operation Flags for Vets. "It was a powerful event that impacted so many people, including countless survivors who expressed their gratitude," says another organizer, Michael Fuqua, a member of the Rotary Club of Rancho Bernardo and a retired naval captain. The district plans to repeat the event this Memorial Day. The initiative is supported by a new district committee formed to coordinate projects related to military members and veterans. The committee helped raise about \$14,000.

### **Mexico**

Dogs, cats, rabbits, and other pets took center stage during a Blessing of the Animals event co-organized by the Rotary Club of Tehuacán Granadas in Puebla state in January. "Around 1,000 pets and approximately 3,000 people attended the event this year," reports Paola Ortiz Gómez, president of the club, which partnered with TAC Una Protección al Entorno A.C., a

nonprofit organization dedicated to the protection of animals. Since 2022, the club has organized and promoted the special Mass. “We all believe that by fostering a culture of respect for nonhuman life, it teaches us to respect human life as well,” she says. “It fills us with satisfaction to see that entire families attend and not only receive a blessing for their pet but at the same time receive veterinary care,” learn about animal adoptions, and donate to the care of homeless animals.

### **Austria**

To celebrate the centennial of Rotary in Austria, two journalists and longtime Rotarians created a podcast to inspire members and nonmembers alike. Christian Haubner, of the Rotary Club of Freistadt, and Verena Hahn-Oberthaler, of the Rotary Club of Perg, launched the Rotary Reloaded podcast in December. The German-language show features conversations with well-known guests inside and outside of Rotary. “We are targeting both Rotarians and non-Rotarians,” Haubner says. “And we want to do so from a personal perspective. This is our differentiated approach, giving guests personal insights that show how meaningful Rotary can be in people’s lives. We also talk about Rotary still being modern and needed by society.” His co-host agrees. “With the momentum of 100 years of history, we look into the future of Rotary,” Hahn-Oberthaler tells Rotary Magazin, the regional magazine for members in Germany and Austria.

### **Australia**

Athletes with disabilities can enjoy all the beamers, googlies, and dibly-dobbles through the cricket-themed activities organized by Australian Rotarians and Dream Cricket Australia.

## **Walking the Avenues**

### **Continuation 2.**

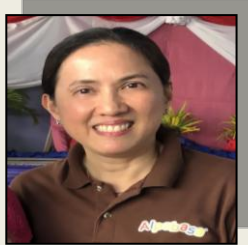

“The program’s core mission is to foster inclusivity and promote physical activity” in a supportive environment, says Ankit Agarwal, a member of the Rotary Club of Adelaide and a board member of the cricket organization. In November the club capped a series of athletics outings with its first Dream Cricket Gala. Agarwal was among club members who organized the day and mentored participants. The club supported the activity with a grant of more than \$3,000 and recruited volunteers from high schools.

### **South Sudan**

More than 100,000 books shipped to South Sudan have been unloaded and are in the hands of students. The materials, received in 2024 by the Rotary Club of Juba, include legal, pharmaceutical, and other science textbooks, along with 11 computers loaded with an additional 33,000 textbooks. The shipment had a value of over \$1.5 million. “The books are of great value to the students because not all of them could access online information due to internet issues,” says Simon Yongo, a past president of the Juba club. The shipment was coordinated by Books for Africa, a Minnesota nonprofit supported in part by Rotarians. Charles Cogan, a member of the Rotary Club of Northfield, Minnesota, who led the project, says senior Rotary leaders helped the project coordinators connect with UNESCO and the humanitarian arm of the U.S. Defense Department. “The partnerships were the key here and turned a smaller project of one container into five containers with 100,000-plus books,” Cogan says. The project was supported by the Juba club as well as 14 clubs in Minnesota and Wisconsin and a District 5960 matching grant.

## Integrity, Not Shallow Generosity

*For I desired mercy, and not sacrifice; and the knowledge of God more than burnt offerings (Hosea 6:6).*

During the Old Testament times long ago before Our Lord Jesus Christ was born, the Jews offered sacrifices to the Lord in the Temple as a way of thanksgiving, atonement, and even supplication. They even offer sacrifices to purify themselves of sin. But the Lord revealed through the Prophet Hosea that He desired mercy and not sacrifice. I believe this biblical passage is fitting for what happened the past weeks of election campaign. Rotarian Hon. Mayor Vico Sotto promoted to Pasigueños the former, mercy borne out of integrity, while his opponent, Sarah Discaya, did the latter, i.e. wooing for votes by giving momentary ayudas, baseless infrastructure promises, and campaign sorties which were mostly staged entertainments rather than delivering campaign speeches with conviction. And we already knew the rest.

So what can we learn from this past election, at least as Pasigueños? Truly, mercy borne out of integrity (especially through Good Governance) can more easily earn the people's trust and respect more than momentary relief through ayudas and mere campaign promises. It's the same way with us. If we want to earn the respect of others, then we must constantly live our integrity, not duplicity, plasticity, hypocrisy and deception. More than that, if we are men and women of integrity, it will be easy for us live the virtues like mercy, compassion, kindness and generosity. Let integrity be the backbone of our City, our Country, and our Club.
